The application must be made in the following manner:

(a) Each application and all of the information contained in it must be verified by the ~~Montana highway patrol~~ *department* or an authorized representative of the department on a form to be furnished by the department for that purpose. The application must provide the following information:

(i) the name in which the business is to be conducted and the location of premises (street address, city, county, and state) where records are kept, sales are made, and motor vehicle stock is displayed as an established place of business that displays a sign indicating the firm name and that vehicles are offered for sale. The letters on the sign must be clearly visible and readable to the major avenue of traffic at a minimum distance of 150 feet.

(ii) the name and address of all owners or persons having an interest in the business. In the case of a corporation, the names and addresses of the president and secretary are sufficient.

(iii) a statement that the applicant is authorized to auction used motor vehicles, recreational vehicles, trailers, semitrailers, special mobile equipment, motorcycles, and quadricycles under one license. A licensed auto auction may not auction a new motor vehicle except when authorized by a new motor vehicle manufacturer, importer, distributor, or representative thereof, for the purpose of conducting a closed-factory fleet sale to dispose of new motor vehicles by the franchisor (manufacturer, distributor, or importer) to franchisee purchasers when the purchasers are licensed new motor vehicle dealers purchasing new motor vehicle line-makes authorized by their respective franchise, sales, or distributor agreements. An auto auction licensed under the provisions of this section shall notify and update the department with current fleet sale agreements between the auto auction and franchisor. An auto auction may not conduct a factory fleet sale unless authorized or appointed by a franchisor licensed under part 2 of this chapter.

(b) Each application must be accompanied by a bond of $25,000 and must be conditioned that the applicant shall conduct ~~his~~ business in accordance with the requirements of the law. All bonds must run to the state of Montana, must be approved by the department and filed in its office, and must be renewed annually. A person who suffers loss or damage due to the unlawful conduct of an auto auction licensed under this section may proceed in the same manner as provided for licensed dealers and wholesalers in 61-4-101(3)(b).

(2) An auto auction's license must be renewed and paid for annually to the department, and an application for relicensure must be filed by January 1 of each year. The fee required for each first-time applicant is $500 and for subsequent renewal applications is $100 each year. Upon receipt of a properly completed application, fee, and bond, the department shall issue the auto auction license and assign an auto auction license number for each applicant in a manner determined by the department. Auto auctions dealing in motor vehicles may sell only to licensed dealers and wholesalers.

(3) Auto auctions that are licensed under this section and that hold a current license number may issue temporary permits, which may be displayed and used by a buyer to operate an unregistered vehicle purchased from the auto auction. The temporary permit is valid for a period of 72 hours from the time of purchase and may be used only for the purpose of driving or transporting a vehicle from the auction premises to the purchaser's established place of business or point of destination. Temporary permits must be on a form prescribed by the department and must contain the name, address, and license number of the purchaser, date of sale, name, address, license number, *and* authorized signature of the auto auction, and a description of the vehicle, including its serial number. The department shall collect a fee of $10 from the auto auction for each temporary permit, and the auto auction may charge a vehicle purchaser no more than $10 for the issuance of each permit to offset the cost of the ~~permits~~ *permit*. It is unlawful for the auto auction to issue more than one temporary permit per vehicle sale.

(4) A licensed auto auction may apply for and may be authorized by the department to purchase and use license plates of a type and amount approved by the department, upon payment of a fee to the department to offset the cost of production. Licensed auto auctions may use the license plates to transport inventory vehicles from a point of storage or a point of delivery in this state to the auto auction's place of business, for road testing authorized vehicles, or for moving vehicles for purposes of repairing, painting, upholstering, polishing, and related activities. One license plate is required to be conspicuously displayed on the rear of the vehicle. Auto auctions may appoint designated persons, partner-

ships, corporations, service stations, or repair garages to use the license plate only when conducting work for the auto auction involving repairing, painting, upholstering, polishing, or performing ~~of~~ similar types of work upon a vehicle. Upon application for an auto auction license, the applicant, if requesting the license plates, shall submit a sworn affidavit on a form prescribed by the department, listing each authorized person designated by the auction to use the license plates. The auto auction is responsible for reporting any changes to the affidavit within 72 hours after the amendment has occurred. An auto auction licensed under the provisions of this section is liable for the proper use of the license plates, which may not be used for private purposes. The department may revoke an auto auction's 72-hour temporary permit and license plate privileges if an auction issues, authorizes the use of, or uses a temporary permit or the license plate in violation of the provisions of this section.

(5) (a) Each auto auction shall keep a book or record, in a form and manner subject to approval by the department, of the purchases, sales, or exchanges or the receipts for the purpose of sale of any motor vehicle, a properly completed copy of a temporary permit issued to a vehicle purchaser, the date of title transfer, and a description of the motor vehicle, together with the name and address of the seller, the purchaser, and the alleged owner or other person from whom the motor vehicle was purchased or received or to whom it was sold or delivered. The description in the case of a motor vehicle must include:

(i) the identification number or engine number, if any;

(ii) other numbers or identification marks on the motor vehicle; and

(iii) a statement that a number has been obliterated, defaced, or changed, if it has.

(b) An auto auction licensed under this section shall validate the sale of a motor vehicle through its auction by stamping its name and license number upon the certificate of ownership at a location on the front or back of the certificate, at the margin in the assignment section as executed between the transferor and transferee. An auto auction's stamp must be legible and may not interfere with the information recorded on the certificate between *the* transferor and transferee. If the certificate of ownership lacks adequate space for the auto auction to place its stamp, the auction may provide the transferee a copy of the auction invoice bearing the name and license number of the auction, along with an indication of the vehicle year, make, model, and identification number; name, address, and signature of *the* transferor; name, license number, and signature of *the* transferee; and the date the vehicle was sold through the auction.

(c) The invoice must be attached to the certificate of ownership and must be presented to the department with any application for title.

(d) An auto auction shall retain, for 5 years, odometer disclosure information, including the name of the owner on the date the auto auction took possession of the motor vehicle, the name of the buyer, the vehicle identification number, and the odometer reading on the date the auto auction took possession of the motor vehicle. The odometer information may be retained in any way that is systematically retrievable and is not required to be maintained on any special disclosure form. The information may be part of the auction receipt or invoice or be maintained as a portion of a computer data base or manual file. An auto auction that executes a transfer of ownership as an agent on behalf of a seller or buyer is liable for providing an odometer disclosure statement for the seller or an odometer disclosure acknowledgement for the buyer under the provisions of 61-3-206."

(5) On payment of the price bid for any property sold as provided in this section, delivery of the property, with a bill of sale, vests the title of the property in the purchaser.

(6) (a) ~~All money collected from the sale of property in liquidation of the delinquency, including delinquent taxes, penalties, and interest but not costs, must be credited by the treasurer to the appropriate funds.~~ *After sale of the property, the proceeds of the sale must be used first to reimburse the county for all costs and charges incurred in seizing the property and conducting the sale. Any excess, up to the total amount of the taxes owed, must be distributed proportionally to the funds that would have received the taxes if they had been paid before becoming delinquent. Any remaining excess, up to the amount of the penalty and interest owed, must then be distributed proportionally to the fund that would have received the penalty and interest if they had been paid in full.*

(b) Any money collected in excess of the delinquent tax, penalties, interest, costs, and charges must be returned to the person owning the property prior to the sale, if known. If the person does not claim the excess immediately following the sale, the treasurer shall deposit the money in the county treasury for a period of 1 year from the date of sale. If the person has not claimed the excess within 1 year from the date of sale, the county treasurer shall deposit the amount in the county general fund and the person has no claim to it ~~thereafter~~.

(7) Any property seized for the purpose of liquidating a delinquency by a tax sale that remains unsold following a sale may be left at the place of sale at the risk of the owner.

(8) The provisions of this section do not apply to property for which delinquent property taxes have been suspended or canceled under the provisions of Title 15, chapter 24, part 17.

(9) The county commission, in its discretion, may cancel any personal property taxes, including penalty, interest, costs, and charges that remain unsatisfied after the property upon which the taxes were assessed had been seized and sold. If the taxes are canceled, one copy of the order of cancellation must be filed with the county clerk and one copy with the county treasurer."

STATEMENT OF INTENT

A statement of intent is required for this bill because [sections 4 through 10] grant rulemaking authority to the board of funeral service to implement provisions of this bill. It is the intent of the legislature that the board, at a minimum, adopt rules:

(1) establishing license application procedures, license fees, criteria for minimum requirements for license eligibility, and requirements for license renewal;

(2) developing procedures for the issuance, renewal, suspension, and revocation of licenses; and

(3) creating disciplinary standards for licensees, establishing investigatory procedures for processing complaints, and adopting ethical standards for licensed crematory operators.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose.** The legislature finds that because the practice of crematory operation affects the lives of the people of this state and because some

Montanans may exercise their right to choose cremation for themselves or a loved one, it is the purpose of [sections 1 and 4 through 10] to:

(1) provide standards for the licensing and regulation of crematoriums in order to protect the public health, safety, and welfare; and

(2) ensure the qualified and professional practice of crematory operation.

Section 2. Section 2-15-1853, MCA, is amended to read:

"**2-15-1853. Board of ~~morticians~~ *funeral service*.** (1) There is a board of ~~morticians~~ *funeral service.*

The license must be displayed in a conspicuous place in the crematory facility.

(2) A crematory license expires on June 30 of each year and may be renewed upon payment of a fee set by the board, which includes the cost of annual inspection. If a crematory facility is attached to a licensed mortuary, only one inspection fee may be charged for inspection of both a mortuary facility under 37-19-403 and a crematory facility.

(3) The board may set a penalty fee for late renewal of a license.

(4) A person in charge of a licensed crematory facility must be licensed as a crematory operator by the board. A person employed by a licensed crematory facility must be licensed as a crematory technician by the board. The license must be displayed in a conspicuous place in the crematory facility.

(b) as a crematory operator, an applicant must be at least 18 years of age, must be a high school graduate or have an equivalent degree, and must be of good moral character.

(2) The application must be accompanied by an application fee set by the board.

(3) The board must be notified of any change of ownership of a crematory within 30 days of the change.

(4) A license to operate a crematory in Montana may be issued only upon inspection of the crematory facility and upon a finding of compliance with standards for operation set by the board.

(5) A temporary permit may be issued to operate a crematory facility, as prescribed by board rule, that is effective until the initial inspection is completed to the board's satisfaction.

(6) A crematory facility may be inspected by a board member or the board's designated representative during business hours.

(7) The board shall adopt rules governing the cremation of human remains, the transportation of human remains, sanitation, equipment, fire protection, building construction, and recordkeeping.

(8) A crematory facility shall comply with all local building codes, environmental standards, and applicable state and local regulations.

(9) A new crematory facility shall pay an initial inspection fee, set by the board, that must accompany the application.

Section 6. **Cremation authorization required — identification.** (1) Except as otherwise provided in this chapter, a crematory may not cremate human remains until it has received a cremation authorization.

(2) A crematory may not accept unidentified human remains.

(3) Appropriate identification must be placed upon the exterior of the cremation container upon receipt of the human remains.

(2) Human remains may not be cremated within 24 hours after the time of death.

(3) A body may not be cremated with a pacemaker or other potentially hazardous implant, as defined by the board, including any toxic or explosive-type sealed implants, in place. The authorizing agent is responsible for disclosing the existence of any pacemakers or other hazardous implants.

(4) A crematory shall hold human remains, prior to their cremation, under the following conditions:

(a) In the event the crematory is unable to perform cremation upon receipt of the human remains, it shall place the human remains in a holding facility.

(b) If the human remains are not embalmed, they may not be held longer than 48 hours after the time of death outside of a refrigerated facility.

(5) Human remains delivered to a crematory may not be removed from the cremation container, and the cremation container must be cremated with the human remains.

(6) Unauthorized persons may not be permitted in the retort area while any human remains are awaiting cremation, being cremated, or being removed from the cremation chamber.

(7) The unauthorized, simultaneous cremation of human remains of more than one person within the same cremation chamber is prohibited unless the crematory has received express written authorization from all appropriate authorizing agents for the human remains to be cremated simultaneously. A written authorization exempts the crematory from liability for commingling of the product of the cremation process provided the authorization is complied with.

(8) The identification of the human remains, as indicated on the cremation container, must be verified by the crematory operator or crematory technician immediately prior to the cremation container being placed within the cremation chamber. The identification must be removed from the cremation container and be placed near the cremation chamber control panel where it must remain until the cremation process is complete.

(9) Upon completion of the cremation process, all recoverable residue must be removed from the cremation chamber. All residue of the cremation process must be separated from material other than bone fragments, which must be processed so as to reduce the bone fragments to unidentifiable particles.

(10) Cremated remains, with proper identification, must be packed and placed in a temporary container or urn ordered by the authorizing agent.

(11) If the cremated remains will not fit within the dimensions of the temporary container or urn, the remainder of the cremated remains must be returned to the authorizing agent in a separate container.

(12) If the cremated remains are to be shipped, the temporary container or designated receptacle ordered by the authorizing agent must be packed securely in a suitable, sturdy, pressure resistant, and properly sealed container.

(13) Cremated remains may be shipped only by a method that has an internal tracing system available and that provides a receipt signed by the person accepting delivery.

Section 8. **Disposition of cremated remains.** (1) The person arranging the cremation shall require the authorizing agent to provide a signed statement that specifies the ultimate disposition of the cremated remains, if known.

(2) The authorizing agent is responsible for specifying the disposition of the cremated remains. If, after a period of 90 days from the date of cremation, the authorizing agent has not specified the ultimate disposition or claimed the cremated remains, the crematory or person in possession of the cremated remains is responsible for disposition of the cremated remains and may then dispose of the cremated remains in any manner permitted by law. A record of the disposition must be made and kept by the crematory operator. This subsection applies to all cremated remains in the possession of a crematory or other party.

(3) Except with the express written consent of the authorizing agent, a person may not:

(a) dispose of or scatter cremated remains in a manner or in a location that commingles the cremated remains with those of another person. The provisions of this subsection (3) do not apply to the scattering of cremated remains from individual containers over public waterways or by air or to the scattering of cremated remains in an area located in a dedicated cemetery and used exclusively for that purpose.

(b) place cremated remains of more than one person in the same closed container.

(4) Cremated remains must be delivered to the individual specified by the authorizing agent on the cremation authorization form.

(5) A representative of the crematory and the individual receiving the cremated remains shall sign a receipt indicating the name of the deceased and the date, time, and place of the delivery. The crematory shall retain a copy of the receipt, and the original must be given to the authorizing agent. After this delivery, the cremated remains may be transported, in this state, without a permit and disposed of in accordance with this chapter.

Section 9. **Limitation of liability.** (1) A person signing a cremation authorization form shall warrant the truthfulness of any facts set forth in the form, including the identity of the deceased whose remains are to be cremated and the signer's authority to order cremation.

(2) A crematory, crematory operator, or crematory technician who properly cremates human remains, refuses to accept a body or perform a cremation, or refuses to release cremated remains due to an unresolved dispute is presumed to have acted properly and without negligence if the actions were performed in accordance with Title 37, chapter 19.

Section 10. **Preneed cremation authorizations.** (1) Preneed cremation authorizations may be made with a cemetery, funeral establishment, crematory, or any other party. Preneed authorizations must specify the ultimate disposition of the cremated remains, be signed by the authorizing agent, and meet other requirements established by board rule.

(2) A crematory operator or crematory technician shall comply with the terms of the preneed authorization in releasing or disposing of the cremated remains at the time of death.

(3) Upon payment for cremation and disposition, a crematory, crematory operator, or crematory technician in possession of a cremation authorization form and the deceased's human remains is not liable for the actual cremation and the disposition of the cremated remains if the terms of the preneed authorization have been complied with.

CHAPTER NO. 57

[HB 41]

AN ACT MAKING PERMANENT THE LAW PROHIBITING THE DEPARTMENT OF TRANSPORTATION AND LOCAL AUTHORITIES FROM RESTRICTING THE TRANSPORT OF SEED POTATOES ON A PUBLIC HIGHWAY UNDER CERTAIN CONDITIONS AND MAKING PERMANENT THE LAW REQUIRING A PERMIT; AMENDING SECTION 61-10-128, MCA; AND PROVIDING AN EFFECTIVE DATE.

STATEMENT OF INTENT

The legislature in 1991 temporarily prohibited the department of transportation from subjecting seed potato haulers to weight and speed restrictions under certain conditions and with a permit requirement. It is the intent of the legislature to now make that prohibition permanent under the same conditions and permit requirements as were contained in the 1991 temporary law. The legislature expects that with the passage of time, roads will be upgraded and that equipment used by the potato haulers will be upgraded in a fashion that will eliminate the wear and tear on roads that makes special weight and speed restrictions necessary. For the time being, the legislature recognizes the necessity of exempting seed potato haulers from special restrictions under certain conditions. The legislature intends to allow the exemption with the understanding that in the future, the people involved in the seed potato industry will continue to work on upgrading their equipment so that eventually the equipment will not require exemptions from special speed and weight limits and that as equipment is replaced, the new equipment will meet regular limits, without special exemptions, that will protect the state's highways.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-10-128, MCA, is amended to read:

"**61-10-128.** *(Temporary)* **When authorities may restrict right to use roadway.** (1) Neither the department nor a local authority may alter the limitations provided in 61-10-101 through 61-10-110 or substitute other limitations or requirements, except as provided in this section.

The department of transportation or the authority which enacts the ordinance or resolution shall erect signs designating the department's order or the authority's ordinance or resolution at each end of that portion of the highway affected, and the order or ordinance or resolution is not effective until the signs are erected. The department, or the authority by ordinance or resolution, may prohibit the operation of trucks or other commercial vehicles~~,~~ or impose limitations on their weight on designated highways, subject to the provisions of subsection (3). These prohibitions and limitations shall be designated by appropriate signs placed on the highways.

61-10-128. *(Effective July 1, 1993)* **When authorities may restrict right to use roadway.** (1) A local authority may not alter the limitations provided in 61-10-101 through 61-10-110 or substitute other limitations or requirements, except as provided in this section.

(2) The department of transportation by order, or a local road authority by ordinance or resolution, may prohibit the operation of or impose restrictions on the weight and speed of a vehicle traveling on a public highway under its respective jurisdiction and for which it is responsible for maintenance whenever the highway will be seriously damaged or destroyed by deterioration, rain, snow, or other climatic conditions, unless the use of vehicles on the highway is prohibited or the permissible vehicle weights and speed are reduced. The department of transportation or the authority ~~which~~ *that* enacts the ordinance or resolution shall erect signs designating the department's order or the authority's ordinance or resolution at each end of that portion of the highway affected, and the order or ordinance or resolution is not effective until the signs are erected. provisions of subsection (3). These prohibitions and limitations ~~shall~~ *must* be designated by appropriate signs placed on the highways.

CHAPTER NO. 66

[HB 182]

AN ACT GENERALLY REVISING THE LAWS RELATING TO CENTRAL CREDIT UNIONS; CHANGING THE TERMINOLOGY FROM "CENTRAL" TO "CORPORATE" CREDIT UNION; REVISING MEMBERSHIP REQUIRE-

STATEMENT OF INTENT

A statement of intent is required for this bill because it delegates rulemaking authority to the department of commerce. A "corporate" credit union is one that serves other credit unions. Other credit unions become members of the corporate credit union. The member credit unions may borrow from the corporate credit union if necessary and may invest excess funds with it. The corporate credit union may also provide to its members other financial services, such as correspondent check collection and automated funds transfer services.

The national credit union administration has adopted extensive new regulations applicable to federally chartered corporate credit unions, and it has also effectively made the regulations applicable to state-chartered corporate credit unions by prohibiting federally insured credit unions from investing in a corporate credit union that is not in compliance with the new regulations. All credit unions in Montana are federally insured. Therefore, in adopting rules pursuant to this bill, the department shall substantially conform with Title 12, part 704, Code of Federal Regulations.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 32-3-801, MCA, is amended to read:

"**32-3-801. Organization.** ~~Any central~~ *A corporate* credit union may be organized and operated under this chapter and *is* subject to all ~~such~~ provisions not inconsistent with this chapter. ~~Such~~ *The* credit union shall use the term ~~"central"~~ *"corporate"* in its official name."

"**32-3-802.** ~~**Membership**~~ ***Purpose — membership.*** *(1) A corporate credit union must be operated primarily for the purpose of serving other credit unions.*

(2) Membership in ~~such central~~ *a corporate* credit union ~~may~~ *must* include~~, but not be limited to:~~

(3) Membership may also include:

~~(2)~~*(a)* officers, directors, committee members, and employees of ~~such~~ credit unions~~; officials and employees of any association of credit unions; and employees of federal or state government agencies responsible for the supervision of credit unions in this state~~; *or*

~~(3)~~*(b)* organizations and associations of those persons or organizations enumerated in subsections ~~(1) and~~ (2) *and (3)(a)*~~;~~.

~~(4) employees of an employer with insufficient numbers to form or conduct the affairs of a separate credit union;~~

~~(5) persons in the field of membership of liquidated credit unions or of credit unions which have entered into or are about to enter into voluntary or involuntary liquidation proceedings; or~~

~~(6) members of the immediate families of all members qualified above.~~

(4) The membership of a corporate credit union may not include more than seven natural persons as described in subsection (3)(a)."

Section 3. Section 32-3-803, MCA, is amended to read:

"**32-3-803. Voting representative —** ***conflict of interest.*** *(1)* Each credit union ~~becoming~~ *that is* a member of ~~such central~~ *a corporate* credit union may designate one person to be its voting representative in the ~~central~~ *corporate* credit union~~,~~. ~~which~~ *The* person ~~shall~~ *must* be designated by the board of directors of the member credit union. ~~Such~~ *The* voting representative ~~shall~~ *must* be eligible to hold office in the ~~central~~ *corporate* credit union as if ~~such~~ *the* person were ~~himself~~ a member of the ~~central~~ *corporate* credit union.

(2) (a) A director, committee member, officer, agent, or employee may not in any manner participate in the deliberation or determination of any question affecting that person's personal pecuniary interest.

(b) A director, officer, agent, or employee may not in any manner participate in the determination of any matter material in amount, as defined by rule by the department, affecting the pecuniary interest of any corporation, partnership, or association, other than the corporate credit union, in which that person has a direct or indirect interest, except for matters involving payment of dividends to the membership.

(3) The department shall adopt rules implementing this section in substantial conformance with Title 12, part 704, Code of Federal Regulations."

Section 4. Section 32-3-804, MCA, is amended to read:

"**32-3-804. Be it enacted by the Legislature of the State of Montana:

That person may then require the driver to unload ~~immediately~~ *at a designated facility* that portion of the load necessary to decrease the weight of the vehicle to conform to the maximum allowable weights specified in 61-10-101 through 61-10-110. *If the excess weight does not exceed 10,000 pounds, an excess weight permit may be issued in accordance with 61-10-121. The permit authorizes the driver of the* *excess weight load to proceed to a designated facility where the load can be safely reduced to legal limits.*

(2) Commodities and material unloaded as required by this section ~~shall~~ *must* be cared for ~~and removed from the highway right-of-way~~ by the owner or operator of the vehicle at the risk of that owner or operator. ~~The removal shall be within a reasonable time designated by the person who has compelled the unloading.~~ *Commodities or material unloaded as required by this section may not be left on the highway right-of-way.*

STATEMENT OF INTENT

It is the intent of the legislature to amend 46-18-256 and 50-18-101 in order to comply with federal requirements of the Crime Control Act of 1990 that requires states to enact laws related to human immunodeficiency virus (HIV) testing of certain convicted offenders or be subject to reduced federal funding.

Upon the request of the victim or the victim's representatives, testing and the test results must be made available for the victim's information. Testing information may or may not reveal exposure to the HIV virus. If exposed, the victim can seek medical treatment and take steps to protect others from the further spread of the epidemic.

This bill is intended to be a benefit to public health and safety by attempting to control and limit the potential spread and impact of disease. It is not intended to add additional sanctions or penalties for conviction of sexual abuse offenses or to make criminals of the victims of disease.

The judgment ~~therein rendered~~ and the proceedings ~~therein had~~ are as conclusive against the party holding ~~such~~ *the* unrecorded conveyance or lien as if ~~he~~ *the holding party* had been made a party to the action."

Section 4. **Effective date — applicability.** [This act] is effective on passage and approval and applies to any foreclosures occurring after [the effective date of this act].

[HB 96]

AN ACT ALLOWING HOLDERS OF "PRISONER OF WAR" AND "SURVIVOR OF PEARL HARBOR" SPECIAL LICENSE PLATES AND MEMBERS OF THE NATIONAL GUARD OR RESERVE ARMED FORCES TO BE AUTHORIZED TO RECEIVE MORE THAN ONE SET OF SPECIAL LICENSE PLATES; AMENDING SECTION 61-3-332, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-3-332, MCA, is amended to read:

"**61-3-332.** *(Temporary)* **Number plates.** (1) A motor vehicle that is driven upon the streets or highways of Montana must display both front and rear number plates, bearing the distinctive number assigned the vehicle. The number plates are in 10 series: one series for owners of motorcars, one for owners of motor vehicles of the motorcycle or quadricycle type, one for trailers, one for trucks, one for dealers in vehicles of the motorcycle or quadricycle type that bear the distinctive letters "MCD" or the letters "MC" and the word "DEALER", one for franchised dealers in new motorcars (including trucks and trailers) or new and used motorcars (including trucks and trailers) that bear the distinctive letter "D" or the word "DEALER", one for dealers in used motorcars only (including used trucks and trailers) that bear the distinctive letters "UD" or the letter "U" and the word "DEALER", one for dealers in trailers and/or semitrailers (new or used) that bear the distinctive letters "DTR" or the letters "TR" and the word "DEALER", one for dealers in recreational vehicles that bear the distinctive letters "RV" or the letter "R" and the word "DEALER", and one for special license plates. All markings for the various kinds of dealers' plates must be placed on the number plates assigned thereto in the position that the department designates.

(2) All number plates for motor vehicles must be issued for a minimum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(3) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section~~, and it shall manufacture the newly designed number plates for issuance after January 1, 1991, to replace, at renewal as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date~~.

(4) In the case of motorcars and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on ~~such~~ *the* license plates, and the word "Montana" and the year must be placed across the plates. ~~Such registration~~ *Registration* plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of ~~such~~ numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(6) For the use of tax-exempt motor vehicles, in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and ~~no~~ *a* year number may *not* be indicated ~~thereon~~ *on the plates* because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, irrigation districts organized under the laws of Montana and not operating for profit, and school districts and that are used and operated by officials and employees thereof in line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees thereof in the line of duty, there must be placed on the number plates assigned thereto, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and school districts situated within each of the counties and those of the irrigation districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement

passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. ~~No~~ *A* registration or license fee may *not* be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

(9) For the purpose of this chapter, the several counties of the state are assigned numbers as follows: Silver Bow, 1; Cascade, 2; Yellowstone, 3; Missoula, 4; Lewis and Clark, 5; Gallatin, 6; Flathead, 7; Fergus, 8; Powder River, 9; Carbon, 10; Phillips, 11; Hill, 12; Ravalli, 13; Custer, 14; Lake, 15; Dawson, 16; Roosevelt, 17; Beaverhead, 18; Chouteau, 19; Valley, 20; Toole, 21; Big Horn, 22; Musselshell, 23; Blaine, 24; Madison, 25; Pondera, 26; Richland, 27; Powell, 28; Rosebud, 29; Deer Lodge, 30; Teton, 31; Stillwater, 32; Treasure, 33; Sheridan, 34; Sanders, 35; Judith Basin, 36; Daniels, 37; Glacier, 38; Fallon, 39; Sweet Grass, 40; McCone, 41; Carter, 42; Broadwater, 43; Wheatland, 44; Prairie, 45; Granite, 46; Meagher, 47; Liberty, 48; Park, 49; Garfield, 50; Jefferson, 51; Wibaux, 52; Golden Valley, 53; Mineral, 54; Petroleum, 55; Lincoln, 56. Any new counties must be assigned numbers by the department as they may be formed, beginning with the number 57.

(10) Each type of special license plate approved by the legislature, except collegiate license plates authorized in 61-3-463, must be a separate series of plates, numbered as provided in subsection (5), except that the county number must be replaced by a nonremovable design or decal designating the group or organization to which the applicant belongs. Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of regular license plates, must be placed or mounted on a vehicle owned by the person who is eligible to receive them, and must be removed upon sale or other disposition of the vehicle. The special license plates must be issued to national guard members, former prisoners of war, handicapped persons, reservists, disabled veterans, survivors of the Pearl Harbor attack, veterans of the armed services, or veterans of the armed services who were awarded the purple heart medal, who comply with the following provisions:

(6) For the use of tax-exempt motor vehicles, in addition to the markings *provided* in this section ~~provided~~, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and ~~no~~ *a* year number may *not* be indicated ~~thereon~~ *on the plates* because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, irrigation districts organized under the laws of Montana and not operating for profit, and school districts and that are used and operated by officials and employees thereof in line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees thereof in the line of duty, there must be placed on the number plates assigned thereto, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and school districts situated within each of the counties and those of the irrigation districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. ~~No~~ *A* registration or license fee may *not* be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of regular license plates, must be placed or mounted on a vehicle owned by the person who is eligible to receive them, and must be removed upon sale or other disposition of the vehicle. For the following required installments the due date is:

1st	*15th day of the 4th month*
2nd	*15th day of the 6th month*
3rd	*15th day of the 9th month*
4th	*15th day of the 12th month*

(b) ~~If after paying any installment of estimated tax the taxpayer makes a new estimate, the amount of each installment, if any, is the amount that would have been paid if the new estimate had been made when the first estimate for the taxable year was made, increased or decreased, as the case may be, by the amount computed by dividing:~~

~~(i) the difference between:~~

~~(A) the amount of estimated tax required to be paid before the date on which the new estimate was made; and~~

~~(B) the amount of estimated tax that would have been required to be paid before that date if the new estimate had been made when the first estimate was made;~~

~~(ii) by the number of installments remaining to be paid on or after the date on which the new estimate was made.~~ *Except as provided in 15-31-510, the amount of any required installment is 25% of the required annual payment. The required annual payment is the lesser of:*

(i) 80% of the tax shown on the return for the taxable year or, if a return is not filed, 80% of the tax for that year; or

(ii) 100% of the tax shown on the return of the corporation for the preceding taxable year if the preceding taxable year was a period of 12 months and if the corporation filed a return for that year.

(3) The application of this section to taxable years of less than 12 months must be in accordance with rules adopted by the department.

(4) At the election of the corporation, any installment of the estimated tax may be paid before the date prescribed for its payment."

Section 2. Section 15-31-510, MCA, is amended to read:

"15-31-510. Estimated payments — interest penalty — tax returns — penalty — interest. (1) For corporations failing to make estimated payments according to the schedule provided in 15-31-502(2), there is assessed a 20% per ~~annum~~ *year* underpayment interest penalty calculated as follows:

(a) For purposes of this subsection (a), the amount of underpayment is ~~in excess of~~ the amount of the *required* installment ~~that would be required to be paid if the estimated tax were equal to 80% of the tax shown on the return for the taxable year or, if no return was filed, 80% of the tax for the year~~ *set forth in 15-31-502* ~~over~~ *that exceeds* the amount, if any, of the installment paid on or before the last date prescribed for payment.

(b) Notwithstanding the provisions of subsection (1)(a), the interest penalty with respect to an underpayment of any installment may not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of the installment equals or exceeds the amount that would have been required to be paid on or before that date if the estimated tax were ~~the lesser of the following:~~

~~(i) the tax shown on the return of the corporation for the preceding taxable year if a return showing a liability for tax was filed for the preceding taxable year and the preceding year was a taxable year of 12 months;~~

~~(ii) an amount equal to the tax computed at the rates applicable to the taxable year, but otherwise on the basis of the facts shown on the return of the corporation for, and the law applicable to, the preceding taxable year; or~~

~~(iii)~~ an amount equal to 80% of the tax for the taxable year, computed by placing on an annualized basis the taxable income:

~~(A)~~*(i)* for the first 3 months of the taxable year in the case of the installment required to be paid in the 4th month;

~~(B)~~*(ii)* for the first 3 months or for the first 5 months of the taxable year in the case of the installment required to be paid in the 6th month;

~~(C)~~*(iii)* for the first 6 months or for the first 8 months of the taxable year in the case of the installment required to be paid in the 9th month; and

~~(D)~~*(iv)* for the first 9 months or for the first 11 months of the taxable year in the case of the installment required to be paid in the 12th month of the taxable year.

(c) For purposes of subsection (1)(b)~~(iii)~~, the taxable income must be placed on an annualized basis by:

(i) multiplying by 12 the taxable income referred to in subsection (1)(b)~~(iii)~~; and

(ii) dividing the resulting amount by the number of months in the taxable year (3, 5, 6, 8, 9, or 11, as the case may be) referred to in subsection (1)(b)~~(iii)~~.

(d) Notwithstanding subsections (1)(a) through (1)(c), the interest penalty with respect to an underpayment of any installment may not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of the installment equals or exceeds 80% of the amount determined under subsection (1)(e).

(e) To determine the amount under this subsection (e) for any installment:

(i) take the taxable income for all months during the taxable year preceding the filing month;

(ii) divide the amount by the base period percentage for all months during the taxable year preceding the filing month;

(iii) determine the tax on the amount calculated under subsection (1)(e)(ii); and

(iv) multiply the tax computed under subsection (1)(e)(iii) by the base period percentage for the filing month and all months during the taxable year preceding the filing month.

(f) For purposes of this subsection (1):

(i) the base period percentage for any period of months is the average percentage that the taxable income for the corresponding months in each of the 3 preceding taxable years bears to the taxable income of the 3 preceding years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this subsection (1) applies only if the base period percentage for any 6 consecutive months of the taxable year equals or exceeds 70%; and

(iv) the department of revenue may by rule provide for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(2) If the tax for any corporation is not paid on or before the due date of the return as provided in 15-31-111(2), there is assessed a penalty of 10% of the amount of the tax due, unless it is shown that the failure was due to reasonable cause and not to neglect.

(3) If any tax due under this section is not paid when due, by reason of extension granted or otherwise, interest is added to the tax due at the rate of 12% a year from the due date until paid."

Section 3. Section 87-2-903, MCA, is amended to read:

"**87-2-903. Compensation and duties of agents — penalty for late submission of license money.** (1) License agents, except salaried employees of the department, ~~shall~~ *must* receive for all services rendered the sum of ~~40 cents for the 1992 license year and~~ 50 cents ~~thereafter~~ for each license, permit, or certificate issued. Each license agent shall submit to the department all duplicates of each class of licenses sold and shall accompany the duplicate licenses with all ~~moneys~~ *money* received for the sale of the licenses, less the appropriate fee. The department may designate classes of license agents and may establish a deadline for submission of license money by each class of agent. Each license agent shall keep ~~his~~ *the* license account open at all reasonable hours to inspection by the department, the director, the wardens, or the legislative auditor.

(2) For purposes of this section, the term "license" includes any license, permit, and certificate prescribed by the department.

(3) If a license agent fails to submit to the department all money received from the declared sale of licenses, less the appropriate fee, by the deadline established by the department, an interest charge equal to the rate charged on late corporation license tax payments under ~~15-31-502~~ *15-31-510(2)* must be assessed. Acceptance of late payments with interest does not preclude the department from summarily revoking the appointment of a license agent under 87-2-904."

Section 4. **Applicability — rulemaking.** (1) [This act] applies to tax years beginning after December 31, 1993.

(2) The department of revenue may institute rulemaking under Title 2, chapter 4, to implement [this act] prior to October 1, 1993, but the rules may not be effective prior to October 1, 1993.

CHAPTER NO. 98

[HB 18]

AN ACT ESTABLISHING THE MONTANA FAMILY POLICY ACT TO GUIDE STATE GOVERNMENT ACTIONS THAT IMPACT CHILDREN AND FAMILIES.

WHEREAS, the family is the basic institution in society through which our children's sense of well-being and self-esteem are developed and nurtured; and

WHEREAS, because our entire society benefits when families function well, it is in society's best interest to ensure that public policies and programs support and strengthen family life; and

WHEREAS, in fiscal year 1992, 3,310 Montana children and youth were removed from their families and placed in foster homes, group homes, and residential treatment facilities at a cost to the state of more than $16 million; and

WHEREAS, because of the high level of expenditures required to provide out-of-home placement, many experts now question whether public revenue spent for room, board, and related costs might be more wisely spent providing services specifically needed to enable a family to continue functioning as a family; and

WHEREAS, mounting evidence demonstrates that efforts that are made to support and strengthen vulnerable families before a crisis occurs can substantially contribute to family health and stability and prevent future long-term governmental costs; and

WHEREAS, because even with a reformed service system for families, some parents will not be available or able to protect or care adequately for their children, a range of out-of-home services should be available for these children and their families; and

WHEREAS, state and local policymakers increasingly are examining entire state systems for serving troubled children and families and are developing a more comprehensive approach to the multifaceted problems they face; and

WHEREAS, just as families nurture and sustain their members, healthy communities do the same for their member children and families; and

WHEREAS, because family services should be rooted in local communities and reflect local needs, characteristics, and resources, services should be provided as close as possible to the home community of the child or family and families should be fully involved in the planning and delivery of those services; and

WHEREAS, promoting family well-being and assuring children's safety must be the concern of all community sectors.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 and 2] may be cited as the "Montana Family Policy Act".

Section 2. **Policy and guiding principles.** (1) It is the policy of the state of Montana to support and preserve the family as the single most powerful influence for ensuring the healthy social development and mental and physical well-being of Montana's children.

(2) The following principles must guide the actions of state government, state agencies, and agents of the state that serve children and families:

(a) Family support and preservation must be guiding philosophies when the state, state agencies, or agents of the state plan or implement services for children or families. The state shall promote the establishment of a range of services to children and families, including the following components:

(i) supporting families toward healthy development by providing a community network that offers a range of family support services, activities, and programs designed to promote family well-being, with services that include prenatal care, parenting education, parent aides, and visiting nurses; early childhood screening and developmental services; child care; and family recreation;

(ii) assisting vulnerable families before crises emerge by providing specialized services to strengthen and preserve families experiencing problems before they become acute and by providing early intervention and family support services, such as respite care, health and mental health services, and home-based rehabilitation services linked to services in subsection (2)(a)(i);

(iii) protecting and caring for children in crisis by providing intensive services to protect children who have suffered or are at risk of suffering serious harm from child abuse and neglect, by providing care for children at risk of out-of-home placement for emotional disturbances or behavior problems, and by providing family support services to ensure that reasonable efforts are made to safely maintain children in their own homes or to provide temporary or permanent care for children who are removed from their families. These services include family-based services to avoid removal from the home whenever possible and to provide out-of-home care, reunification services, adoption services, and long-term substitute care.

(b) To maximize resources and establish a range of services driven by the needs of families rather than by a predetermined array of categorical services, the state, state agencies, and agents of the state shall work toward a system of comprehensive and coordinated services to children and families through joint agency planning, joint financing, joint service delivery, common intake and assessment, and other arrangements that promote more effective support for families.

(c) Needed services to children and families should be provided as close as possible to the home community. The state, state agencies, and agents of the state shall encourage community planning and collaboration. State agencies shall cooperate to support collaborative programs.

(d) The state encourages all sectors of society to participate in building the community capacity to meet the needs of children and families.

(3) The family policy objectives described in this section are intended to guide the state's efforts to provide services to children and families. This section may not be construed to require a service or a particular level of service or to grant a right of action to enforce this section or other law.

Approved March 17, 1993.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose.** The purpose of [sections 1 through 3] is to assist courts and juries in defining the circumstances under which persons responsible for equines may be found liable for damages to persons harmed in the course of equine activities. It is the policy of the state of Montana that a person is not liable for damages sustained by another solely as a result of risks inherent in equine activities if those risks are or should be reasonably obvious, expected, or necessary to persons engaged in equine activities. It is the policy of the state of Montana that an equine activity sponsor or equine professional who is negligent and causes foreseeable injury to a participant bears responsibility for that injury in accordance with other applicable law.

Section 2. **Definitions.** As used in [sections 1 through 3], the following definitions apply:

(1) "Engage in an equine activity" means to ride, train, drive, or be a passenger upon an equine, whether mounted or unmounted, or to assist a participant, equine activity sponsor, or equine professional. (b) equine training or teaching activities;

(c) boarding equines;

(d) riding, inspecting, grooming, or evaluating an equine belonging to another, whether or not the owner has received monetary consideration or another thing of value for the use of the equine or permits a prospective purchaser of the equine to ride, inspect, groom, or evaluate the equine;

(e) rides, trips, hunts, pack trips, or other equine activities of any type, however informal, that are sponsored by an equine activity sponsor; and

(f) providing veterinarian or farrier services.

(4) "Equine activity sponsor" means an individual, group, club, partnership, corporation, or other entity, whether operating for profit or nonprofit, that sponsors, organizes, or provides the facilities for an equine activity. The phrase includes but is not limited to pony clubs; 4-H clubs; hunt clubs; riding clubs; riding classes and programs; therapeutic riding programs; operators, instructors, and promoters of equine facilities; stables; clubhouses; pony ride strings; farms; ranches; and arenas.

(5) "Equine professional" means a person engaged for compensation in:

(a) instructing a participant or renting to a participant an equine for the purpose of riding, driving, or being a passenger upon the equine;

(b) selling or renting equipment or tack to a participant; or

(c) providing veterinary or farrier services.

(6) "Participant" means a person, whether amateur or professional, who directly engages in an equine activity, whether or not a fee is paid to participate in the equine activity.

(7) "Risks inherent in equine activities" means dangers or conditions that are an integral part of equine activities, including but not limited to:

(a) the propensity of an equine to behave in ways that may result in injury or harm to or the death of persons on or around the equine;

(b) the unpredictability of an equine's reaction to such things as medication; sounds; sudden movement; and unfamiliar objects, persons, or other animals;

(c) hazards, such as surface and subsurface ground conditions;

(d) collisions with other equines or objects; or

(e) the potential of another participant to not maintain control over the equine or to not act within the person's ability.

Section 3. **Equine activity liability limitations.** (1) Except as provided in subsections (2) and (3), an equine activity sponsor or an equine professional is not liable for an injury to or the death of a participant engaged in an equine activity resulting from risks inherent in equine activities.

(2) An equine participant shall act in a safe and responsible manner at all times to avoid injury to the participant and others and to be aware of risks inherent in equine activities.

(3) Subsection (1) does not apply:

(a) if the equine activity sponsor or the equine professional:

(i) provided the equipment or tack and the equipment or tack caused the injury because the equine activity sponsor or equine professional failed to reasonably and prudently inspect or maintain the equipment;

(ii) provided the equine and failed to make reasonable and prudent efforts to determine the ability of the participant to safely engage in the equine activity and the participant's ability to safely manage the particular equine based on the participant's representations as to the participant's ability;

(iii) owned, leased, rented, or otherwise was in lawful possession and control of the land or facilities upon which the participant sustained injuries caused by a dangerous latent condition that was known or should have been known to the equine activity sponsor or the equine professional;

(iv) committed an act or omission that constituted willful or wanton disregard for the safety of the participant and the act or omission caused the injury; or

(v) intentionally injured the participant; or

(b) in a products liability action.

(4) Title to property of the limited liability company may be transferred free of any claims of the limited liability company or its members by the persons in whose name title is held to a transferee who gives value without having notice that it is property of a limited liability company if title is held in the name of one or more persons other than the limited liability company and there is no indication in the instrument transferring title to the property to them of:

Section 40. **Nature of membership interest.** A membership interest is personal property.

Section 41. **Assignment of membership interest.** (1) Except as provided in writing in the articles of organization or an operating agreement:

(a) a membership interest is assignable in whole or in part;

(b) an assignment entitles the assignee to receive, to the extent assigned, only the distributions to which the assignor would be entitled;

(c) an assignment of a membership interest does not of itself dissolve the limited liability company or entitle the assignee to participate in the management and affairs of the limited liability company or to become or to exercise any rights of a member;

(d) until the assignee of a limited liability company interest becomes a member, the assignor continues to be a member and to have the power to exercise rights of a member, subject to the members' right to remove the assignor pursuant to [section 45(1)(c)(ii)];

(e) until an assignee of a membership interest becomes a member, the assignee has no liability as a member solely as a result of the assignment; and

(f) the assignor of a membership interest is not released from liability as a member solely as a result of the assignment.

(2) The articles of organization or an operating agreement may provide that a member's interest in a limited liability company may be evidenced by a certificate of membership interest issued by the limited liability company and may also provide for the assignment or transfer of a membership interest represented by a certificate and make other provisions with respect to the certificates.

(3) Unless otherwise provided in the articles of organization or an operating agreement, the pledge or granting of a security interest, lien, or other encumbrance in or against any of the membership interest of a member is not an assignment and may not cause the member to cease to be a member or to cease to have the power to exercise any rights or powers of a member.

Section 42. **Rights of judgment creditor.** On application to a court of competent jurisdiction by any judgment creditor of a member, the court may charge the membership interest of the member with payment of the unsatisfied amount of judgment, with interest. To the extent charged, the judgment creditor has only the rights of an assignee of the membership interest. [Sections 1 through 78] does not deprive a member of the benefit of any exemption laws applicable to a membership interest.

Section 43. **Right of assignee to become member.** (1) Except as otherwise provided in the articles of organization or a written operating agreement, an assignee of an interest in a limited liability company may become a member only if the other members unanimously consent.

(2) An assignee who becomes a member has, to the extent assigned, the rights and powers of and is subject to the restrictions and liabilities of a member under the articles of organization, an operating agreement, and [sections 1 through 78]. An assignee who becomes a member is liable for obligations of the assignor to make contributions and to return distributions under [section 30]; however, the assignee is not obligated for liabilities of which the assignee had no knowledge at the time the assignee became a member and that could not be ascertained from the articles of organization or a written operating agreement.

(3) Whether or not an assignee of a membership interest becomes a member, the assignor is not released from liability to the limited liability company under [section 30].

(4) Except as otherwise provided in writing in the articles of organization or the operating agreement, a member who assigns the member's entire interest in the limited liability company ceases to be a member and to have the power to exercise any rights of a member when the assignee becomes a member with respect to the assigned interest.

Section 44. **Admission of members.** (1) Subject to subsection (2), a person may become a member in a limited liability company:

(a) in the case of a person acquiring a limited liability company interest directly from the limited liability company, upon compliance with the articles of organization or the operating agreement or, if the articles of organization or the operating agreement does not so provide in writing, upon the written consent of all members; and

(b) in the case of an assignee of a limited liability company interest, as provided in [section 41].

(2) The effective time of admission of a member to a limited liability company is the later of:

(a) the date the limited liability company is formed; or

(b) the time provided in the articles of organization or the operating agreement or, if no time is provided, when the person's admission is reflected in the records of the limited liability company.

Section 45. **Events of dissociation.** (1) A person ceases to be a member of a limited liability company upon the occurrence of one or more of the following events:

(a) the member withdraws by voluntary act from the limited liability company as provided in subsection (3);

(b) the member ceases to be a member of the limited liability company as provided in [section 43];

(c) the member is removed as a member:

(i) in accordance with the articles of organization or the operating agreement; or

(ii) subject to contrary written provisions in the articles of organization or the operating agreement, by an affirmative vote of a majority of the members who have not assigned their interests when the member assigns all the member's interest in the limited liability company;

(d) subject to contrary written provisions in the articles of organization or the operating agreement or written consent of all members at the time, the member:

(i) makes an assignment for the benefit of creditors;

(ii) files a voluntary petition in bankruptcy;

(iii) is adjudicated as bankrupt or insolvent;

(iv) files a petition or answer seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any statute, law, or regulation;

(v) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the member in any proceeding under subsection (1)(d); or

(vi) seeks, consents to, or acquiesces in the appointment of a trustee, receiver, or liquidator of the member or of any substantial part of the member's properties;

(e) subject to contrary written provisions in the articles of organization or the operating agreement or written consent of all members at the time if:

(i) 120 days after the commencement of any proceeding against the member seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any statute, law, or regulation, the proceeding has not been dismissed;

(ii) within 90 days after the appointment without the member's consent or acquiescence of a trustee, receiver, or liquidator of the member or of any substantial part of the member's properties, the appointment is not vacated or stayed; or

(iii) within 90 days after the expiration of any stay, the appointment is not vacated;

(f) subject to contrary written provisions in the articles of organization or the operating agreement or written consent of all members at the time, in the case of a member who is an individual:

(i) the member's death; or

(ii) the entry of an order by a court of competent jurisdiction adjudicating the member incompetent to manage the member's person or estate;

(g) subject to contrary written provisions in the articles of organization or the operating agreement or written consent of all members at the time, in the case of a member who is a trustee or is acting as a member by virtue of being a trustee of a trust, the termination of the trust but not merely the substitution of a new trustee;

(h) subject to contrary written provisions in the articles of organization or the operating agreement or written consent of all members at the time, in the case of a member that is a separate limited liability company, the dissolution and commencement of winding up of the separate limited liability company;

(i) subject to contrary written provisions in the articles of organization or the operating agreement or written consent of all members at the time, in the case of a member that is a corporation, the filing of articles of dissolution, or the equivalent for the corporation, or involuntary dissolution and the lapse of 90 days after notice to the corporation of revocation without a reinstatement of its charter;

(j) subject to contrary written provisions in the articles of organization or the operating agreement or written consent of all members at the time, in the case of an estate, the distribution by the fiduciary of the estate's entire interest in the limited liability company; or

(k) if the limited liability company is a professional limited liability company, a member becomes a disqualified person.

(2) The members may provide in writing in the articles of organization or the operating agreement for other events that result in a person ceasing to be a member of the limited liability company.

(3) Unless the articles of organization or the operating agreement provides in writing that a member may not withdraw by voluntary act from a limited liability company, the member may withdraw at any time by giving 30 days' written notice to the other members or other notice required in the articles of

organization or the operating agreement. Unless otherwise provided in the articles of organization or the operating agreement, in the case of a limited liability company for a definite term or particular undertaking, a withdrawal by a member before the expiration of that term is a breach of the articles of organization or the operating agreement. If a member has the power to withdraw but the withdrawal violates a provision of the articles of organization or is a breach of the operating agreement or the withdrawal occurs as a result of otherwise wrongful conduct of the member, the limited liability company may:

(a) recover from the withdrawing member damages for violation of the articles of organization or for breach of the operating agreement, including the reasonable cost of obtaining replacement of the services the withdrawn member was obligated to perform;

(b) offset the damages against the amount otherwise distributable to the member; and

(c) pursue any other remedies provided for in the articles of organization or the operating agreement or otherwise available under applicable law.

Section 46. **Dissolution.** A limited liability company is dissolved and its affairs must be wound up when one of the following occurs:

(1) at the time or upon the occurrence of events specified in writing in the articles of organization or operating agreement;

(2) the written consent of all members;

(3) an event of dissociation of a member, unless the business of the limited liability company is continued by the consent of all the remaining members within 90 days following the occurrence of an event of dissociation or as otherwise provided in writing in the articles of organization or operating agreement; or

(4) entry of a decree of judicial dissolution under [section 47].

Section 47. **Judicial dissolution.** On application by or for a member, a district court may order dissolution of a limited liability company, or other appropriate relief, when it is not reasonably practicable to carry on the business in conformity with the articles of organization or operating agreement.

Section 48. **Winding up.** (1) Except as otherwise provided in the articles of organization or the operating agreement, the business or affairs of the limited liability company may be wound up:

(a) by the members or managers who have authority under [section 23] to manage the limited liability company prior to dissolution; or

(b) if one or more of the members or managers have engaged in wrongful conduct or upon other cause shown, by the district court on application of any member or any member's legal representative or assignee.

(2) The persons winding up the business or affairs of the limited liability company may, in the name of and for and on behalf of the limited liability company:

(a) prosecute and defend suits;

(b) settle and close the business of the limited liability company;

(c) dispose of and transfer the property of the limited liability company;

(d) discharge the liabilities of the limited liability company; and

(e) distribute to the members any remaining assets of the limited liability company.

Section 49. **Agency power of members or managers after dissolution.** (1) Except as provided in subsections (3) through (5), after an event causing dissolution of the limited liability company, a member may bind the limited liability company:

(a) by an act appropriate for winding up the limited liability company's affairs or completing transactions unfinished at dissolution; and

(b) by any transaction that would have bound the limited liability company, if it had not been dissolved, if the other party to the transaction does not have notice of the dissolution.

(2) The filing of the articles of dissolution is presumed to constitute notice of dissolution for purposes of subsection (1)(b).

(3) An act of a member that would not otherwise be binding on the limited liability company under subsection (1) is binding if it is authorized by the limited liability company.

(4) An act of a member that would be binding under subsection (1) or would be otherwise authorized and that is in contravention of a restriction on authority may not bind the limited liability company to persons having knowledge of the restriction.

(5) If the articles of organization vest management of the limited liability company in managers, a manager may exercise the authority of a member under subsection (1) and a member may not exercise the authority if the member is acting solely in the capacity of a member.

Section 50. **Distribution of assets.** Upon the winding up of a limited liability company, the assets must be distributed as follows:

(1) to creditors, including members and managers who are creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the limited liability company, whether by payment or the making of reasonable provision for payment, other than liabilities to members for distributions under [section 33 or 34];

(2) unless otherwise provided in the articles of organization or an operating agreement, to members and former members in satisfaction of liabilities for distributions under [section 33 or 34]; and

(3) unless otherwise provided in the articles of organization or an operating agreement, to members first for the return of their contributions and second

respecting their limited liability company interests, in the proportions in which the members share in distributions.

Section 51. **Articles of dissolution.** Upon the dissolution and the commencement of winding up of the limited liability company, articles of dissolution must be filed in the office of the secretary of state and must set forth:

(1) the name of the limited liability company;

(2) the date of filing of its articles of organization and all amendments to the articles;

(3) the reason for filing the articles of dissolution;

(4) the effective date of the articles of dissolution, which must be a date certain, if they are not to be effective upon the filing;

(5) any other information that the members or managers filing the articles determine necessary;

(6) the name of the agent or agents authorized to receive service of process after dissolution of the limited liability company; and

(7) the name of the person or persons authorized to wind up the business and authorized to execute documents on behalf of the limited liability company.

Section 52. **Revocation of dissolution.** (1) A limited liability company may revoke its dissolution within 120 days of the effective date of the articles of dissolution.

(2) Revocation of dissolution must be authorized in the same manner as the dissolution was authorized unless that authorization permitted revocation by action of the board of directors alone, in which event the board of directors may revoke the dissolution without shareholders' action.

(3) After the revocation of dissolution is authorized, the limited liability company may revoke the dissolution by delivering to the secretary of state, for filing, articles of revocation of dissolution, together with a copy of its articles of dissolution, that set forth:

(a) the name of the limited liability company;

(b) the effective date of the dissolution that was revoked;

(c) the date that the revocation of dissolution was authorized; and

(d) a statement of the action that was taken to revoke the dissolution.

(4) Unless a delayed effective date is specified, revocation of dissolution is effective when the articles of revocation of dissolution are filed.

(5) When the revocation of dissolution is effective, it relates back to and takes effect as of the effective date of the dissolution, and the limited liability company resumes carrying on its business as if dissolution had never occurred.

Section 53. **Known claims against dissolved limited liability companies.** (1) A dissolved limited liability company may dispose of the known claims against it by filing articles of dissolution pursuant to [section 53] and following the procedure described in this section.

(b) provide a mailing address where a claim may be sent;

(c) state the deadline, which may not be less than 120 days from the later of the effective date of the written notice or the filing of the articles of dissolution pursuant to [section 51], by which the dissolved limited liability company must receive the claim; and

(d) state that the claim will be barred if not received by the deadline.

(3) A claim against the dissolved limited liability company is barred:

(a) if a claimant who was given written notice under subsection (2) does not deliver the claim to the dissolved limited liability company by the deadline; or

(b) if a claimant whose claim was rejected by the dissolved limited liability company does not commence a proceeding to enforce the claim within 90 days from the effective date of the rejection notice.

(4) For purposes of this section, "claim" does not include a contingent liability or a claim based on an event occurring after the effective date of the dissolution.

Section 54. **Unknown claims against dissolved limited liability companies.** (1) Subject to [section 53], the dissolution of a limited liability company, including dissolution by the expiration of its term, does not take away or impair any remedy available to or against the limited liability company or its members or managers for any claim or right, whether or not the claim or right existed or accrued prior to dissolution. A proceeding by or against the limited liability company may be prosecuted or defended by the limited liability company in its name. The members and managers have power to take action as appropriate to protect the remedy, right, or claim.

(2) A claim may be enforced under [section 53] or this section:

(a) against the dissolved limited liability company, to the extent of the undistributed assets; or

(b) if the assets have been distributed in liquidation, against a member of the dissolved limited liability company, to the extent of the member's pro rata share of the claim or the corporate assets distributed to the member in liquidation, whichever is less, but a member's total liability for all claims under this section may not exceed the total amount of assets distributed to the member.

(3) Subsections (1) and (2) apply to foreign limited liability companies and their members transacting business in this state for any claims otherwise arising or accruing under Montana law.

Section 55. **Authority to transact business required.** (1) A foreign limited liability company may not transact business in this state until it obtains a certificate of authority from the secretary of state.

(j) conducting an isolated transaction that is completed within 30 days and that is not a transaction in the course of repeated transactions of a similar nature; or

(k) transacting business in interstate commerce.

(3) The list of activities in subsection (2) is not exhaustive.

Section 56. **Consequences of transacting business without authority.** (1) A foreign limited liability company transacting business in this state without a certificate of authority may not maintain a proceeding in any court in this state until it obtains a certificate of authority.

(2) The successor to a foreign limited liability company that transacted business in this state without a certificate of authority and the assignee of a cause of action arising out of that business may not maintain a proceeding based on that cause of action in any court in this state until the foreign limited liability company or its successor obtains a certificate of authority.

(3) A court may stay a proceeding commenced by a foreign limited liability company or its successor or assignee until it determines whether the foreign corporation or its successor or assignee requires a certificate of authority. If it

determines that a certificate is required, the court may further stay the proceeding until the foreign limited liability company or its successor obtains the certificate.

(4) A foreign limited liability company is liable for a civil penalty of $5 for each day, but not to exceed a total of $1,000 for each year, that it transacts business in this state without a certificate of authority. The attorney general may collect all penalties due under this subsection and deposit them to the general fund.

(5) Notwithstanding the provisions of subsections (1) and (2), the failure of a foreign limited liability company to obtain a certificate of authority does not impair the validity of its acts or prevent it from defending any proceeding in this state.

Section 57. **Application for certificate of authority.** (1) A foreign limited liability company may apply for a certificate of authority to transact business in this state by delivering an application to the secretary of state for filing. The application must set forth:

(a) the name of the foreign limited liability company or, if its name is unavailable for use in this state, a name that satisfies the requirements of [section 63];

(2) After filing the statement, the secretary of state shall attach the filing receipt to one copy and mail the copy and receipt to the registered office if the office has not been discontinued. The secretary of state shall mail the other copy to the foreign limited liability company at its principal office address shown in its most recent annual report.

(2) If a registered agent changes the street address of the registered agent's business office, the registered agent may change the street address of the registered office of any foreign limited liability company for which the registered agent is the registered agent by notifying the foreign limited liability company in writing of the change and signing, either manually or in facsimile, and delivering to the secretary of state, for filing, a statement of change that complies with the requirements of subsection (1) and that states that the foreign limited liability company has been notified of the change.

Section 61. **Amended certificate of authority.** (1) A foreign limited liability company authorized to transact business in this state shall obtain an amended certificate of authority from the secretary of state if it changes:

(2) A foreign limited liability company with a valid certificate of authority has the same rights and privileges as a domestic company of similar character and, except as otherwise provided by [sections 55 through 68], is subject to the same duties, restrictions, penalties, and liabilities imposed on a domestic limited liability company of similar character.

(3) [Sections 55 through 68] do not authorize the state to regulate the organization or internal affairs of a foreign limited liability company authorized to transact business in the state.

Section 63. **Name.** A certificate of authority may not be issued to a foreign limited liability company unless the name of the company satisfies the requirements of [section 3]. If the name of a foreign limited liability company does not satisfy the requirements of [section 3], to obtain or maintain a certificate of authority:

(1) the foreign limited liability company may add the words "limited company", the abbreviation "l.l.c.", or the abbreviation "l.c." to its name for use in this state; or

(2) if its real name is unavailable, the foreign limited liability company may use an assumed business name that is available and that satisfies the requirements of [section 15] if it files the assumed business name with the secretary of state.

Section 64. **Withdrawal of foreign limited liability company.** (1) A foreign limited liability company authorized to transact business in this state may not withdraw from this state until it obtains a certificate of withdrawal from the secretary of state.

(2) A foreign limited liability company authorized to transact business in this state may apply for a certificate of withdrawal by delivering an application to the secretary of state for filing. The application must set forth:

(b) that it is not transacting business in this state and that it surrenders its authority to transact business in this state;

The issuance of the certificate does not relieve the corporation from liability for any taxes, penalties, or interest due the state of Montana.

(g) additional information as may be necessary or appropriate to enable the secretary of state to determine and assess any unpaid fees or taxes payable by the foreign limited liability company.

(3) After the withdrawal of the foreign limited liability company is effective, service of process on the secretary of state under this section is service on the foreign limited liability company. Upon receipt of process, the secretary of state shall mail a copy of the process to the foreign limited liability company at the mailing address set forth under subsection (2).

Section 65. **Grounds for revocation.** The secretary of state may commence a proceeding under [section 66] to revoke the certificate of authority of a foreign limited liability company authorized to transact business in this state if:

(1) the foreign limited liability company does not deliver its annual report to the secretary of state within 140 days after it is due;

(2) the foreign limited liability company is without a registered agent or registered office in this state for 60 days or more;

(3) the foreign limited liability company does not inform the secretary of state under [section 5] that its registered agent or registered office has changed, that its registered agent has resigned, or that its registered office has been discontinued within 60 days of the change, resignation, or discontinuance; or

(4) the secretary of state receives a duly authenticated certificate from the secretary of state or other official having custody of company records in the state or country under whose law the foreign limited liability company is organized, stating that it has been dissolved or disappeared as the result of a merger.

Section 66. **Procedure for and effect of revocation.** (1) If the secretary of state determines that one or more grounds exist under [section 65] for revocation of a certificate of authority, the secretary of state shall serve the foreign limited liability company with written notice of the secretary of state's determination.

(2) If the foreign limited liability company does not correct each ground for revocation or demonstrate to the reasonable satisfaction of the secretary of state that each ground determined by the secretary of state does not exist within 60 days after service of the notice is mailed, the secretary of state may revoke the foreign limited liability company's certificate of authority by signing a certificate

of revocation that states the ground or grounds for revocation and the effective date of the revocation. The secretary of state shall file the original of the certificate and mail a copy to the foreign limited liability company.

(3) The authority of a foreign limited liability company to transact business in this state ceases on the date shown on the certificate revoking its certificate of authority.

(4) The secretary of state's revocation of a foreign limited liability company's certificate of authority appoints the secretary of state as the foreign limited liability company's agent for service of process in any proceeding based on a cause of action that arose during the time the foreign limited liability company was authorized to transact business in this state. Service of process on the secretary of state under this subsection is service on the foreign limited liability company. Upon receipt of process, the secretary of state shall mail a copy of the process to the secretary of the foreign limited liability company at its principal office shown in its most recent annual report or in any subsequent communication received from the foreign limited liability company, stating the current mailing address of its principal office or, if no report or communication is on file, in its application for a certificate of authority.

(5) Revocation of a foreign limited liability company's certificate of authority does not terminate the authority of the registered agent of the foreign limited liability company.

Section 67. **Appeal from revocation.** (1) A foreign limited liability company may appeal the secretary of state's revocation of its certificate of authority to the district court within 30 days after service of the certificate of revocation is mailed. (2) The court may summarily order the secretary of state to reinstate the certificate of authority or may take any other action the court considers appropriate.

(3) The court's final decision may be appealed as in other civil proceedings.

Section 68. **Admission of foreign professional limited liability companies — application — revocation.** (1) A foreign professional limited liability company is entitled to a certificate of authority to transact business in this state only if:

(4) The certificate of authority may be revoked by the secretary of state if the foreign professional limited liability company fails to comply with any provision of [sections 72 through 78]. The licensing authority shall certify to the secretary of state, from time to time, the names of all foreign professional limited liability companies that have given cause for revocation, together with the pertinent facts, and shall concurrently mail to each foreign professional limited liability company at its registered office in this state a notice that the certification has been made. A certificate of authority of a foreign professional limited liability company may not be revoked unless there have been both 60 days' notice of intent to revoke and a failure to correct the noncompliance during the 60 days.

(5) A foreign professional limited liability company is subject to all other provisions of [sections 72 through 78] not inconsistent with this section.

Section 69. **Suits by and against limited liability company.** Suit may be brought by or against a limited liability company in its own name.

Section 70. **Authority to sue on behalf of limited liability company.** Except as otherwise provided in the articles of organization or the operating agreement, suit on behalf of the limited liability company may be brought in the name of the limited liability company by:

(1) any member or members of a limited liability company, whether or not the articles of organization vest management of the limited liability company in one or more managers who are authorized to sue by the vote of more than one-half of the members, unless the vote of all members is required under [section 26(2)], provided that in determining the vote required under [section 26], the vote of a member who has an interest in the outcome of the suit that is adverse to the interest of the limited liability company must be excluded; or

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-15-1846, MCA, is amended to read:

"**2-15-1846. Board of ~~optometrists~~ *optometry*.** (1) There is a board of ~~optometrists~~ *optometry*.

(2) The board consists of four members appointed by the governor with the consent of the senate. Three members must be registered optometrists of this state and actually engaged in the exclusive practice of optometry in this state during their terms of office. One member must be a representative of the public who is not engaged in the practice of optometry.

(3) Members shall serve staggered 4-year terms.

(4) The board is allocated to the department for administrative purposes only as prescribed in 2-15-121."

Section 2. **Purpose.** The legislature finds that the practice of the profession of optometry is a privilege and is not a natural right of individuals. The legislature considers it necessary, in the interests of protecting the public health, safety, and welfare and in order to provide for the optometric needs of the public, to provide laws and delegate rulemaking authority regarding the granting of licenses and their subsequent use so that the public is protected from the unprofessional, improper, unauthorized, and unqualified practice of optometry.

Section 3. Section 37-10-101, MCA, is amended to read:

"**37-10-101. Definitions — practice of optometry.** (1) The practice of optometry is the profession constituting the art and science of visual care and is ~~hereby~~ defined to be any one of the following acts:

(b) the employment of any optometric means, excluding the use of surgery, for the purpose of detecting any condition of the process of vision ~~which~~ *that* may have any significance in a complete optometric eye and vision examination, including the employment and administration of drugs topically applied for examination purposes, limited to cycloplegics, mydriatics, topical anesthetics, dyes such as fluorescein, and for emergency use only, miotics;

(c) the application or prescription of ophthalmic lenses, contact lenses, prisms, orthoptics, visual training, *and* any physical, mechanical, or physiological therapy~~,~~ and the furnishing or application of any prosthetic or therapeutic devices for the correction or relief of visual anomalies, excluding surgery;

(d) the administration, dispensation, and prescription of the oral analgesics codeine, propoxyphene, hydrocodone, and dihydrocodeine, alone or in combination with nonscheduled or nonregulated drugs; and

(e) the administration, dispensation, and prescription of those topical drugs, not including corticosteroids, approved by the board for use in ocular treatment limited to the anterior segment of the eye and adnexa. Glaucoma may not be treated.

(2) Nothing in subsection (1) prohibits an optometrist from removing from the eye or adnexa a foreign body that is not intraocular.

(3) Unless the context requires otherwise, in this chapter:

(a) "board" means the board of ~~optometrists~~ *optometry* provided for in 2-15-1846; and

(b) "department" means the department of commerce provided for in Title 2, chapter 15, part 18."

Section 4. Section 37-10-201, MCA, is amended to read:

Section 5. Section 37-10-301, MCA, is amended to read:

"**37-10-301. Certificate required for practice — unlawful acts — injunction.** (1) It is unlawful for a person to:

(a) practice optometry in this state unless ~~he~~ *that person* has first obtained a certificate of registration;

However, this section does not apply to the prescriptions of qualified optometrists when sent to a recognized optical laboratory.

(k) measure, fit, or adapt a lens to direct, contiguous contact to the human eyeball without having at the time a valid certificate of registration as an optometrist.

(2) When the board has reasonable cause to believe that a person is violating this section or a rule issued under this chapter, it may, in addition to other remedies provided in this chapter, bring an action for injunctive relief in district court in the county where the violation occurs to enjoin the person from engaging in or continuing the violation. The department may employ legal counsel to prosecute these actions. In these actions and on notice and hearing, an order or judgment may be entered awarding a temporary restraining order or final injunction as considered proper by the judge of the district court in the county where the violation occurred."

Section 6. Section 37-10-302, MCA, is amended to read:

CHAPTER NO. 126

[SB 355]

AN ACT MAKING PERMANENT THE INCREASE IN FEE FOR A MOTORBOAT CERTIFICATE OF NUMBER; ALLOCATING THE FEE INCREASE TO THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS TO ACQUIRE AND MAINTAIN MARINE SEWAGE PUMPOUT EQUIPMENT AND OTHER BOAT FACILITIES; AMENDING SECTION 23-2-512, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 23-2-512, MCA, is amended to read:

"**23-2-512.** *(Temporary)* **Identification number.** (1) The owner of each motorboat, sailboat, or personal watercraft requiring numbering by this state shall file an application for number in the office of the county treasurer where the motorboat, sailboat, or personal watercraft is owned, on forms prepared and furnished by the department of justice. The application must be signed by the owner of the motorboat, sailboat, or personal watercraft and be accompanied by a fee of $2.50. Any alteration, change, or false statement contained in the application will render the certificate of number void. Upon receipt of the application in approved form, the county treasurer shall issue to the applicant a certificate of number prepared and furnished by the department of justice, stating the number assigned to the motorboat, sailboat, or personal watercraft and the name and address of the owner.

(2) The applicant, upon the filing of the application, shall pay to the county treasurer the fee in lieu of tax required for a motorboat 10 feet in length or longer, a sailboat 12 feet in length or longer, or a personal watercraft for the current year of certification before the application for certification or recertification may be accepted by the county treasurer.

(3) Should the ownership of a motorboat, sailboat, or personal watercraft change, a new application form with the certification fee must be filed within a reasonable time with the county treasurer and a new certificate of number assigned in the same manner as provided for in an original assignment of number.

(4) If an agency of the United States government has in force a comprehensive system of identification numbering for motorboats in the United States, the

numbering system employed pursuant to this part by the department of justice must be in conformity.

(5) Every certificate of number and the license decals assigned under this part continues in effect for a period not to exceed 1 year unless terminated or discontinued in accordance with the provisions of this part. Certificates of number and license decals must show the date of expiration and may be renewed by the owner in the same manner provided for in the initial securing of the certificate.

(6) Certificates of number expire on December 31 of each year and may not be in effect unless renewed under this part.

(7) In event of transfer of ownership, the purchaser shall furnish the county treasurer notice within a reasonable time of the acquisition of all or any part of his interest, other than the creation of a security interest, in a motorboat, sailboat, or personal watercraft numbered in this state or of the loss, theft, destruction, or abandonment of the motorboat, sailboat, or personal watercraft. The transfer, loss, theft, destruction, or abandonment terminates the certificate of number for the motorboat, sailboat, or personal watercraft. Recovery from theft or transfer of a part interest that does not affect the owner's right to operate the motorboat, sailboat, or personal watercraft does not terminate the certificate of number.

(8) A holder of a certificate of number shall notify the county treasurer within reasonable time if his address no longer conforms to the address appearing on the certificate and furnish the county treasurer with his new address. The department of justice may provide by rule for the surrender of the certificate bearing the former address and its replacement with a certificate bearing the new address or the alteration of an outstanding certificate to show the new address of the holder.

(9) (a) The number assigned must be painted on or attached to each outboard side of the forward half of the motorboat, sailboat, or personal watercraft or, if there are no such sides, at a corresponding location on both outboard sides of the foredeck of the motorboat, sailboat, or personal watercraft. The number assigned must read from left to right in Arabic numerals and block characters of good proportion at least 3 inches tall excluding border or trim of a color that contrasts with the color of the background and be so maintained as to be clearly visible and legible. The number may not be placed on the obscured underside of the flared bow where it cannot be easily seen from another vessel or ashore. No numerals, letters, or devices other than those used in connection with the identifying number issued may be placed in the proximity of the identifying number. No numerals, letters, or devices that might interfere with the ready identification of the motorboat, sailboat, or personal watercraft by its identifying number may be carried as to interfere with the motorboat's, sailboat's, or personal watercraft's identification. No number other than the number and license decal assigned to a motorboat, sailboat, or personal watercraft or granted reciprocity under this part may be painted, attached, or otherwise displayed on either side of the forward half of the motorboat, sailboat, or personal watercraft.

(b) The certificate of number shall be pocket size and available to federal, state, or local law enforcement officers at all reasonable times for inspection on the motorboat, sailboat, or personal watercraft whenever the motorboat, sailboat, or personal watercraft is on waters of this state.

(c) Boat liveries are not required to have the certificate of number on board each motorboat, sailboat, or personal watercraft, but a rental agreement must be carried on board livery motorboats, sailboats, or personal watercraft in place of the certificate of number.

(10) (a) Except as provided in subsection (10)(b), fees, other than the fee in lieu of tax, collected under this section shall be transmitted to the state treasurer, who shall deposit the fees in the motorboat or sailboat certificate identification account of the state special revenue fund. These fees shall be used only for the administration and enforcement of this part, as amended.

(b) Of the fee collected under the provisions of subsection (1), 20% must be deposited by the state treasurer in an account in the state special revenue fund to the credit of the department to be used to provide necessary education for boat owners, to acquire decibel meters as required to implement the provisions of 23-2-523(9) and 23-2-526(3), and to acquire marine sewage pumpout equipment.

(11) An owner of a motorboat, sailboat, or personal watercraft must within a reasonable time notify the department of justice, giving the motorboat's, sailboat's, or personal watercraft's identifying number and the owner's name when the motorboat, sailboat, or personal watercraft is transferred, lost, destroyed, abandoned, or frauded or within 60 days after change of state of principal use or if a motorboat becomes documented as a vessel of the United States. *(Terminates July 1, 1993—sec. 13, Ch. 728, L. 1991.)*

23-2-512. *(Effective July 1, 1993)* **Identification number.** (1) The owner of each motorboat, sailboat, or personal watercraft requiring numbering by this state shall file an application for number in the office of the county treasurer where the motorboat, sailboat, or personal watercraft is owned, on forms prepared and furnished by the department of justice. The application must be signed by the owner of the motorboat, sailboat, or personal watercraft and be accompanied by a fee of ~~$2~~ *$2.50*. Any alteration, change, or false statement contained in the application will render the certificate of number void. Upon receipt of the application in approved form, the county treasurer shall issue to the applicant a certificate of number prepared and furnished by the department of justice, stating the number assigned to the motorboat, sailboat, or personal watercraft and the name and address of the owner.

(2) The applicant, upon the filing of the application, shall pay to the county treasurer the fee in lieu of tax required for a motorboat 10 feet in length or longer, a sailboat 12 feet in length or longer, or a personal watercraft for the current year of certification before the application for certification or recertification may be accepted by the county treasurer.

(3) Should the ownership of a motorboat, sailboat, or personal watercraft change, a new application form with the certification fee must be filed within a reasonable time with the county treasurer and a new certificate of number assigned in the same manner as provided for in an original assignment of number.

(4) If an agency of the United States government has in force a comprehensive system of identification numbering for motorboats in the United States, the numbering system employed pursuant to this part by the department of justice must be in conformity.

(5) Every certificate of number and the license decals assigned under this part continues in effect for a period not to exceed 1 year unless terminated or discontinued in accordance with the provisions of this part. Certificates of number and license decals must show the date of expiration and may be renewed by the owner in the same manner provided for in the initial securing of the certificate.

(6) Certificates of number expire on December 31 of each year and may not be in effect unless renewed under this part.

(7) In event of transfer of ownership, the purchaser shall furnish the county treasurer notice within a reasonable time of the acquisition of all or any part of ~~his~~ *the purchaser's* interest, other than the creation of a security interest, in a motorboat, sailboat, or personal watercraft numbered in this state or of the loss, theft, destruction, or abandonment of the motorboat, sailboat, or personal watercraft. The transfer, loss, theft, destruction, or abandonment terminates the certificate of number for the motorboat, sailboat, or personal watercraft. Recovery from theft or transfer of a part interest that does not affect the owner's right to operate the motorboat, sailboat, or personal watercraft does not terminate the certificate of number.

(8) A holder of a certificate of number shall notify the county treasurer within reasonable time if ~~his~~ *the holder's* address no longer conforms to the address appearing on the certificate and *shall* furnish the county treasurer with ~~his~~ *the* new address. The department of justice may provide by rule for the surrender of the certificate bearing the former address and its replacement with a certificate bearing the new address or the alteration of an outstanding certificate to show the new address of the holder.

(9) (a) The number assigned must be painted on or attached to each outboard side of the forward half of the motorboat, sailboat, or personal watercraft or, if there are no ~~such~~ sides, at a corresponding location on both outboard sides of the foredeck of the motorboat, sailboat, or personal watercraft. The number assigned must read from left to right in Arabic numerals and block characters of good proportion at least 3 inches tall excluding border or trim of a color that contrasts with the color of the background and be so maintained as to be clearly visible and legible. The number may not be placed on the obscured underside of the flared bow where it cannot be easily seen from another vessel or ashore. ~~No numerals~~ *Numerals,* letters, or devices other than those used in connection with the identifying number issued may *not* be placed in the proximity of the identifying number. ~~No numerals~~ *Numerals,* letters, or devices that might interfere with the ready identification of the motorboat, sailboat, or personal watercraft by its identifying number may *not* be carried ~~as to interfere~~ *in a manner that interferes* with the motorboat's, sailboat's, or personal watercraft's identification. ~~No~~ *A* number other than the number and license decal assigned to a motorboat, sailboat, or personal watercraft or granted reciprocity under this part may *not* be painted, attached, or otherwise displayed on either side of the forward half of the motorboat, sailboat, or personal watercraft.

(b) The certificate of number ~~shall~~ *must* be pocket size and available to federal, state, or local law enforcement officers at all reasonable times for inspection on the motorboat, sailboat, or personal watercraft whenever the motorboat, sailboat, or personal watercraft is on waters of this state.

(c) Boat liveries are not required to have the certificate of number on board each motorboat, sailboat, or personal watercraft, but a rental agreement must be carried on board livery motorboats, sailboats, or personal watercraft in place of the certificate of number.

(10) *(a)* ~~Fees~~ *Except as provided in subsection (10)(b), fees,* other than the fee in lieu of tax, collected under this section ~~shall~~ *must* be transmitted to the state treasurer, who shall deposit the fees in the motorboat or sailboat certificate identification account of the state special revenue fund. These fees ~~shall~~ *must* be used only for the administration and enforcement of this part, as amended.

(b) Of the fee collected under the provisions of subsection (1), 20% must be deposited by the state treasurer in an account in the state special revenue fund to the credit of the department to be used to acquire and maintain marine sewage pumpout equipment and other boat facilities.

(11) An owner of a motorboat, sailboat, or personal watercraft must within a reasonable time notify the department of justice, giving the motorboat's, sailboat's, or personal watercraft's identifying number and the owner's name when the motorboat, sailboat, or personal watercraft is transferred, lost, destroyed, abandoned, or frauded or within 60 days after change of state of principal use or if a motorboat becomes documented as a vessel of the United States."

CHAPTER NO. 129

[HB 380]

AN ACT AMENDING THE AIR QUALITY PERMIT REQUIREMENTS FOR INCINERATORS; REQUIRING AN AIR QUALITY PERMIT FOR BOILERS AND INDUSTRIAL FURNACES; ELIMINATING AN EXEMPTION FOR INCINERATORS THAT BURN 200 POUNDS OR LESS PER HOUR; AMENDING SECTIONS 75-2-103 AND 75-2-215, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

STATEMENT OF INTENT

It is the intent of the legislature that the statutory size cutoff for incinerators that burn 200 pounds or less per hour, as provided for in 75-2-215, be eliminated and that the requirements of 75-2-215 be extended to boilers and industrial furnaces. As a result, the requirements of 75-2-215 would apply to all incinerators and all boilers and industrial furnaces subject to 75-10-406, regardless of size. In order to lessen the burden on the department of health and environmental sciences, the board of health and environmental sciences may provide by rule for general permits that apply to classes or categories of sources subject to the requirements of 75-2-215. The board shall use this authority to the greatest extent possible, consistent with its obligation to protect public health and the environment.

It is also the intent of the legislature to clarify the provisions of 75-2-215 by amending the definitions in 75-2-103. The definition of incinerator contains no reference to end use or economic value of the feed, but rather focuses on the process employed. The definition of solid waste is intended to be more encompassing than the use of that definition elsewhere in Title 75, and the reference to "marketable byproducts" contained in other definitions is intentionally omitted. The overriding purpose of this bill is to protect air quality, public health, and the physical environment, and the legislature does not believe it appropriate to draw distinctions in applicability based upon whether or not the incineration activity is, for example, associated with waste disposal or volume reduction in conjunction with recycling.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-2-103, MCA, is amended to read:

"**75-2-103. Definitions.** Unless the context requires otherwise, in this chapter the following definitions apply:

(1) "Advisory council" means the air pollution control advisory council provided for in 2-15-2106.

(2) "Air contaminant" means dust, fumes, mist, smoke, other particulate matter, vapor, gas, odorous substances, or any combination thereof.

(3) "Air pollution" means the presence in the outdoor atmosphere of one or more air contaminants in a quantity and for a duration which are or tend to be injurious to human health or welfare, animal or plant life, or property or would unreasonably interfere with the enjoyment of life, property, or the conduct of business.

(4) "Board" means the board of health and environmental sciences provided for in 2-15-2104.

(5) "Department" means the department of health and environmental sciences provided for in Title 2, chapter 15, part 21.

(6) "Emission" means a release into the outdoor atmosphere of air contaminants.

(7) "Hazardous waste" means any material designated as hazardous waste pursuant to Title 75, chapter 10, part 4.

(8) (a) "Incinerator" means any single or multiple chambered combustion device that burns combustible material, alone or with a supplemental fuel or catalytic combustion assistance, primarily for the purpose of removal, destruction, disposal, or volume reduction of all or any portion of the input material.

(b) Incinerator does not include:

(i) safety flares used to combust or dispose of hazardous or toxic gases at industrial facilities, such as refineries, gas sweetening plants, oil and gas wells, sulfur recovery plants, or elemental phosphorus plants;

(ii) space heaters burning used oil;

(iii) wood-fired boilers; or

(iv) wood waste burners, such as tepee, wigwam, truncated cone, or silo burners.

~~(7)~~*(9)* "Person" means an individual, *a* partnership, *a* firm, *an* association, *a* municipality, *a* public or private corporation, *a* subdivision or agency of the state, *a* trust, *an* estate, or any other legal entity and includes persons resident in Canada.

(10) (a) "Solid waste" means all putrescible and nonputrescible solid, semisolid, liquid, or gaseous wastes, including but not limited to garbage; rubbish; refuse; ashes; swill; food wastes; commercial or industrial wastes; medical waste; sludge from sewage treatment plants, water supply treatment plants, or air pollution control facilities; construction, demolition, or salvage wastes; dead animals, dead animal parts, offal, animal droppings, or litter; discarded home

and industrial appliances; automobile bodies, tires, interiors, or parts thereof; wood products or wood byproducts and inert materials; styrofoam and other plastics; rubber materials; asphalt shingles; tarpaper; electrical equipment, transformers, or insulated wire; oil or petroleum products or oil or petroleum products and inert materials; treated lumber and timbers; and pathogenic or infectious waste.

(b) Solid waste does not include municipal sewage, industrial wastewater effluents, mining wastes regulated under the mining and reclamation laws administered by the department of state lands, or slash and forest debris regulated under laws administered by the department of state lands."

Section 2. Section 75-2-215, MCA, is amended to read:

"**75-2-215. Solid or hazardous waste incineration — additional permit requirements.** (1) ~~A~~ *Until the department has issued an air quality permit pursuant to 75-2-211 that includes the conditions required by this section, a* person may not construct, *install, alter, or* ~~modify~~ *use*~~, or operate~~ a solid or hazardous waste incinerator *or a boiler or industrial furnace subject to the provisions of 75-10-406, except as provided in subsection (2).* ~~of any of the following categories until the department has issued an air quality permit pursuant to this chapter, including the conditions provided in this section:~~

~~(a) a new solid or hazardous waste incinerator that is designed to burn more than 200 pounds an hour of solid or hazardous waste; or~~

~~(b) an existing or permitted solid or hazardous waste incinerator that is designed to burn more than 200 pounds an hour of solid or hazardous waste and that incinerates or would incinerate solid or hazardous waste in an amount, form, kind, or content different from its designed or permitted operation or that incinerates or would incinerate any solid or hazardous waste that changes the nature, character, or composition of its emissions.~~

(2) An existing or permitted solid or hazardous waste incinerator or a boiler or industrial furnace subject to the provisions of 75-10-406 is subject to the provisions of subsection (1) only if it incinerates or uses as fuel or would incinerate or use as fuel solid or hazardous waste in an amount, form, kind, or content that changes the nature, character, or composition of its emissions from its design or permitted operation.

~~(2)~~*(3)* The department may not issue a permit to a facility described in subsection (1) until:

(a) the owner or operator has provided to the department's satisfaction:

(i) a characterization of emissions and ambient concentrations of air pollutants, including hazardous air pollutants, from any existing ~~incineration~~ *emission source* at the facility; and

(ii) an estimate of emissions and ambient concentrations of air pollutants, including hazardous air pollutants, from the incineration of solid or hazardous waste *or the use of hazardous waste as fuel for a boiler or industrial furnace,* as proposed in the permit application or modification;

(b) the public has had an opportunity to review and comment on the permit application or modification; and

(c) the department has reached a determination that the projected emissions and ambient concentrations will constitute a negligible risk to the public health, safety, and welfare and to the environment.

~~(3)~~*(4)* The department shall require the application of air pollution control equipment, engineering, or other operating procedures as necessary to provide reductions of air pollutants, including hazardous air pollutants, equivalent to or more stringent than those achieved through the best available control technology.

(5) The board may by rule provide for general air quality permits under the provisions of 75-2-211 and this section. The rules must cover numerous similar classes or categories of incinerators and boilers or industrial furnaces.

~~(4)~~*(6)* This section does not relieve an owner or operator of a solid or hazardous waste incinerator *or a boiler or industrial furnace* that is not included under subsection (1) from the obligation to obtain any permit otherwise required under this chapter or rules implementing this chapter."

Section 3. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. Final budget meeting.** (1) On the ~~fourth~~ *second* Monday in ~~July~~ *August,* at the time and place noticed pursuant to 20-9-115, the trustees of each district shall meet to consider the preliminary budget submitted to or prepared by the county superintendent, including all information and any attachments required by law.

(2) The trustees may continue the meeting from day to day but shall adopt the final budget for the district and determine the amounts to be raised by tax levies for the district not later than the ~~second~~ *fourth* Monday in August and before the fixing of the tax levies for each district. Any taxpayer in the district may attend any portion of the trustees' meeting and be heard on the budget of ~~such~~ *the* district or on any item or amount contained in ~~such~~ *the* budget."

Section 2. Section 20-5-307, MCA, is amended to read:

"**20-5-307. Budgeting, levy requirement, and paying elementary tuition.** (1) The tuition amount that has been established in 20-5-305 must be paid during the ensuing school fiscal year. The trustees of the elementary district shall include the amount in the tuition fund of the preliminary budget. If the trustees should fail to include the amount or any portion of it in the preliminary budget they shall adjust the budgeted amount in adopting the final budget to provide for the total tuition amount that is due during the ensuing school fiscal year. The adjustment is not subject to the budget adjustment provisions of 20-9-132.

(2) The county superintendent shall report the net tuition fund levy requirement for each elementary district to the county commissioners on the ~~second~~ *fourth* Monday of August, and a levy on the district must be made by the county commissioners in accordance with 20-9-142. The levy requirement must be calculated by subtracting from the total expenditure amount authorized in the final tuition fund budget the sum of the fund balance in the tuition fund at the end of the immediately preceding school fiscal year plus any other anticipated money that may be realized in the tuition fund.

(3) The trustees shall pay by warrants drawn on the tuition fund the tuition amounts owed to each district included in the county superintendent's notification provided under the provisions of 20-5-306. At least one-half of the payments must be made in December, and the remaining payments must be made by June 15 of the fiscal year.

(4) Any unanticipated tuition receipts received under the provisions of chapter 7, part 4, or this part for the current school fiscal year must be deposited in a separate account of the district miscellaneous programs fund and may be used for that year in the manner provided for in that fund. For the ensuing school fiscal year, the receipts must be credited to the district general fund budget."

Section 3. Section 20-5-312, MCA, is amended to read:

"**20-5-312. Reporting, budgeting, and payment for high school tuition.** (1) Except as provided in subsection (2), on March 15, the trustees of each high school district shall determine the rate of tuition for the current school fiscal year by:

(a) totaling the previous school fiscal year's expenditures from the district general fund, the debt service fund, and, if the pupil is a resident of another county, the retirement fund;

(b) dividing the amount determined in subsection (1)(a) above by the October 1 enrollment of the district for the previous school fiscal year, as reported to the office of public instruction for purposes of accreditation pursuant to 20-7-102 and 20-9-344; and

(c) subtracting from the amount determined in subsection (1)(b) the per-ANB amount allowed by the foundation program schedules and the per-ANB amount that is the ANB value per mill calculated pursuant to 20-9-366, multiplied by the number of permissive and retirement mills levied.

(2) The tuition for a full-time high school special education pupil must be determined under rules adopted by the superintendent of public instruction for the calculation of tuition for full-time high school special education pupils as designated in 20-9-311 for funding purposes.

(3) Before July 15, the trustees shall report to the county superintendent of the county in which the district is located:

(a) the names, addresses, and resident districts of the pupils attending the schools of the district under an approved tuition agreement;

(b) the number of days of school attended by each pupil;

(c) the amount, if any, of each pupil's tuition payment that the trustees, in their discretion, have the authority to waive; and

(d) the rate of current school fiscal year tuition, as determined under the provisions of this section.

(4) When the county superintendent receives a tuition report from a district, he shall immediately send the reported information to the superintendent of each district in which the reported pupils reside.

(5) When the district superintendent receives a tuition report or reports for high school pupils residing in his district and attending an out-of-district high school under approved tuition agreements, he shall determine the total amount of tuition due the out-of-district high schools on the basis of the following per-pupil schedule: the rate of tuition, number of pupils attending under an approved tuition agreement, and other information provided by each high school district where resident district pupils have attended school.

(6) The total amount of the high school tuition, with consideration of any tuition waivers, for pupils attending a high school outside the county of residence must be financed by the county basic special tax for high schools as provided in 20-9-334. In December, the county superintendent shall cause the payment by county warrant of at least one-half of the high school tuition obligations established under this section out of the first money realized from the county basic special tax for high schools. The remaining obligations must be paid by June 15 of the school fiscal year. The payments must be made to the county treasurer of the county where each high school entitled to tuition is located. Except as provided in subsection (8), the county treasurer shall credit tuition receipts to the general fund of the applicable high school district, and the tuition receipts must be used in accordance with the provisions of 20-9-141.

(7) For pupils attending a high school outside their district of residence but within the county of residence, the total amount of the tuition, with consideration of any tuition waivers, must be paid during the ensuing school fiscal year. The trustees of the sending high school district shall include the tuition amount in the tuition fund of the preliminary and final budgets. This budgeted tuition amount is not subject to the budget adjustment provisions of 20-9-132. The county superintendent shall report the net tuition fund levy requirement for each high school district to the county commissioners on the ~~second~~ *fourth* Monday of August, and a levy on the district must be made by the county commissioners in accordance with 20-9-142. The levy requirement must be calculated by subtracting from the total expenditure amount authorized in the final tuition fund budget the sum of the fund balance in the tuition fund at the end of the immediately preceding school fiscal year plus any other anticipated money that may be realized in the tuition fund. The trustees shall pay by warrants drawn on the tuition fund the tuition amounts owed to each district included in the county superintendent's notification. Payments must be made whenever there is a sufficient amount of cash available in the tuition fund but no later than the end of the school fiscal year for which the budget is adopted. However, if the trustees of either the sending or receiving high school district feel the transfer privilege provided by this subsection is being abused, they may

appeal to the county superintendent of schools, who shall hold a hearing and either approve or disapprove the transfer.

(8) Any unanticipated tuition receipts received under the provisions of chapter 7, part 4, or this part for the current school fiscal year must be deposited in a separate account of the district miscellaneous programs fund and may be used for that year in the manner provided for in that fund. For the ensuing school fiscal year, the receipts must be credited to the district general fund budget."

Section 4. Section 20-6-412, MCA, is amended to read:

"**20-6-412. Property tax valuation after district boundary change.** The property tax valuation used under the provisions of 20-9-142 for the purposes of fixing the tax levies, except the debt service fund tax levy, for a district that has had a boundary change at any time before the ~~second~~ *fourth* Monday in August shall include the property tax valuation of any territory added to the district by such boundary change or exclude the property tax valuation of any territory detached from the district by such boundary change."

Section 5. Section 20-7-705, MCA, is amended to read:

"**20-7-705. Adult education fund.** (1) A separate adult education fund must be established when an adult education program is operated by a district or community college district. The financial administration of the fund must comply with the budgeting, financing, and expenditure provisions of the laws governing the schools.

(2) Whenever the trustees of a district establish an adult education program under the provisions of 20-7-702, they shall establish an adult education fund under the provisions of this section. The adult education fund is the depository for all district money received by the district in support of the adult education program. Federal and state adult education program money must be deposited in the miscellaneous programs fund.

(3) The trustees of a district may authorize the levy of a tax of not more than 1 mill on the district, except that trustees of a county high school district that is not unified with an elementary district or of a K-12 school district formed under the provisions of 20-6-701 may authorize a levy of not more than 2 mills on the district, for the operation of an adult education program when the superintendent of public instruction has approved the educational program to be supported by the levy. The trustees shall obtain the approval of the superintendent of public instruction before the fourth Monday of June in order to include the expenditures to be financed by the levy in the preliminary budget. The superintendent of public instruction shall promulgate rules and forms for the approval.

(4) Whenever the trustees of a district decide to offer an adult education program during the ensuing school fiscal year, they shall budget for the cost of the program in the adult education fund of the preliminary budget. CHAPTER NO. 137

[SB 306]

AN ACT REVISING STAGGERED TERMS FOR SCHOOL BOARD TRUSTEES; PROVIDING AN EXCEPTION FOR FILLING A TRUSTEE VACANCY; AND AMENDING SECTION 20-3-302, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 20-3-302, MCA, is amended to read:

"**20-3-302. Legislative intent to elect less than majority of trustees.** (1) It is the intention of the legislature that the terms of a majority of the trustee positions of any district with elected trustees may not regularly expire and be subject to election on the same regular school election day. ~~Therefore, in~~ *In* elementary districts, there may not be more than three trustee positions in first-class districts, two trustee positions in second-class districts or third-class districts having five trustee positions, or one trustee position in third-class districts having three trustee positions regularly subject to election at the same time. In high school districts there may not be more than two additional trustee positions in first- or second-class districts or more than one in third-class districts regularly subject to election at the same time. In high school districts operating a county high school, there may not be more than two trustee positions to be filled by members residing in the elementary district where the county high school building is located or more than one trustee position to be filled by members residing outside of the elementary district where the county high school building is located subject to election at the same time.

(2) ~~While it is the intention of the legislature that the terms of a majority of trustees of any district may not regularly expire and be subject to election at the same time, it is recognized that the~~ *In the* following circumstances~~,~~ relating

to ~~the terms of trustees appointed to~~ newly created *trustee* positions, ~~or to positions vacated by death, resignation, or operation of law, may lead to a subsequent school election in which a majority of trustee positions are subject to election at the same time~~ *the initial terms may be shortened to comply with the intent of subsection (1)*:

(a) the creation of a new elementary district under the provisions of 20-6-217;

(b) the consolidation of two or more elementary districts to form an elementary district under the provisions of 20-6-203 *or the consolidation of two or more high school districts to form a high school district under the provisions of 20-6-315*;

(c) the establishment of additional trustee positions of a high school district under the provisions of 20-3-353 or 20-3-354 or new trustee positions under the provisions of 20-3-352(3);

(d) the change of a district's classification under the provisions of 20-6-201 ~~and~~ *or* 20-6-301;

~~(e) the filling of a trustee position that has become vacant under the provisions of 20-3-308 or any other provision of law;~~

~~(f)~~*(e)* the establishment of additional elementary trustee positions under the provisions of 20-3-341(3); or

~~(g)~~*(f)* ~~any other circumstance arising under the law wherein a trustee position is filled by appointment subject to election at the next regular school election~~ *the establishment of additional high school trustee positions under the provisions of 20-6-313.*

(3) If the change of a district's classification under 20-6-201 or 20-6-301 decreases the number of trustee positions, the positions must be eliminated in a manner that complies with the intent of subsection (1).

(4) Although the legislature intends that the terms of a majority of trustees of any district may not regularly expire and be subject to election at the same time, it is recognized that filling a vacancy under 20-3-308 may lead to a subsequent school election in which a majority of trustee positions are subject to election at the same time."

Section 2. Section 20-6-201, MCA, is amended to read:

"**20-6-201. Elementary district classification.** (1) Each elementary district shall have a classification of:

(a) first class, if it has a population of 6,500 or more;

(b) second class, if it has a population of 1,000 or more but less than 6,500; or

(c) third class, if it has a population of less than 1,000.

(2) The population of an elementary district ~~shall~~ *must* be determined by the county superintendent on the basis of the best available population information for the district.

(3) The county superintendent shall establish the classification of each elementary district in the county on the basis of the population determined for the district and the district classification criteria prescribed in this section. Whenever the population of an elementary district increases or decreases requiring an adjustment of the district classification according to the criteria prescribed in this section, the county superintendent shall declare ~~such~~ *the* district's classification to be changed in accordance with the determined population, except that the classification of an elementary district ~~shall~~ *may* not be changed more than once every 5 years.

(4) Whenever the county superintendent changes an elementary district's classification with the result that a larger number of trustees is required on the elementary board of trustees, the increased number of trustee positions ~~shall~~ *must* be filled in the manner provided for ~~filling trustee vacancies~~ *in 20-3-302.* ~~Such positions shall be subject to election on the next regular school election day. If the county superintendent changes an elementary district's classification with the result that a lesser number of trustees is required, the next elementary trustee positions that become vacant under any circumstances shall not be filled until the number of elementary trustee positions has been reduced to the number required by law.~~"

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 80-8-201, MCA, is amended to read:

The annual registration fee must also be paid, and registration information required by the department must be provided.

(4) The applicant shall pay an annual fee of $70 for each pesticide registered. A registration fee is not required to register a federally approved experimental use permit.

(5) The department may require the submission of the complete formula and certified analytical standards of any pesticide. If it appears to the department that the composition of the ~~article~~ *pesticide* warrants the proposed claims for it and if the ~~article~~ *pesticide* and its labeling and other material required to be submitted comply with the requirements of 80-8-202, ~~it~~ *the department* shall register the ~~article~~ *pesticide.*

(6) If it does not appear to the department that the ~~article~~ *pesticide* warrants the proposed claims for it or if the ~~article~~ *pesticide* and its labeling and other material required to be submitted do not comply with this chapter, ~~it~~ *the department* shall notify the applicant of the manner in which the ~~article~~ *pesticide,* labeling, or other material required to be submitted fails to comply with the chapter ~~so as to afford~~ *to provide* the applicant an opportunity to make the necessary corrections. CHAPTER NO. 151

[HB 211]

AN ACT PROVIDING LICENSURE FOR RESIDENTIAL AND INPATIENT HOSPICE FACILITIES; AND AMENDING SECTIONS 50-5-101 AND 50-5-210, MCA.

STATEMENT OF INTENT

A statement of intent is necessary for this bill because it grants the department of health and environmental sciences the authority to adopt by rule specific licensing standards for residential hospice and inpatient hospice facilities.

It is the intent of the legislature that the department adopt rules for inpatient hospice facilities that reflect applicable, current federal regulations and that the department go beyond adoption of existing relevant federal regulations for inpatient hospice facilities and provide for two levels of site-based hospice services. CHAPTER NO. 152

[HB 234]

AN ACT ADOPTING THE UNIFORM FOREIGN-MONEY CLAIMS ACT; PROVIDING FOR THE JUDICIAL DETERMINATION OF CLAIMS EXPRESSED IN THE MONEY OF FOREIGN COUNTRIES; ADOPTING THE DATE OF PAYMENT AS THE DATE FOR DETERMINING THE TIME FOR CONVERTING THE FOREIGN MONEY INTO UNITED STATES DOLLARS; PROVIDING A METHOD FOR DETERMINING REVALORIZATION AND INTEREST; AND PROVIDING AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 15] may be cited as the "Uniform Foreign-Money Claims Act".

Section 2. **Definitions.** In [sections 1 through 15], the following definitions apply:

(1) "Action" means a judicial proceeding or arbitration in which a payment in money may be awarded or enforced with respect to a foreign-money claim.

(2) "Bank-offered spot rate" means the spot rate of exchange at which a bank will sell foreign money at a spot rate.

(3) "Conversion date" means the banking day preceding the date on which money, in accordance with [sections 1 through 15], is:

(a) paid to a claimant in an action or distribution proceeding;

(b) paid to the official designated by law to enforce a judgment or award on behalf of a claimant; or

(c) used to recoup, setoff, or counterclaim in different money in an action or distribution proceeding.

(4) "Distribution proceeding" means a judicial or nonjudicial proceeding for the distribution of a fund in which one or more foreign-money claims are asserted and includes an accounting, an assignment for the benefit of creditors, a foreclosure, the liquidation or rehabilitation of a corporation or other entity, and the distribution of an estate, trust, or other fund.

(5) "Foreign money" means money other than money of the United States of America.

(6) "Foreign-money claim" means a claim upon an obligation to pay or a claim for recovery of a loss, expressed in or measured by a foreign money.

(7) "Money" means a medium of exchange for the payment of obligations or a store of value authorized or adopted by a government or by intergovernmental agreement.

(8) "Money of the claim" means the money determined as proper pursuant to [section 5].

(9) "Person" means an individual, corporation, government or governmental subdivision or agency, business trust, estate, trust, joint venture, partnership, association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(10) "Rate of exchange" means the rate at which money of one country may be converted into money of another country in a free financial market convenient to or reasonably usable by a person obligated to pay or to state a rate of conversion. If separate rates of exchange apply to different kinds of transactions, the term means the rate applicable to the particular transaction giving rise to the foreign-money claim.

(11) "Spot rate" means the rate of exchange at which foreign money is sold by a bank or other dealer in foreign exchange for immediate or next day availability or for settlement by immediate payment in cash or equivalent, by charge to an account, or by an agreed delayed settlement not exceeding 2 days.

(12) "State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or a territory or insular possession subject to the jurisdiction of the United States.

Section 3. **Scope.** (1) [Sections 1 through 15] apply only to a foreign-money claim in an action or distribution proceeding.

(2) [Sections 1 through 15] apply to foreign-money issues even if other law under the conflict-of-laws rules of this state applies to other issues in the action or distribution proceeding.

Section 4. **Variation by agreement.** (1) The effect of [sections 1 through 15] may be varied by agreement of the parties made before or after commencement of an action or distribution proceeding or the entry of judgment.

(2) Parties to a transaction may agree upon the money to be used in a transaction giving rise to a foreign-money claim and may agree to use different money for different aspects of the transaction. Stating the price in a foreign money for one aspect of a transaction does not alone require the use of that money for other aspects of the transaction.

Section 5. **Determining money of claim.** (1) The money in which the parties to a transaction have agreed that payment is to be made is the proper money of the claim for payment.

(2) If the parties to a transaction have not otherwise agreed, the proper money of the claim, as in each case may be appropriate, is the money:

(a) regularly used between the parties as a matter of usage or course of dealing;

(b) used at the time of a transaction in international trade, by trade usage or common practice, for valuing or settling transactions in the particular commodity or service involved; or

(c) in which the loss was ultimately felt or will be incurred by the party claimant.

Section 6. **Determining amount of money of certain contract claims.** (1) If an amount contracted to be paid in a foreign money is measured by a specified amount of a different money, the amount to be paid is determined on the conversion date.

(2) If an amount contracted to be paid in a foreign money is to be measured by a different money at the rate of exchange prevailing on a date before default, that rate of exchange applies only to payments made within a reasonable time after default, not exceeding 30 days. Thereafter, conversion is made at the bank-offered spot rate on the conversion date.

(3) A monetary claim is neither usurious nor unconscionable because the agreement on which it is based provides that the amount of the debtor's obligation to be paid in the debtor's money, when received by the creditor, must equal a specified amount of the foreign money of the country of the creditor. If, because of unexcused delay in payment of a judgment or award, the amount received by the creditor does not equal the amount of the foreign money specified in the agreement, the court or arbitrator shall amend the judgment or award accordingly.

Section 7. **Asserting and defending foreign-money claim.** (1) A person may assert a claim in a specified foreign money. If a foreign-money claim is not asserted, the claimant makes the claim in United States dollars.

(2) An opposing party may allege and prove that a claim, in whole or in part, is in a different money than that asserted by the claimant.

(3) A person may assert a defense, setoff, recoupment, or counterclaim in any money without regard to the money of other claims.

(4) The determination of the proper money of the claim is a question of law.

Section 8. **Judgments and awards on foreign-money claims — times of money conversion — form of judgment.** (1) Except as provided in subsection (3), a judgment or award on a foreign-money claim must be stated in an amount of the money of the claim.

(2) A judgment or award on a foreign-money claim is payable in that foreign money or, at the option of the debtor, in the amount of United States dollars that will purchase that foreign money on the conversion date at a bank-offered spot rate.

(3) Assessed costs must be entered in United States dollars.

(4) Each payment in United States dollars must be accepted and credited on a judgment or award on a foreign-money claim in the amount of the foreign money that could be purchased by the dollars at a bank-offered spot rate of exchange at or near the close of business on the conversion date for that payment.

(5) A judgment or award made in an action or distribution proceeding on both a defense, setoff, recoupment, or counterclaim and the adverse party's claim must be netted by converting the money of the smaller into the money of the larger and by subtracting the smaller from the larger and must specify the rates of exchange used.

(6) A judgment substantially in the following form complies with subsection (1):

IT IS ADJUDGED AND ORDERED, that Defendant

(insert name) pay to Plaintiff

(insert name) the sum of _(insert amount in the foreign money)_ plus interest on that sum at the rate of _(insert rate - see [section 10])_ % a year or, at the option of the judgment debtor, the number of United States dollars that will purchase the _(insert name of foreign money)_ with interest due, at a bank-offered spot rate at or near the close of business on the banking day before the day of payment, together with assessed costs of _(insert amount)_ United States dollars.

(7) If a contract claim is of the type covered by [section 6(1) or (2)], the judgment or award must be entered for the amount of money stated to measure the obligation to be paid in the money specified for payment or, at the option of the debtor, the number of United States dollars that will purchase the computed

amount of the money of payment on the conversion date at a bank-offered spot rate.

(8) A judgment must be filed and indexed in foreign money in the same manner, and has the same effect as a lien, as other judgments. It may be discharged by payment.

Section 9. **Conversions of foreign money in distribution proceeding.** The rate of exchange prevailing at or near the close of business on the day the distribution proceeding is initiated governs all exchanges of foreign money in a distribution proceeding. A foreign-money claimant in a distribution proceeding shall assert its claim in the named foreign money and show the amount of United States dollars resulting from a conversion as of the date the proceeding was initiated.

Section 10. **Prejudgment and judgment interest.** (1) Except as provided in subsection (2), recovery of prejudgment or preaward interest and the rate of interest to be applied in the action or distribution proceeding, with respect to a foreign-money claim, are matters of the substantive law governing the right to recovery under the conflict-of-laws rules of this state.

(2) The court or arbitrator shall increase or decrease the amount of prejudgment or preaward interest otherwise payable in a judgment or award in foreign money to the extent required by the law of this state governing a failure to make or accept an offer of settlement or offer of judgment or governing conduct by a party or its attorney causing undue delay or expense.

(3) A judgment or award on a foreign-money claim bears interest at the rate applicable to judgments of this state.

Section 11. **Enforcement of foreign judgments.** (1) If an action is brought to enforce a judgment of another jurisdiction expressed in a foreign money and the judgment is recognized in this state as enforceable, the enforcing judgment must be entered as provided in [section 8], whether or not the foreign judgment confers an option to pay in an equivalent amount of United States dollars.

(2) A foreign judgment may be filed in accordance with any rule or statute of this state providing a procedure for its recognition and enforcement.

(3) A satisfaction or partial payment made upon the foreign judgment, on proof thereof, must be credited against the amount of foreign money specified in the judgment, notwithstanding the entry of judgment in this state.

(4) A judgment entered on a foreign-money claim only in United States dollars in another state must be enforced in this state in United States dollars only.

Section 12. **Determining United States dollar value of foreign-money claims for limited purposes.** (1) Computations under this section are for the limited purposes of this section and do not affect computation of the United States dollar equivalent of the money of the judgment for the purpose of payment.

(2) For the limited purpose of facilitating the enforcement of provisional remedies in an action, the value in United States dollars of assets to be seized or restrained pursuant to a writ of attachment, garnishment, execution, or other legal process, the amount of United States dollars at issue for assessing costs, or the amount of United States dollars involved for a surety bond or other court-required undertaking must be ascertained as provided in subsections (3) and (4).

(3) A party seeking process, costs, bond, or other undertaking under subsection (2) shall compute in United States dollars the amount of the foreign money claimed from a bank-offered spot rate prevailing at or near the close of business on the banking day preceding the filing of a request or application for the issuance of process, for the determination of costs, or for an application for a bond or other court-required undertaking.

(4) A party seeking the process, costs, bond, or other undertaking under subsection (2) shall file with each request or application an affidavit or certificate executed in good faith by its counsel or a bank officer, stating the market quotation used and how it was obtained, and setting forth the calculation. Affected court officials incur no liability, after a filing of the affidavit or certificate, for acting as if the judgment were in the amount of United States dollars stated in the affidavit or certificate.

Section 13. **Effect of currency revalorization.** (1) If, after an obligation is expressed or a loss is incurred in a foreign money, the country issuing or adopting that money substitutes a new money in place of that money, the obligation or the loss is treated as if expressed or incurred in the new money at the rate of conversion the issuing country establishes for the payment of like obligations or losses denominated in the former money.

(2) If substitution under subsection (1) occurs after a judgment or award is entered on a foreign-money claim, the court or arbitrator shall amend the judgment or award by a like conversion of the former money.

Section 14. **Supplementary general principles of law.** Unless displaced by particular provisions of [sections 1 through 15], the principles of law and equity, including the law merchant, and the law relative to capacity to contract, principal and agent, estoppel, fraud, misrepresentation, duress, coercion, mistake, bankruptcy, or other validating or invalidating causes supplement its provisions.

Section 15. **Uniformity of application and construction.** [Sections 1 through 15] must be applied and construed to effectuate the general purpose to make uniform the law with respect to the subject of [sections 1 through 15] among states enacting it.

Section 16. **Severability.** If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 17. **Applicability.** [This act] applies to actions and distribution proceedings commenced after October 1, 1993.

Approved March 24, 1993.

CHAPTER NO. 154

[HB 259]

AN ACT CLARIFYING THAT AN EMPLOYEE INJURED WHILE PARTICIPATING IN A RECREATIONAL ACTIVITY IS NOT ENTITLED TO WORKERS' COMPENSATION; AND AMENDING SECTIONS 39-71-118 AND 39-71-123, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-118, MCA, is amended to read:

"**39-71-118. Employee, worker, workman, and volunteer firefighter defined.** (1) The terms "employee", "workman", or "worker" mean:

(a) each person in this state, including a contractor other than an independent contractor, who is in the service of an employer, as defined by 39-71-117, under any appointment or contract of hire, expressed or implied, oral or written. The terms include aliens and minors, whether lawfully or unlawfully employed, and all of the elected and appointed paid public officers and officers and members of boards of directors of quasi-public or private corporations while rendering actual service for ~~such~~ *the* corporations for pay. Casual employees as defined by 39-71-116 are included as employees if they are not otherwise covered by workers' compensation and if an employer has elected to be bound by the provisions of the compensation law for these casual employments, as provided in 39-71-401(2). Household or domestic service is excluded.

(b) a recipient of general relief who is performing work for a county of this state under the provisions of 53-3-303 through 53-3-305 and any juvenile performing work under authorization of a district court judge in a delinquency prevention or rehabilitation program;

(c) a person receiving on-the-job vocational rehabilitation training or other on-the-job training under a state or federal vocational training program, whether or not under an appointment or contract of hire with an employer as defined in this chapter and whether or not receiving payment from a third party. However, this subsection does not apply to students enrolled in vocational training programs as outlined above while they are on the premises of a public school or community college.

(d) students enrolled and in attendance in programs of vocational-technical education at designated vocational-technical centers;

(e) an airman or other person employed as a volunteer under 67-2-105; or

(f) a person, other than a juvenile as defined in subsection (1)(b), performing community service for a nonprofit organization or association or for a federal, state, or local government entity under a court order, or an order from a hearings officer as a result of a probation or parole violation, whether or not under appointment or contract of hire with an employer as defined in this chapter and whether or not receiving payment from a third party. For a person covered by the definition in this subsection (f):

(i) compensation benefits must be limited to medical expenses pursuant to 39-71-704 and an impairment award pursuant to 39-71-703 that is based upon the minimum wage established under Title 39, chapter 3, part 4, for a full-time employee at the time of the injury; and

(ii) premiums must be paid by the employer, as defined in 39-71-117(3), and must be based upon the minimum wage established under Title 39, chapter 3, part 4, for the number of hours of community service required under the order from the court or hearings officer.

(2) The terms defined in subsection (1) do not include a person who is:

(a) participating in recreational activity and who at the time is relieved of and is not performing prescribed duties, regardless of whether the person is using, by discount or otherwise, a pass, ticket, permit, device, or other emolument of employment; or

(b) performing voluntary service at a recreational facility and who receives no compensation for those services other than meals, lodging, or the use of the recreational facilities.

~~(2)~~*(3)* The term "volunteer firefighter" means a firefighter who is an enrolled and active member of a fire company organized and funded by a county, a rural fire district, or a fire service area.

~~(3)~~*(4)* (a) If the employer is a partnership or sole proprietorship, ~~such~~ *the* employer may elect to include as an employee within the provisions of this chapter any member of ~~such~~ *the* partnership or the owner of the sole proprietorship devoting full time to the partnership or proprietorship business.

(b) In the event of ~~such~~ *an* election, the employer must serve upon the employer's insurer written notice naming the partners or sole proprietor to be covered and stating the level of compensation coverage desired by electing the amount of wages to be reported, subject to the limitations in subsection ~~(3)(d)~~ *(4)(d)*. A partner or sole proprietor is not considered an employee within this chapter until ~~such~~ notice has been given.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) All weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection. For premium ratemaking and for the determination of weekly wage for weekly compensation benefits, the electing employer may elect not less than $900 a month and not more than 1 ½ times the average weekly wage as defined in this chapter.

~~(4)~~*(5)* The trustees of a rural fire district, a county governing body providing rural fire protection, or the county commissioners or trustees for a fire service area may elect to include as an employee within the provisions of this chapter any volunteer firefighter. A volunteer firefighter who receives workers' compensation coverage under this section may not receive disability benefits under Title 19, chapter 12.

~~(5)~~*(6)* An employee, workman, or worker in this state whose services are furnished by a person, association, contractor, firm, or corporation, other than a temporary service contractor, to an employer as defined in 39-71-117 is presumed to be under the control and employment of the employer. This presumption may be rebutted as provided in 39-71-117(3).

~~(6)~~*(7)* For purposes of this section, an "employee, workman, or worker in this state" means:

(a) a resident of Montana who is employed by an employer and whose employment duties are primarily carried out or controlled within this state; or

(b) a nonresident of Montana whose principal employment duties are conducted within this state on a regular basis for an employer."

Section 2. Section 39-71-123, MCA, is amended to read:

"**39-71-123. Wages defined.** (1) "Wages" means the gross remuneration paid in money, or in a substitute for money, for services rendered by an employee. Wages include but are not limited to:

(a) commissions, bonuses, and remuneration at the regular hourly rate for overtime work, holidays, vacations, and sickness periods;

(b) board, lodging, rent, or housing if it constitutes a part of the employee's remuneration and is based on its actual value; and

(c) payments made to an employee on any basis other than time worked, including but not limited to piecework, an incentive plan, or profit-sharing arrangement.

(2) Wages do not include:

(a) employee expense reimbursements or allowances for meals, lodging, travel, subsistence, and other expenses, as set forth in department rules;

(b) special rewards for individual invention or discovery;

(c) tips and other gratuities received by the employee in excess of those documented to the employer for tax purposes;

(d) contributions made by the employer to a group insurance or pension plan; or

(e) vacation or sick leave benefits accrued but not paid.

(3) For compensation benefit purposes, the average actual earnings for the four pay periods immediately preceding the injury are the employee's wages, except if:

(a) the term of employment for the same employer is less than four pay periods, in which case the employee's wages are the hourly rate times the number of hours in a week for which the employee was hired to work; or

(b) for good cause shown by the claimant, the use of the four pay periods does not accurately reflect the claimant's employment history with the employer, in which case the insurer may use additional pay periods.

(4) (a) For the purpose of calculating compensation benefits for an employee working concurrent employments, the average actual wages must be calculated as provided in subsection (3).

(b) The compensation benefits for a covered volunteer must be based on the average actual wages in ~~his~~ *the volunteer's* regular employment, except self-employment as a sole proprietor or partner who elected not to be covered, from which ~~he~~ *the volunteer* is disabled by the injury incurred.

(c) The compensation benefits for an employee working at two or more concurrent remunerated employments must be based on the aggregate of average actual wages of all employments, except self-employment as a sole proprietor or partner who elected not to be covered, from which the employee is disabled by the injury incurred.

(5) The compensation benefits and the payroll, for premium purposes, for a volunteer firefighter covered pursuant to 39-71-118~~(4)~~ must be based upon a wage of not less than $900 a month and not more than 1 ½ times the average weekly wage as defined in this chapter."

CHAPTER NO. 156

[HB 356]

AN ACT CLARIFYING THE PUBLIC SERVICE COMMISSION'S AUTHORITY TO REGULATE MOTOR CARRIER FITNESS AND TO INVESTIGATE AND HEAR COMPLAINTS CONCERNING VIOLATIONS OF TITLE 69, CHAPTER 12, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

STATEMENT OF INTENT

In determining whether a motor carrier should be granted a certificate of operating authority, a threshold question to be answered by the public service commission is whether the carrier is fit, willing, and able to provide the proposed service, otherwise referred to as an inquiry into carrier fitness. [Section 1] is intended to clarify the public service commission's authority in this regard by codifying the carrier fitness requirement. Although 69-12-201 and 69-12-203 provide the commission with supervisory, regulatory, and enforcement authority over motor carriers, its authority to investigate and hear complaints concerning violations of Title 69, chapter 12, is not clearly defined. [Section 2] is intended to clarify this authority.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Carrier fitness.** A certificate of operating authority may not be issued or remain in force unless the holder of the certificate is fit, willing, and able to perform the authorized service and conforms to the provisions of this chapter and the rules and orders of the commission.

Section 2. **Complaints.** (1) The commission has jurisdiction to conduct investigations and hear complaints to determine whether a motor carrier has violated any of the commission's rules or orders or any provision of this chapter.

(2) Following an opportunity for hearing and upon a finding that a motor carrier has violated any of the commission's rules or orders or any provision of this chapter, the commission may suspend or revoke the motor carrier's certificate of operating authority or impose any penalty provided for under 69-12-108.

Section 3. **Codification instruction.** (1) [Section 1] is intended to be codified as an integral part of Title 69, chapter 12, part 4, and the provisions of Title 69, chapter 12, part 4, apply to [section 1].

(2) [Section 2] is intended to be codified as an integral part of Title 69, chapter 12, part 2, and the provisions of Title 69, chapter 12, part 2, apply to [section 2].

Section 4. **Effective date.** [This act] is effective on passage and approval.

Approved March 24, 1993.

CHAPTER NO. 157

[HB 390]

AN ACT ADOPTING THE MONTANA INTEGRATED LEAST-COST RESOURCE PLANNING AND ACQUISITION ACT; PROVIDING THAT THE PUBLIC SERVICE COMMISSION MAY REQUIRE A PUBLIC UTILITY THAT PROVIDES ELECTRIC OR NATURAL GAS SERVICE TO FILE AN INTEGRATED LEAST-COST RESOURCE PLAN; ALLOWING THE INCLUSION OF CERTAIN COSTS IN RATES; INTEGRATING THE PLANNING PROCESS IN FACILITY SITING; AMENDING SECTIONS 69-3-701, 69-3-702, 75-20-304, AND 75-20-501, MCA; AND PROVIDING AN EFFECTIVE DATE.

STATEMENT OF INTENT

A statement of intent is required for this bill because [section 4] grants the public service commission rulemaking authority to adopt guidelines for an electric or natural gas utility to follow in compiling an integrated least-cost resource plan. It is the intent of the legislature that the rules not apply to rural electric cooperatives. It is also the intent of the legislature that the rules preserve the "used and useful" ratemaking standard. The rules are not intended to allow the commission to preapprove any resource use proposed in a plan. [Section 5] does not require coordination between the commission and the department of natural resources and conservation regarding their respective planning requirements. However, it is the intent of the legislature that the department and other state agencies share with the commission their expertise on environmental impacts of a utility's planned resource acquisitions. [Section 6] addresses commission rate treatment. The commission may include costs resulting from an integrated least-cost resource plan in a utility's rates.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 6] may be cited as the "Montana Integrated Least-Cost Resource Planning and Acquisition Act".

Section 2. **Policy — planning.** (1) It is the policy of the state of Montana to supervise, regulate, and control public utilities. To the extent that it is consistent with the policy and in order to benefit society, the state encourages efficient utility operations, efficient use of utility services, and efficient rates. It is further the policy of the state to encourage utilities to acquire resources in a manner that will help ensure a clean, healthful, safe, and economically productive environment.

(2) The legislature finds that the commission may include in rates the costs that are associated with acquiring the resources referred to in subsection (1) and that are consistent with this policy if the resources are actually used and useful for the convenience of the public. To advance this policy, the commission may require periodic long-range plans from utilities that provide electric and

natural gas service in a form and manner determined by the commission. The commission may receive comments on the plans.

(3) [Sections 1 through 6] do not constrain or limit the commission's existing statutory duties or responsibilities.

Section 3. **Definitions.** As used in [sections 1 through 6], unless the context requires otherwise, the following definitions apply:

(1) "Abandonment costs" means the costs incurred for resources acquired and abandoned pursuant to a plan.

(2) "Consumer counsel" means the consumer counsel provided for in 5-15-201.

(3) "Externalities" mean the impacts on society that are not directly borne by the producer in production and delivery activities, which due to imperfections in or the absence of markets are not accounted for in the producer's production and pricing decisions.

(4) "Plan" means an integrated least-cost resource plan submitted by a utility in accordance with [sections 1 through 6] and the rules adopted under [sections 1 through 6].

(5) "Planning costs" means the costs of evaluating the future demand for services and of evaluating alternative methods of satisfying future demand.

(6) "Portfolio development costs" means the costs of preparing a resource in a portfolio for prompt and timely acquisition of the resource.

(7) "Public utility" means a public utility, as defined in 69-3-101, that provides electric or natural gas service. The term does not include municipal utilities.

Section 4. **Integrated least-cost plan.** (1) The commission may adopt rules requiring a public utility to prepare and file a plan for meeting the requirements of its customers in the most cost-effective manner consistent with the public utility's obligation to serve. The rules may prescribe the content and the time for filing a plan.

(2) A plan must contain but is not limited to an evaluation of the full range of cost-effective means for the public utility to meet the service requirements of its Montana customers, including conservation or similar improvements in the efficiency by which services are used.

(3) The commission may adopt rules providing guidelines to be used in preparing a plan and identifying the criteria to be used in determining cost-effectiveness. The criteria may include externalities associated with the acquisition of a resource by a public utility. The rules must establish the minimum filing requirements for acceptance of a plan by the commission for further review. If a plan does not meet the minimum filing requirements, it must be returned to the public utility with a list of deficiencies. A corrected plan must be submitted within the time established by the commission.

(4) A plan filed with the commission by a utility, as defined in 75-20-104, must be provided to the department of natural resources and conservation and the consumer counsel.

Section 5. **Public comment.** (1) The commission shall conduct a public meeting for the purpose of receiving comment on a plan. The commission or the department of public service regulation may comment on the plan. A comment by the commission or the department may not be construed as preapproval by the commission of rate treatment for any proposed resource.

(2) The department of natural resources and conservation:

(a) shall review a plan and comment on the need for new resources, the alternatives evaluated to meet the need, the environmental implications of the resource choices, and other related issues that it considers important. The department shall coordinate and deliver all comments from other executive branch agencies.

(b) may use a plan in the development of studies for a specific energy facility for which an application for a certificate of environmental compatibility and public need is submitted under Title 75, chapter 20.

(3) The consumer counsel shall review and may comment on a plan.

Section 6. **Rate treatment.** (1) The commission may include in a public utility's rates:

(a) the cost of resources acquired in accordance with a plan;

(b) the cost-effective expenditures for improving the efficiency with which the public utility provides and its customers use utility services; and

(c) the costs of complying with the planning requirements of [sections 1 through 6], including but not limited to:

(i) planning costs;

(ii) portfolio development costs; and

(iii) all or a portion of abandonment costs.

(2) The commission shall adopt rules establishing criteria governing the extent of recovery of abandonment costs.

Section 7. Section 69-3-701, MCA, is amended to read:

"**69-3-701. Definitions.** As used in this part, the following definitions apply:

~~(1) "Avoided costs" means the incremental costs, as determined by the commission, to an electric or natural gas utility of energy or capacity, or both, which, but for the purchase of conservation, the utility would generate or supply itself or purchase from another source.~~

~~(2)~~*(1)* "Commission" means the Montana public service commission created in 2-15-2602.

~~(3)~~*(2)* "Conservation" means any reduction in electric power or natural gas consumption as a result of investment in measures that increase the efficiency of electricity or gas use in building shells, space heating or cooling equipment, water heating equipment, or refrigeration equipment or other cost-effective measures which, over its economic life meet the criteria of 69-3-702.

~~(4) "Residential building" means a building used for residential occupancy that:~~

~~(a) has a system for heating, cooling, or both, that uses a fuel supplied by the utility; and~~

~~(b) contains at least one but not more than four separately or centrally heated dwelling units or contains more than four separately heated or cooled or both heated and cooled units.~~"

Section 8. Section 69-3-702, MCA, is amended to read:

"**69-3-702. Eligible conservation.** Conservation purchases or investments are eligible under this part if they are *provided for in [section 6]* ~~made to replace, upgrade, or enhance building shells, space heating or cooling equipment, or refrigeration equipment that was installed and in operation in the existing residential building at least 3 years before the conservation purchases or investments are made and if they are determined by the commission to cost no more than the utility's avoided costs~~."

Section 9. Section 75-20-304, MCA, is amended to read:

"**75-20-304. Waiver of provisions of certification proceedings.** (1) The board may waive compliance with any of the provisions of 75-20-216 through 75-20-222, 75-20-501, and this part if the applicant makes a clear and convincing showing to the board at a public hearing that an immediate, urgent need for a facility exists and that the applicant did not have knowledge that the need for the facility existed sufficiently in advance to fully comply with the provisions of 75-20-216 through 75-20-222, 75-20-501, and this part.

(2) The board may waive compliance with any of the provisions of this chapter upon receipt of notice by a person subject to this chapter that a facility or associated facility has been damaged or destroyed as a result of fire, flood, or other natural disaster or as the result of insurrection, war, or other civil disorder and there exists an immediate need for construction of a new facility or associated facility or the relocation of a previously existing facility or associated facility in order to promote the public welfare.

(3) The board shall waive compliance with the requirements of subsections (2)(c), (3)(b), and (3)(c) of 75-20-301 ~~and 75-20-501(5)~~ and the requirements of subsections (1)(a)(iv) and (v) of 75-20-211, 75-20-216(3), and 75-20-303(3)(a)(iv) relating to consideration of alternative sites if the applicant makes a clear and convincing showing to the board at a public hearing that:

(a) a proposed facility will be constructed in a county where a single employer within the county has permanently curtailed or ceased operations causing a loss of 250 or more permanent jobs within 2 years at the employer's operations within the preceding 10-year period;

(b) the county and municipal governing bodies in whose jurisdiction the facility is proposed to be located support by resolution such a waiver;

(c) the proposed facility will be constructed within a 15-mile radius of the operations that have ceased or been curtailed; and

(d) the proposed facility will have a beneficial effect on the economy of the county in which the facility is proposed to be located.

(4) The waiver provided for in subsection (3) applies only to permanent job losses by a single employer. The waiver provided for in subsection (3) does not apply to jobs of a temporary or seasonal nature, including but not limited to construction jobs or job losses during labor disputes.

(2) Plot allowances, donations, and, as provided in 61-3-332, revenue from veterans' license plate sales must be deposited into the account.

(3) As appropriated by the legislature, money in the account may be used only for the construction, maintenance, operation, and administration of the state veterans' cemetery.

(4) The department of military affairs may solicit veterans' license plate sales and donations on behalf of the state veterans' cemetery.

Section 2. Section 61-3-332, MCA, is amended to read:

"**61-3-332.** *(Temporary)* **Number plates.** (1) A motor vehicle that is driven upon the streets or highways of Montana must display both front and rear number plates, bearing the distinctive number assigned the vehicle. The number plates are in 10 series: one series for owners of motorcars, one for owners of motor vehicles of the motorcycle or quadricycle type, one for trailers, one for trucks, one for dealers in vehicles of the motorcycle or quadricycle type that bear the distinctive letters "MCD" or the letters "MC" and the word "DEALER", one for franchised dealers in new motorcars (including trucks and trailers) or new and used motorcars (including trucks and trailers) that bear the distinctive letter "D" or the word "DEALER", one for dealers in used motorcars only (including used trucks and trailers) that bear the distinctive letters "UD" or the letter "U" and the word "DEALER", one for dealers in trailers and/or semitrailers (new or used) that bear the distinctive letters "DTR" or the letters "TR" and the word "DEALER", one for dealers in recreational vehicles that bear the distinctive letters "RV" or the letter "R" and the word "DEALER", and one for special license plates. All markings for the various kinds of dealers' plates must be placed on the number plates assigned ~~thereto~~ *to the dealer,* in the position that the department designates.

(2) All number plates for motor vehicles must be issued for a minimum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(3) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after January 1, 1991, to replace, at renewal as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(4) In the case of motorcars and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on ~~such~~ *the* license plates, and the word "Montana" and the year must be placed across the plates. ~~Such~~ *The* registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of ~~such~~ *the* numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(6) For the use of tax-exempt motor vehicles, in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and ~~no~~ *a* year number may *not* be indicated ~~thereon~~ *on the plates* because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, irrigation districts organized under the laws of Montana and not operating for profit, and school districts and that are used and operated by officials and employees ~~thereof~~ in *the* line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees ~~thereof~~ in the line of duty, there must be placed on the number plates assigned ~~thereto~~, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and school districts situated within each of the counties and those of the irrigation districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. ~~No~~ *A* registration or license fee may *not* be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

Any new counties must be assigned numbers by the department as they may be formed, beginning with the number 57.

(10) Each type of special license plate approved by the legislature, except collegiate license plates authorized in 61-3-463, must be a separate series of plates, numbered as provided in subsection (5), except that the county number must be replaced by a nonremovable design or decal designating the group or organization to which the applicant belongs. Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of regular license plates, must be placed or mounted on a vehicle owned by the person who is eligible to receive them, and must be removed upon sale or other disposition of the vehicle. The special license plates must be issued to national guard members, former prisoners of war, handicapped persons, reservists, disabled veterans, survivors of the Pearl Harbor attack, veterans of the armed services, or veterans of the armed services who were awarded the purple heart medal, who comply with the following provisions:

The member shall surrender the plates to the department upon becoming ineligible to use them.

(c) A resident of Montana who is a veteran of the armed forces of the United States and who is 100% disabled because of an injury that has been determined by the department of veterans affairs to be service-connected may, upon presentation to the department of proof of the 100% disability, be issued a special license plate under this section with a design or decal displaying the letters "DV".

(i) The fee for original or renewal registration by a 100% disabled veteran for a passenger vehicle or a truck with a GVW-rated capacity of 1 ton or less is $5 and is in lieu of all other fees and taxes for that vehicle under this chapter.

(ii) Special license plates issued to a disabled veteran are not transferable to another person.

(iii) A disabled veteran is not entitled to a special license plate for more than one vehicle.

(iv) A vehicle lawfully displaying a disabled veteran's plate and that is conveying a 100% disabled veteran is entitled to the parking privileges allowed a handicapped person's vehicle under this title.

With respect to direct response insurance policies, the commissioner may require by rule that the prescribed brochure be provided upon request, but not later than the time of policy delivery, to any prospective insureds eligible for medicare ~~by reason of age~~.

[SB 383]

AN ACT MODIFYING THE ANNUAL REPORT REQUIREMENTS FOR THE WATER LEASING STUDY; REVISING THE PROVISION LIMITING ELIGIBLE STREAMS TO 20 STREAM REACHES; AUTHORIZING THE USE OF RIVER RESTORATION FUNDS FOR WATER LEASING; AMENDING SECTIONS 85-2-436, 85-2-437, 87-1-257, AND 87-1-610, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 85-2-436, MCA, is amended to read:

"**85-2-436.** *(Temporary)* **Water leasing study.** (1) The department of fish, wildlife, and parks and the department, in consultation with the water policy committee, shall conduct and coordinate a study that, at a minimum:

(a) provides the following data for each designated stream reach and each pilot lease entered into under subsection (2):

(i) the length of the stream reach and how it is determined;

(ii) technical methods and data used to determine critical streamflow or volume needed to preserve fisheries;

(iii) legal standards and technical data used to determine and substantiate the amount of water available for instream flows through leasing of existing rights;

(iv) contractual parameters, conditions, and other steps taken to ensure that each lease in no way harms other appropriators, particularly if the stream is one that experiences natural dewatering; and

(v) methods and technical means used to monitor use of water under each lease;

(b) based on the data provided under subsection (1)(a), develops a complete model of a water lease and lease authorization that includes a step-by-step explanation of the process from initiation to completion.

(2) For purposes of undertaking the study described in subsection (1) and as authorized by law, the department of fish, wildlife, and parks and the department may engage in the activities described in this subsection. For purposes of this study, this section is the exclusive means by which the department of fish, wildlife, and parks may seek to change an appropriation right to an instream flow purpose.

(a) The department of fish, wildlife, and parks, with the consent of the commission, may lease existing rights for the purpose of maintaining or enhancing streamflows for the benefit of fisheries in stream reaches determined eligible by the board pursuant to 85-2-437.

(b) Upon receipt of an application for a lease from the department of fish, wildlife, and parks, the department shall publish notice of the application as provided in 85-2-307. Parties who believe they may be adversely affected by the proposed lease may file an objection as provided in 85-2-308. A lease may not be approved until all objections are resolved. After resolving all objections filed under 85-2-308, the department shall authorize a lease of an existing right for the purpose of maintaining or enhancing streamflows for the benefit of fisheries if the applicant submits a complete application and meets the requirements of 85-2-402.

(c) The application for a lease authorization must include specific information on the length and location of the stream reach in which the streamflow must be maintained or enhanced and must provide a detailed streamflow measuring plan that describes the points where and the manner in which the streamflow must be measured.

(d) The maximum quantity of water that may be leased is the amount historically diverted by the lessor. However, only the amount historically consumed, or a smaller amount if specified by the department in the lease authorization, may be used to maintain or enhance streamflows below the lessor's point of diversion.

(e) The lease may not be issued for a term of more than 10 years, but it may be renewed once for up to 10 years, except that a lease of water made available from the development of a water conservation or storage project is restricted to a term of not more than 20 years. Upon receiving notice of a lease renewal, the department shall notify other appropriators potentially affected by the lease and shall allow 30 days for submission of new evidence of adverse effects to other water rights. A lease authorization is not required for a renewal unless an appropriator other than an appropriator described in subsection (2)(i) submits evidence of adverse effects to ~~his~~ *the appropriator's* rights that has not been considered previously. If new evidence is submitted, a lease authorization must be obtained according to the requirements of 85-2-402.

(f) During the term of the lease, the department may modify or revoke the lease authorization if an appropriator other than an appropriator described in subsection (2)(i) proves by substantial credible evidence that ~~his~~ *the appropriator's* water right is adversely affected.

(g) The priority of appropriation for a lease under this section is the same as the priority of appropriation of the right that is leased.

(h) Neither a change in appropriation right nor any other authorization is required for the reversion of the appropriation right to the lessor's previous use.

(i) A person issued a water use permit with a priority of appropriation after the date of filing of an application for a lease authorization under this section may not object to the exercise of the lease according to its terms or the reversion of the appropriation right to the lessor according to the lessor's previous use.

(j) The department of fish, wildlife, and parks shall pay all costs associated with installing devices or providing personnel to measure streamflows according to the measuring plan submitted under this section.

(3) (a) The department of fish, wildlife, and parks shall complete and submit to the board, commission, and water policy committee an annual study progress report by December 1 of each year. This report must include the applicable information listed in subsection (1) for each lease, *a summary of stream reach designation activity under 85-2-437, and a summary of leasing activity on all designated streams*. If the department of fish, wildlife, and parks has not leased *additional* water rights under this section by December 1 of any year, the department of fish, wildlife, and parks shall provide compelling justification for that fact in the study progress report.

(b) A final study report must be adopted by the board and commission and submitted to the water policy committee, which shall complete the final report by December 1, 1998.

(4) This section does not create the right for a person to bring suit to compel the renewal of a lease that has expired. *(Terminates June 30, 1999—sec. 4, Ch. 740, L. 1991.)* "

Section 2. Section 85-2-437, MCA, is amended to read:

"**85-2-437.** *(Temporary)* **Board designation of eligible stream reaches.** (1) The department of fish, wildlife, and parks, with the consent of the commission, may apply to the board for designation of stream reaches for which water leasing to maintain or enhance streamflows pursuant to 85-2-436 may occur.

(2) The board may declare a stream reach eligible for leasing pursuant to 85-2-436 only if it finds that water leasing is necessary to maintain or enhance streamflows for fisheries.

(3) The board may designate no more than ~~10~~ *20* stream reaches in the state where water leasing pursuant to 85-2-436 may occur. If the department of fish, wildlife, and parks determines that a water lease cannot be reasonably obtained on a designated stream reach, the board may remove the designation from that stream reach and designate another stream reach pursuant to this section. *(Terminates June 30, 1999—sec. 4, Ch. 740, L. 1991.)* "

Section 3. Section 87-1-257, MCA, is amended to read:

"**87-1-257. River restoration program.** (1) The department shall administer a river restoration program.

(2) The program may consist of physical projects to improve rivers and their associated lands in order to conserve and enhance fish and wildlife habitat, *including but not limited to the leasing of water rights under 85-2-436.*

(3) The department shall work cooperatively with individuals, conservation districts, and state, local, private, tribal, and federal organizations to achieve the goals of the program and may contract with private organizations to implement specific river restoration projects.

(4) The department shall present projects to the local conservation district for review and recommendations and obtain any applicable permits.

(5) The department shall receive the consent of the landowner or lessee of any associated lands before initiating physical projects on these lands.

(6) ~~No~~ *A* project conducted under the program may *not* restrict or interfere with the exercise of any water right."

Section 4. Section 87-1-610, MCA, is amended to read:

"**87-1-610.** *(Temporary)* **Contributions for leasing appropriation rights — general spending authority.** (1) The department may accept contributions from public or private entities for the purpose of leasing appropriation rights to maintain or enhance instream flows for the benefit of fisheries.

(a) Any contributions accepted by the department under this section must be deposited in the fish and wildlife mitigation trust fund established in 87-1-611.

(b) The department shall expend money obtained under this section and deposited in the fish and wildlife mitigation trust fund exclusively to lease existing rights for the purpose of maintaining or enhancing instream flows for fisheries.

(2) The department may also expend other departmental funds to lease existing rights for the purpose of maintaining or enhancing instream flows for fisheries, *including but not limited to departmental funds in the river restoration special revenue account established under 87-1-258. (Terminates June 30, 1999—sec. 4, Ch. 740, L. 1991.)* "

Section 5. **Effective date.** [This act] is effective July 1, 1993.

Approved March 25, 1993.

STATEMENT OF INTENT

It is the intent of the legislature that the secretary of state adopt rules establishing fees commensurate with the costs of reviewing the applications for and bonds of those persons submitting applications to become notaries public and with the costs of preparing their certificates of commission. The fees adopted by the secretary of state should reflect the cost of maintaining or upgrading the recordkeeping system used in the filing of the commissions.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 11] may be cited as the "Uniform Law on Notarial Acts".

Section 2. **Definitions.** As used in [sections 1 through 11], the following definitions apply:

(1) "Acknowledgment" means a declaration by a person that the person has executed an instrument for the purposes stated in the instrument and, if the instrument is executed in a representative capacity, that the person signed the instrument with proper authority and executed it as the act of the person or entity represented and identified in the instrument.

(2) "In a representative capacity" means:

(a) for and on behalf of a corporation, partnership, trust, or other entity as an authorized officer, agent, partner, trustee, or other representative;

(b) as a public officer, personal representative, guardian, or other representative in the capacity recited in the instrument;

(c) as an attorney in fact for a principal; or

(d) in any other capacity as an authorized representative of another.

(3) "Notarial act" means any act that a notary public of this state is authorized to perform and includes taking an acknowledgment, administering an oath or affirmation, taking a verification upon oath or affirmation, witnessing or attesting a signature, certifying or attesting a copy, and noting a protest of a negotiable instrument.

(4) "Notarial officer" means a notary public or other officer authorized to perform notarial acts.

(5) "Verification upon oath or affirmation" means a declaration that a statement is true made by a person upon oath or affirmation.

Section 3. **Notarial acts.** (1) In taking an acknowledgment, the notarial officer shall determine, either from personal knowledge or from satisfactory evidence, that the person appearing before the officer and making the acknowledgment is the person whose true signature is on the instrument.

(2) In taking a verification upon oath or affirmation, the notarial officer shall determine, either from personal knowledge or from satisfactory evidence, that the person appearing before the officer and making the verification is the person whose true signature is on the statement verified.

(3) In witnessing or attesting a signature, the notarial officer shall determine, either from personal knowledge or from satisfactory evidence, that the signature is that of the person appearing before the officer and named in the instrument.

(4) In certifying or attesting a copy of a document or other item, the notarial officer shall determine that the proffered copy is a full, true, and accurate transcription or reproduction of that which was copied.

(5) (a) In making or noting a protest of a negotiable instrument, the notarial officer shall identify the instrument and certify either:

(i) that due presentment has been made; or

(ii) the reason why it is excused and that the instrument has been dishonored by nonacceptance or nonpayment.

(b) The protest may also certify that notice of dishonor has been given to all parties or to specified parties.

(6) A notarial officer has satisfactory evidence that a person is the person whose true signature is on a document if that person is:

(a) personally known to the notarial officer;

(b) identified upon the oath or affirmation of a credible witness personally known to the notarial officer; or

(c) identified on the basis of identification documents.

Section 4. **Notarial acts in this state.** (1) A notarial act may be performed within this state by the following persons:

(a) a notary public of this state;

(b) a judge, clerk, or deputy clerk of any court of this state; or

(c) any other person authorized to perform the specific act by the law of this state.

(2) Notarial acts performed within this state under federal authority as provided in [section 7] have the same effect as if performed by a notarial officer of this state.

(3) Subject to the provisions of [section 5], notarial acts performed within Montana by notarial officers of bordering states have the same effect as if performed by a notarial officer of Montana.

(4) The signature and title of a person performing a notarial act are prima facie evidence that the signature is genuine and that the person holds the designated title.

Section 5. **Reciprocity of notarial acts.** (1) A Montana notarial officer may perform a notarial act in a bordering state if the state recognizes the officer's authority within the state.

(2) A notarial act performed in Montana by a notarial officer of a bordering state has the same effect under Montana law as if the act were performed by a Montana notarial officer, provided that the bordering state grants Montana's notarial officers similar authority within the bordering state.

Section 6. **Notarial acts in other jurisdictions of the United States.** (1) A notarial act has the same effect under the law of this state as if performed by a notarial officer of this state if it is performed in another state, commonwealth, territory, district, or possession of the United States by any of the following persons:

(a) a notary public of that jurisdiction;

(b) a judge, clerk, or deputy clerk of a court of that jurisdiction; or

(c) any other person authorized by the law of that jurisdiction to perform notarial acts.

(2) Notarial acts performed in other jurisdictions of the United States under federal authority as provided in [section 7] have the same effect as if performed by a notarial officer of this state.

(3) The signature and title of a person performing a notarial act are prima facie evidence that the signature is genuine and that the person holds the designated title.

(4) The signature and indicated title of an officer listed in subsection (1)(a) or (1)(b) conclusively establish the authority of a holder of that title to perform a notarial act.

Section 7. **Notarial acts under federal authority.** (1) A notarial act has the same effect under the law of this state as if performed by a notarial officer of this state if it is performed anywhere by any of the following persons under authority granted by the law of the United States:

(a) a judge, clerk, or deputy clerk of a court;

(b) a commissioned officer on active duty in the military service of the United States;

(c) an officer of the foreign service or consular officer of the United States; or

(d) any other person authorized by federal law to perform notarial acts.

(2) The signature and title of a person performing a notarial act are prima facie evidence that the signature is genuine and that the person holds the designated title.

(3) The signature and indicated title of an officer listed in subsection (1)(a), (1)(b), or (1)(c) conclusively establish the authority of a holder of that title to perform a notarial act.

Section 8. **Foreign notarial acts.** (1) A notarial act has the same effect under the law of this state as if performed by a notarial officer of this state if it is performed within the jurisdiction of and under authority of a foreign nation or its constituent units or a multinational or international organization by any of the following persons:

(a) a notary public or notary;

(b) a judge, clerk, or deputy clerk of a court of record; or

(c) any other person authorized by the law of that jurisdiction to perform notarial acts.

(2) An "apostille" in the form prescribed by the Hague Convention of October 5, 1961, conclusively establishes that the signature of the notarial officer is genuine and that the officer holds the indicated office.

(3) A certificate by a foreign service or consular officer of the United States stationed in the nation under the jurisdiction of which the notarial act was performed or a certificate by a foreign service or consular officer of that nation stationed in the United States conclusively establishes any matter relating to the authenticity or validity of the notarial act set forth in the certificate.

(4) An official stamp or seal of the person performing the notarial act is prima facie evidence that the signature is genuine and that the person holds the indicated title.

(5) An official stamp or seal of an officer listed in subsection (1)(a) or (1)(b) is prima facie evidence that a person with the indicated title has authority to perform notarial acts.

(6) If the title of office and indication of authority to perform notarial acts appears either in a digest of foreign law or in a list customarily used as a source for that information, the authority of an officer with that title to perform notarial acts is conclusively established.

Section 9. **Certificate of notarial acts.** (1) A notarial act must be evidenced by a certificate signed and dated by a notarial officer. The certificate must include identification of the jurisdiction in which the notarial act is performed and the title of the office of the notarial officer and must include the official seal of office. If the officer is a notary public, the certificate must also indicate the date of expiration, if any, of the commission of office, but omission of that information may subsequently be corrected. If the officer is a commissioned officer on active duty in the military service of the United States, it must also include the officer's rank.

(2) A certificate of a notarial act is sufficient if it meets the requirements of subsection (1) and it:

(a) is in the short form set forth in [section 10];

(b) is in a form otherwise prescribed by the law of this state;

(c) is in a form prescribed by the laws or regulations applicable in the place in which the notarial act was performed; or

(d) sets forth the actions of the notarial officer and those are sufficient to meet the requirements of the designated notarial act.

(3) By executing a certificate of a notarial act, the notarial officer certifies that the officer has made the determinations required by [section 3].

CHAPTER NO. 193

[SB 160]

AN ACT PROHIBITING DISCRIMINATION AGAINST AN EMPLOYEE FOR USE OF A LAWFUL PRODUCT DURING NONWORKING HOURS; AMENDING SECTION 39-2-903, MCA; AND PROVIDING FOR CIVIL DAMAGES.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Discrimination prohibited for use of lawful product during nonworking hours — exceptions.** (1) For purposes of this section, "lawful product" means a product that is legally consumed, used, or enjoyed and includes food, beverages, and tobacco.

(2) Except as provided in subsections (3) and (4), an employer may not refuse to employ or license and may not discriminate against an individual with respect to compensation, promotion, or the terms, conditions, or privileges of employment because the individual legally uses a lawful product off the employer's premises during nonworking hours.

(3) Subsection (2) does not apply to:

(a) use of a lawful product that:

(i) affects in any manner an individual's ability to perform job-related employment responsibilities or the safety of other employees; or

(ii) conflicts with a bona fide occupational qualification that is reasonably related to the individual's employment;

(b) an individual who, on a personal basis, has a professional service contract with an employer and the unique nature of the services provided authorizes the employer, as part of the service contract, to limit the use of certain products; or

(c) an employer that is a nonprofit organization that, as one of its primary purposes or objectives, discourages the use of one or more lawful products by the general public.

(4) An employer does not violate this section if the employer takes action based on the belief that the employer's actions are permissible under an established substance abuse or alcohol program or policy, professional contract, or collective bargaining agreement.

(5) An employer may offer, impose, or have in effect a health, disability, or life insurance policy that makes distinctions between employees for the type or price of coverage based on the employees' use of a product if:

(a) differential rates assessed against employees reflect actuarially justified differences in providing employee benefits;

(b) the employer provides an employee with written notice delineating the differential rates used by the employer's insurance carriers; and

(c) the distinctions in the type or price of coverage is not used to expand, limit, or curtail the rights or liabilities of a party in a civil cause of action.

Section 2. **Civil action limitation.** (1) Except as provided in subsection (2), an individual who is discharged, discriminated against, or denied employment in violation of [section 1] may file a civil action against an employer within 1 year of the alleged violation and the court may require any reasonable measure to correct the discriminatory practice and to rectify the harm, pecuniary or otherwise, to the person discriminated against and may allow reasonable attorney fees to the prevailing party.

(2) Prior to filing a civil action under subsection (1), an employee shall, within 120 days of the alleged violation, initiate any internal grievance procedure available. If a grievance procedure is not exhausted within 120 days, the employee may file a civil action.

Section 3. Section 39-2-903, MCA, is amended to read:

"**39-2-903. Definitions.** In this part, the following definitions apply:

(1) "Constructive discharge" means the voluntary termination of employment by an employee because of a situation created by an act or omission of the employer which an objective, reasonable person would find so intolerable that voluntary termination is the only reasonable alternative. Constructive discharge does not mean voluntary termination because of an employer's refusal to promote the employee or improve wages, responsibilities, or other terms and conditions of employment.

(2) "Discharge" includes a constructive discharge as defined in subsection (1) and any other termination of employment, including resignation, elimination of the job, layoff for lack of work, failure to recall or rehire, and any other cutback in the number of employees for a legitimate business reason.

(3) "Employee" means a person who works for another for hire. The term does not include a person who is an independent contractor.

(4) "Fringe benefits" means the value of any employer-paid vacation leave, sick leave, medical insurance plan, disability insurance plan, life insurance plan, and pension benefit plan in force on the date of the termination.

(5) "Good cause" means reasonable job-related grounds for dismissal based on a failure to satisfactorily perform job duties, disruption of the employer's operation, or other legitimate business reason. *The legal use of a lawful product by an individual off the employer's premises during nonworking hours is not a legitimate business reason, unless the employer acts within the provisions of [section 1(3) or (4)].*

(6) "Lost wages" means the gross amount of wages that would have been reported to the internal revenue service as gross income on Form W-2 and includes additional compensation deferred at the option of the employee.

(7) "Public policy" means a policy in effect at the time of the discharge concerning the public health, safety, or welfare established by constitutional provision, statute, or administrative rule."

Section 4. **Codification instruction.** [Sections 1 and 2] are intended to be codified as an integral part of Title 39, chapter 2, part 3, and the provisions of Title 39, chapter 2, part 3, apply to [sections 1 and 2].

(2) Charges in *subsection* (1) ~~shall~~ *must* be computed at the applicable rates on the full, original principal amount of the loan from the date of the loan to the due date of the final scheduled installment irrespective of the fact that the loan is payable in installments. ~~Said~~ *The* charges ~~shall~~ *must* be added to the principal of the loan and ~~shall~~ *may* not be discounted or deducted ~~therefrom~~ *from the principal* or paid or received at the time the loan is made. For all loans that may be subject to this section, charges are computed initially in the same manner used to determine the annual percentage rate.

(iv) appraisal fees;

(v) fees for credit reports; and

(vi) fees paid to a trustee for release of a trust deed.

(7) Subsections (2), (3), and (6) of this section apply only to loans on which charges are made on an add-on basis and do not apply to loans on which charges are made on an interest-bearing basis."

Section 4. Section 32-5-302, MCA, is amended to read:

"**32-5-302. Installment payment — contract period.** (1) ~~No~~ *A* licensee may *not* enter into any contract of loan:

(a) of $300 or less, exclusive of charges, under which the borrower agrees to make any scheduled repayment of principal more than 21 calendar months from the date of making ~~such~~ *the* contract;

Be it enacted by the Legislature of the State of Montana:

Section 1. **Family law mediation — exception.** (1) The district court may at any time consider the advisability of requiring the parties to a proceeding under this chapter to participate in the mediation of the case. Any party may request the court to order mediation. If the parties agree to mediation, the court may require the attendance of the parties or the representatives of the parties with authority to settle the case at the mediation sessions.

(2) The court may not authorize or permit continuation of mediated negotiations if the court has reason to suspect that one of the parties or a child of a party has been physically, sexually, or emotionally abused by the other party.

(2) The mediator shall attempt to effect a settlement of the child custody, child support, visitation, maintenance, or property settlement dispute. The mediator may not use coercive measures to effect the settlement. The mediator may recommend that a party obtain assistance from other resources in the community.

(3) Subject to [section 1(1)], the mediator may exclude attorneys from the mediation sessions. The parties' attorneys may confer with the mediator prior to the mediation session and may review and approve any agreement.

(4) An applicable statute of limitations is tolled as to the participants during the period of mediation. The tolling commences on the date the parties agree in

writing to participate in the mediation or when the court orders mediation, whichever is later, and ends on the date the mediation is officially terminated by the mediator.

Section 3. **Proceedings — records — confidentiality.** Mediation proceedings must be conducted in private. All records of a mediation proceeding are confidential and may not be used in evidence in an action enumerated in [section 1]. Matters subject to the mediation proceeding are confidential. Section 5. **Mediation agreement.** An agreement reached by the parties as a result of mediation must be discussed by the parties with their attorneys, if any, and the approved agreement may be submitted to the court. An agreement may not be submitted to the court if any party objects. The court may adopt the agreement.

Section 6. **Mediator list.** The district court shall establish and maintain a list of mediators available to assist parties in formally mediating disputes as provided in [sections 1 and 2]. The list of mediators must be maintained by the clerk of court. The clerk of court may accept the applications of individuals who meet the qualifications required under [section 7] and who seek placement on the mediator list. CHAPTER NO. 200

[SB 284]

AN ACT EXTENDING PERMIT AUTHORITY OF THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES TO ANY PERSON WHO INSTALLS, REPAIRS, MODIFIES, OR CLOSES AN UNDERGROUND STORAGE TANK SYSTEM; EXTENDING THE PERMIT OBLIGATION TO THE INSTALLATION, REPAIR, OR MODIFICATION OF EXTERNAL LEAK DETECTION DEVICES AND CATHODIC PROTECTION SYSTEMS; CLARIFYING THE APPLICABILITY OF UNDERGROUND STORAGE TANK LAW TO ALL PARTS OF UNDERGROUND STORAGE TANK SYSTEMS; AMENDING SECTIONS 75-11-202, 75-11-203, 75-11-204, 75-11-209, 75-11-210, 75-11-211, 75-11-212, 75-11-213, 75-11-217, 75-11-218, 75-11-220, AND 75-11-224, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

STATEMENT OF INTENT

A statement of intent is required for this bill because the bill gives the department of health and environmental sciences authority to adopt rules for all components of underground tank systems and because it delegates authority to the department to license persons who install, repair, or modify leak detection devices that are external to and not attached to underground storage tank systems, including persons who install, repair, or modify cathodic protection systems. The legislature intends that the department use this authority to require compliance with the department's rules for the proper installation and management of all components of underground storage tank systems.

The definition of underground storage tank is expanded to include the word "system", which will serve to make it clearer to the regulated community that all parts of underground storage tank systems, including piping, are subject to regulation.

The legislature intends to require licensed workers for installation, repair, modification, and closure work performed on all components of underground storage tank systems. The legislature also intends to extend the permitting requirements to all individuals who perform installation, repair, or modification of underground storage tank systems and to not limit compliance responsibility solely to owners and operators.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 75-11-202, MCA, is amended to read:

"**75-11-202. Findings and purpose.** (1) Leaking underground storage ~~tanks~~ *tank systems* have been identified as a significant source of underground contamination and as a potential hazard for fire and explosion. Government and industry studies show that a major cause of leaking underground storage tanks is improper installation or closure. Proper installation or closure requires specialized knowledge, training, and experience.

(2) To protect the health of Montana citizens and the quality of state waters and other natural resources, it is the intent of the legislature to require permits for the installation or closure of underground storage ~~tanks~~ *tank systems*; to limit the conduct of these activities to persons with demonstrated competence,

training, and experience; and to assess fees to support state and local administration of permitting, licensing, and inspection activities."

Section 2. Section 75-11-203, MCA, is amended to read:

"**75-11-203. Definitions.** As used in this part, unless the context requires otherwise, the following definitions apply:

(1) "Board" means the board of health and environmental sciences provided for in 2-15-2104.

(2) "Closure" or "to close" means the process of properly removing or filling in place an underground storage tank that is no longer in service.

(3) "Department" means the department of health and environmental sciences provided for in Title 2, chapter 15, part 21.

(4) (a) "Installation" or "to install" means the placement of an underground storage tank *system*, including excavation, tank placement, backfilling, and piping of underground portions of the underground storage tank *system* that store or convey regulated substances. Installation ~~also~~ includes repair or modification of an underground storage tank *system* through such means as tank relining or the repair or replacement of valves, fillpipes, piping, vents, or in-tank liquid-level monitoring systems. *Installation also means installation, repair, or modification of a leak detection device that is external to and not attached to the underground storage tank system and the installation, repair, or modification of a cathodic protection system.*

(b) The terms do not include~~:~~

~~(i)~~ the process of conducting a precision (tightness) test to establish the integrity of the underground storage tank *system*~~;~~*.*

~~(ii) the installation of a leak detection device that is external to and not attached to the underground storage tank; or~~

~~(iii) the installation and maintenance of a cathodic protection system.~~

(5) "Installer" means an individual who ~~is engaged in the business of installation or closure of~~ *installs or closes* underground storage ~~tanks~~ *tank systems.*

(6) "License" means a license issued by the department under 75-11-210 to conduct the installation or closure of underground storage ~~tanks~~ *tank systems and the installation of leak detection devices or cathodic protection systems.*

(7) "Licensed installer" means an individual who holds a valid underground storage tank *system* installer license.

(8) "Operator" means a person in control of or having responsibility for the operation, maintenance, or management of an underground storage tank *system.*

(2) ~~A health care insurer shall establish terms and conditions to be met by providers wishing to enter into an agreement with the health care insurer under subsection (1)(a). These terms and conditions may not discriminate against or among providers. For the purposes of this subsection, price differences among hospitals or other institutional providers produced by a process of individual negotiation or by price differences among different geographical areas or different specialties do not constitute discrimination. A health care insurer may not deny a provider the right to enter into an agreement under subsection (1)(a) if the provider is willing to meet the terms and conditions established in that agreement.~~

(5) An insurer may reserve the right in its request for proposals to reject bids or offers submitted in response to the request, including the lowest cost bid or offer. A bid or offer must be rejected in the manner established in the request for proposals. (b) issue or administer policies or subscriber contracts in this state that include incentives for the insured to use the services of a provider that has entered into an agreement with the insurer pursuant to subsection (1)(a).

(2) A preferred provider agreement issued or delivered in this state may not unfairly deny health benefits for health care services covered.

(3) ~~This part does not require that an insurer negotiate or enter into agreements with any specific provider or class of providers.~~ *A preferred provider agreement entered into or renewed after [the effective date of this act] must provide each health care provider with the opportunity to participate on the basis of a competitive bid or offer. For each health care service that an insurer proposes to obtain for its insureds from a preferred provider in the geographic area covered by the proposal, the insurer shall provide all known providers of the health care service in that area with an equal opportunity to submit a competitive bid or offer to become a preferred provider. Except as provided in subsection (5), the insurer shall issue a request for proposals and shall select the lowest cost bid or offer. If only one bid or offer is received, the insurer may enter into a preferred provider agreement with the health care provider.*

AN ACT PROVIDING THAT A 100 PERCENT DISABLED VETERAN MAY PAY THE SAME FEE FOR ANY MILITARY-RELATED SPECIAL LICENSE PLATE FOR WHICH THE DISABLED VETERAN IS ELIGIBLE AS THE DISABLED VETERAN WOULD PAY FOR A DISABLED VETERAN'S LICENSE PLATE; AMENDING SECTIONS 49-4-302, 61-3-313, 61-3-332, 61-3-452, 61-3-453, 61-3-454, AND 61-3-504, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE.

"**61-3-332.** *(Temporary)* **Number plates.** (1) A motor vehicle that is driven upon the streets or highways of Montana must display both front and rear number plates, bearing the distinctive number assigned the vehicle. The number plates are in 10 series: one series for owners of motorcars, one for owners of motor vehicles of the motorcycle or quadricycle type, one for trailers, one for trucks, one for dealers in vehicles of the motorcycle or quadricycle type that bear the distinctive letters "MCD" or the letters "MC" and the word "DEALER", one for franchised dealers in new motorcars (including trucks and trailers) or new and used motorcars (including trucks and trailers) that bear the distinctive letter "D" or the word "DEALER", one for dealers in used motorcars only (including used trucks and trailers) that bear the distinctive letters "UD" or the letter "U" and the word "DEALER", one for dealers in trailers and/or semi-trailers (new or used) that bear the distinctive letters "DTR" or the letters "TR" and the word "DEALER", one for dealers in recreational vehicles that bear the distinctive letters "RV" or the letter "R" and the word "DEALER", and one for special license plates. All markings for the various kinds of dealers' plates must be placed on the number plates assigned thereto in the position that the department designates.

(2) All number plates for motor vehicles must be issued for a minimum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide non-removable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(3) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section~~, and it shall manufacture the newly designed number plates for issuance after January 1, 1991, to replace, at renewal as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date~~.

(4) In the case of motorcars and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on ~~such~~ *the* license plates, and the word "Montana" and the year must be placed across the plates. ~~Such registration~~ *Registration* plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. (a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and ~~no~~ *a* year number may *not* be indicated ~~thereon~~ *on the plates* because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, irrigation districts organized under the laws of Montana and not operating for profit, and school districts and that are used and operated by officials and employees thereof in line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees thereof in the line of duty, there must be placed on the number plates assigned thereto, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and school districts situated within each of the counties and those of the irrigation districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. ~~No~~ *A* registration or license fee may *not* be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

Any new counties must be assigned numbers by the department as they may be formed, beginning with the number 57.

(10) Each type of special license plate approved by the legislature, except collegiate license plates authorized in 61-3-463, must be a separate series of plates, numbered as provided in subsection (5), except that the county number must be replaced by a nonremovable design or decal designating the group or organization to which the applicant belongs. In years when number plates are not issued, the department shall provide non-removable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(3) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section~~, and it shall manufacture the newly designed number plates for issuance after January 1, 1991, to replace, at renewal as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date~~.

(4) In the case of motorcars and trucks, number plates must be of metal 6 inches wide and 12 inches in length. For number plates issued after 1976, the outline of the state of Montana must be used as a distinctive border on ~~such~~ *the* license plates, and the word "Montana" and the year must be placed across the bottom of the plates. ~~Such registration~~ *Registration* plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(5) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as "A 1" or "AA 1", or any other similar combination of letters and numbers and be numbered consecutively for each series of plates. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimen-

sions of ~~such~~ numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(6) For the use of tax-exempt motor vehicles, in addition to the markings in this section provided, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and ~~no~~ *a* year number may *not* be indicated ~~thereon~~ *on the plates* because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, irrigation districts organized under the laws of Montana and not operating for profit, and school districts and that are used and operated by officials and employees thereof in line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees thereof in the line of duty, there must be placed on the number plates assigned thereto, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and school districts situated within each of the counties and those of the irrigation districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(7) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and tax-exempt trailers, there must appear the letter "T" or the word "TRUCK" on plates assigned to trucks and the letters "TR" or the word "TRAILER" on plates assigned to trailers and housetrailers. The letters "MC" or the word "CYCLE" must appear on plates assigned to vehicles of the motorcycle or quadricycle type.

(8) Number plates issued to a passenger car, truck, trailer, or vehicle of the motorcycle or quadricycle type may be transferred only to a replacement passenger car, truck, trailer, or motorcycle- or quadricycle-type vehicle. ~~No~~ *A* registration or license fee may *not* be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

(9) For the purpose of this chapter, the several counties of the state are assigned numbers as follows: Silver Bow, 1; Cascade, 2; Yellowstone, 3; Missoula, 4; Lewis and Clark, 5; Gallatin, 6; Flathead, 7; Fergus, 8; Powder River, 9; Carbon, 10; Phillips, 11; Hill, 12; Ravalli, 13; Custer, 14; Lake, 15; Dawson, 16; Roosevelt, 17; Beaverhead, 18; Chouteau, 19; Valley, 20; Toole, 21; Big Horn, 22; Musselshell, 23; Blaine, 24; Madison, 25; Pondera, 26; Richland, 27; Powell, 28; Rosebud, 29; Deer Lodge, 30; Teton, 31; Stillwater, 32; Treasure, 33; Sheridan, 34; Sanders, 35; Judith Basin, 36; Daniels, 37; Glacier, 38; Fallon, 39; Sweet Grass, 40; McCone, 41; Carter, 42; Broadwater, 43; Wheatland, 44; Prairie, 45; Granite, 46; Meagher, 47; Liberty, 48; Park, 49; Garfield, 50; Jefferson, 51; Wibaux, 52; Golden Valley, 53; Mineral, 54; Petroleum, 55;

Lincoln, 56. Any new counties must be assigned numbers by the department as they may be formed, beginning with the number 57.

(10) Each type of special license plate approved by the legislature, except collegiate license plates authorized in 61-3-463, must be a separate series of plates, numbered as provided in subsection (5), except that the county number must be replaced by a nonremovable design or decal designating the group or organization to which the applicant belongs. Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of regular license plates, must be placed or mounted on a vehicle owned by the person who is eligible to receive them, and must be removed upon sale or other disposition of the vehicle. (1) "Action" includes recoupment, counterclaim, setoff suit in equity, and any other proceeding in which rights are determined, including an action for possession.

(2) "Case of emergency" is an extraordinary occurrence beyond the tenant's control requiring immediate action to protect the premises or the tenant. A case of emergency may include the interruption of essential services, including heat, electricity, gas, running water, hot water, and sewer and septic system service, or life-threatening events in which the tenant has reasonable apprehension of immediate danger to the tenant or others.

~~(2)~~*(3)* "Court" means the appropriate district court or the appropriate justice's court.

~~(3)~~*(4)* "Dwelling unit" means a structure or the part of a structure that is used as a home, residence, or sleeping place by a person who maintains a household or by two or more persons who maintain a common household. "Dwelling unit", in the case of a person who rents space in a mobile home park but does not rent the mobile home, means the space rented and not the mobile home itself.

~~(4)~~*(5)* "Good faith" means honesty in fact in the conduct of the transaction concerned.

~~(5)~~*(6)* "Landlord" means the owner, lessor, or sublessor of the dwelling unit or the building of which it is a part and also means a manager of the premises who fails to disclose ~~his~~ *a* managerial position.

~~(6)~~*(7)* "Organization" includes a corporation, government, governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, and any other legal or commercial entity.

~~(7)~~*(8)* "Owner" means one or more persons, jointly or severally, in whom is vested all or part of:

(a) the legal title to property; or

(b) the beneficial ownership and a right to present use and enjoyment of the premises, including a mortgagee in possession.

~~(8)~~*(9)* "Person" includes an individual or organization.

~~(9)~~*(10)* "Premises" means a dwelling unit and the structure of which it is a part, the facilities and appurtenances ~~therein~~ *in the structure,* and the grounds, areas, and facilities held out for the use of tenants generally or promised for the use of a tenant.

~~(10)~~*(11)* "Rent" means all payments to be made to the landlord under the rental agreement.

~~(11)~~*(12)* "Rental agreement" means all agreements, written or oral, and valid rules adopted under 70-24-311 embodying the terms and conditions concerning the use and occupancy of a dwelling unit and premises.

~~(12)~~*(13)* "Roomer" means a person occupying a dwelling unit that does not include a toilet, a bathtub or a shower, a refrigerator, a stove, or a kitchen sink, all of which are provided by the landlord and one or more of these facilities are used in common by occupants in the structure.

~~(13)~~*(14)* "Single family residence" means a structure maintained and used as a single dwelling unit. Notwithstanding that a dwelling unit shares one or more walls with another dwelling unit, it is a single family residence if it has direct access to a street or thoroughfare and shares neither heating facilities, hot water equipment, nor any other essential facility or service with another dwelling unit.

~~(14)~~*(15)* "Tenant" means a person entitled under a rental agreement to occupy a dwelling unit to the exclusion of others."

Section 2. Section 70-24-108, MCA, is amended to read:

"**70-24-108. What constitutes notice.** (1) A person has notice of a fact if:

(a) ~~he~~ *the person* has actual knowledge of it;

(b) in the case of a landlord, it is delivered at the place of business of the landlord through which the rental agreement was made; or

(c) in the case of a landlord or tenant, it is delivered in hand to the landlord or tenant or mailed ~~by registered~~ *with a certificate of mailing* or *by* certified mail to ~~him~~ *the person* at the place held out by ~~him~~ *the person* as the place for receipt of the communication or, in the absence of ~~such~~ *a* designation, to ~~his last-known~~ *the person's last-known* address. *If notice is made with a certificate of mailing or by certified mail, service of the notice is considered to have been made upon the date 3 days after the date of mailing.*

(2) Notice received by an organization is effective for a particular transaction from the time it is brought to the attention of the individual conducting that transaction and, in any event, from the time it would have been brought to ~~his~~ *the individual's* attention if the organization had exercised reasonable diligence."

Section 3. Section 70-24-302, MCA, is amended to read:

"**70-24-302. Landlord to deliver possession of dwelling unit.** *(1)* At the commencement of the term, a landlord shall deliver possession of the premises to the tenant in compliance with the rental agreement and 70-24-303. A landlord may bring an action for possession against a person wrongfully in possession.

(2) If a landlord accepts rent or a deposit from a person intending to occupy the premises, the landlord is considered to have given consent for the person to take possession of the property and to have created a landlord-tenant relationship."

Section 4. **Transfer of premises by tenant.** (1) A tenant who vacates a dwelling unit during the term of a tenancy may not allow the possession of the property to be transferred to a third person or sublet the property unless the landlord or the landlord's agent has consented in writing.

(2) The sale or rental of a mobile home located upon a rental lot does not entitle the purchaser or renter to retain rental of the lot unless the purchaser or renter enters into a rental agreement with the owner of the lot.

(3) A mobile home owner who owns the mobile home but rents the lot space has the exclusive right to sell the mobile home without interference or conditions by the landlord. The new purchaser shall make suitable arrangements with the landlord in order to become a tenant on the mobile home lot. The purchase of the mobile home does not automatically entitle the purchaser to rent the mobile home lot.

Section 5. Section 70-24-312, MCA, is amended to read:

"70-24-312. Access to premises by landlord. (1) A tenant may not unreasonably withhold consent to the landlord or ~~his~~ *the landlord's* agent to enter into the dwelling unit in order to inspect the premises, make necessary or agreed repairs, decorations, alterations, or improvements, supply necessary or agreed services, or exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors.

(2) A landlord may enter the dwelling unit without consent of the tenant in case of emergency.

(3) A landlord may not abuse the right of access or use it to harass the tenant. Except in case of emergency or unless it is impracticable to do so, the landlord shall give the tenant at least 24 hours' notice of ~~his~~ *the* intent to enter and may enter only at reasonable times.

(4) A landlord has no other right of access except:

(a) pursuant to court order;

(b) as permitted by 70-24-425 and 70-24-426(2); or

(c) when the tenant has abandoned or surrendered the premises.

(5) A tenant may not remove a lock or replace or add a lock not supplied by the landlord to the premises without the written permission of the landlord. If a tenant removes a lock or replaces or adds a lock not supplied by the landlord to the premises, the tenant shall provide the landlord with a key to ensure that the landlord will have the right of access as provided by this chapter."

Section 6. Section 70-24-321, MCA, is amended to read:

"70-24-321. Tenant to maintain dwelling unit. (1) A tenant shall:

(a) comply with all obligations primarily imposed upon tenants by applicable provisions of building and housing codes materially affecting health and safety;

(b) keep that part of the premises that ~~he~~ *the tenant* occupies and uses as reasonably clean and safe as the condition of the premises permits;

(c) dispose from ~~his~~ *the* dwelling unit all ashes, garbage, rubbish, and other waste in a clean and safe manner;

(d) keep all plumbing fixtures in the dwelling unit or used by the tenant as clean as their condition permits;

(e) use in a reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air-conditioning, and other facilities and appliances, including elevators, in the premises;

(f) conduct ~~himself~~ *oneself* and require other persons on the premises with ~~his~~ *the tenant's* consent to conduct themselves in a manner that will not disturb ~~his~~ *the tenant's* neighbors' peaceful enjoyment of the premises; and

(g) use the parts of the premises including the living room, bedroom, kitchen, bathroom, and dining room in a reasonable manner considering the purposes for which they were designed and intended. *This section does not preclude the right of the tenant to operate a limited business or cottage industry on the premises, subject to state and local laws, provided the landlord has consented in writing. The landlord may not unreasonably withhold consent, provided that the limited business or cottage industry is operated within reasonable rules of the landlord.*

(2) A tenant may not destroy, deface, damage, impair, or remove any part of the premises or permit any person to do so."

Section 7. Section 70-24-401, MCA, is amended to read:

"**70-24-401. Administration of remedies — enforcement.** (1) The remedies provided by this chapter ~~shall be so~~ *must be* administered *so* that an aggrieved party may recover appropriate damages. The aggrieved party has a duty to mitigate damages.

(2) A right or obligation declared by this chapter is enforceable by action unless the provision declaring it specifies a different and limited effect.

(3) Rules and regulations that are not a part of this chapter and that affect the relationship between the landlord and tenant must be uniformly and fairly applied and enforced."

Section 8. Section 70-24-406, MCA, is amended to read:

"**70-24-406. Failure of landlord to maintain premises — tenant's remedies.** (1) Except as provided in this chapter, if there is a noncompliance with 70-24-303 affecting health and safety, the tenant may:

(a) deliver a written notice to the landlord specifying the acts and omissions constituting the breach and that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice if the breach is not remedied in 14 days. *If the noncompliance results in a case of emergency and the landlord fails to remedy the situation within 3 working days after written notice by the tenant of the situation and the tenant's intention to terminate the rental agree-*

ment, the tenant may terminate the rental agreement. The rental agreement terminates as provided in the notice subject to the following exceptions:

(i) if the breach is remediable by repairs, the payment of damages, or otherwise and the landlord adequately remedies the breach before the date specified in the notice, the rental agreement does not terminate by reason of the breach;

(ii) if substantially the same act or omission which constituted a prior noncompliance of which notice was given recurs within 6 months, the tenant may terminate the rental agreement upon at least 14 days' written notice specifying the breach and the date of termination of the rental agreement;

(iii) the tenant may not terminate for a condition caused by ~~himself~~ *the tenant,* a member of ~~his~~ *the tenant's* family, or other persons on the premises with ~~his~~ *the tenant's* consent;

(b) make repairs ~~himself~~ that do not cost more than 1 month's rent and deduct the cost from the rent if ~~he~~ *the tenant* has given the landlord notice and ~~he~~ *the landlord* has not made the repairs within a reasonable time. *If the repair is required in a case of emergency and the landlord has not made the repairs, the tenant may have repairs made only by a person qualified to make the repairs.*

(2) Except as provided in this chapter, the tenant may recover actual damages and obtain injunctive relief for any noncompliance by the landlord with the rental agreement or 70-24-303.

(3) The remedy provided in subsection (2) of this section is in addition to a right of the tenant arising under subsection (1).

(4) If the rental agreement is terminated, the landlord shall return all security recoverable by the tenant pursuant to chapter 25 of this title."

Section 9. Section 70-24-422, MCA, is amended to read:

"**70-24-422. Noncompliance of tenant generally — landlord's right of termination — damages — injunction.** (1) Except as provided in this chapter, if there is a noncompliance by the tenant with the rental agreement or a noncompliance with 70-24-321 affecting health and safety, the landlord may deliver a written notice to the tenant pursuant to 70-24-108 specifying the acts and omissions constituting the breach and that the rental agreement will terminate upon a date not less than 14 days after receipt of the notice. If the breach is not remedied within that time, the rental agreement terminates as provided in the notice subject to the following exceptions:

(a) If the breach is remediable by repairs, the payment of damages, or otherwise and the tenant adequately remedies the breach before the date specified in the notice, the rental agreement does not terminate.

(b) If substantially the same act or omission which constituted a prior noncompliance of which notice was given recurs within 6 months, the landlord may terminate the rental agreement upon at least 5 days' written notice specifying the breach and the date of the termination of the rental agreement.

(2) (a) Except as provided in subsection (2)(b), if rent is unpaid when due and the tenant fails to pay rent within 3 days after written notice by the landlord

of nonpayment and ~~his~~ *the landlord's* intention to terminate the rental agreement if the rent is not paid within that period, the landlord may terminate the rental agreement.

(b) For a rental agreement involving a tenant who rents space to park a mobile home but who does not rent the mobile home, the notice period referred to in subsection (2)(a) is 15 days.

(3) If the tenant destroys, defaces, damages, impairs, or removes any part of the premises in violation of 70-24-321(2), the landlord may terminate the rental agreement upon giving 3 days' written notice specifying the breach under the provisions of 70-24-321(2).

(4) Except as provided in this chapter, the landlord may recover actual damages and obtain injunctive relief for any noncompliance by the tenant with the rental agreement or 70-24-321. Except as provided in subsection (5), if the tenant's noncompliance is purposeful, the landlord may recover treble damages.

(5) Treble damages may not be recovered for the tenant's early termination of the tenancy.

(6) The landlord is not bound by this section in the event the landlord elects to use the 30-day notice for termination of tenancy as provided in 70-24-441."

Section 10. Section 70-24-424, MCA, is amended to read:

"**70-24-424. Refusal of access — landlord's remedies.** *(1)* If the tenant refuses to allow lawful access, the landlord may either obtain injunctive relief to compel access or terminate the rental agreement. In either case the landlord may recover actual damages.

(2) If a tenant removes a lock or replaces or adds a lock not supplied by the landlord to the premises and fails to provide a key as required by 70-24-312(5), the landlord may either obtain injunctive relief or terminate the rental agreement."

Section 11. **Codification instruction.** [Section 4] is intended to be codified as an integral part of Title 70, chapter 24, part 3, and the provisions of Title 70, chapter 24, part 3, apply to [section 4].

FEDERAL LANDS; AND AMENDING SECTIONS 82-4-203, 82-4-226, AND 82-4-227, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 82-4-203, MCA, is amended to read:

"**82-4-203. Definitions.** Unless the context requires otherwise, in this part the following definitions apply:

(1) "Abandoned" means an operation where no mineral is being produced and where the department determines that the operation will not continue or resume.

(2) "Alluvial valley floor" means the unconsolidated stream-laid deposits holding streams where water availability is sufficient for subirrigation or flood irrigation agricultural activities; but the term does not include upland areas which are generally overlain by a thin veneer of colluvial deposits composed chiefly of debris from sheet erosion, deposits by unconcentrated runoff or slope wash, together with talus, other mass movement accumulation, and windblown deposits.

(3) "Aquifer" means any geologic formation or natural zone beneath the earth's surface that contains or stores water and transmits it from one point to another in quantities which permit or have the potential to permit economic development as a water source.

(4) "Area of land affected" means the area of land from which overburden is to be or has been removed and upon which the overburden is to be or has been deposited and includes all land overlying any tunnels, shafts, or other excavations used to extract the mineral, lands affected by the construction of new railroad loops and roads or the improvement or use of existing railroad loops and roads to gain access and to haul the mineral, processing facilities at or near the mine site or other mine associated facilities, waste deposition areas, treatment ponds, and any other surface or subsurface disturbance associated with strip mining or underground mining, and all activities necessary and incident to the reclamation of such operations.

(5) "Bench" means the ledge, shelf, table, or terrace formed in the contour method of strip mining.

(6) "Board" means the board of land commissioners provided for in Article X, section 4, of the constitution of this state.

(7) "Coal conservation plan" means the planned course of conduct of a strip- or underground-mining operation to include plans for the removal and utilization of minable and marketable coal located within the area planned to be mined.

(8) "Coal preparation" means the chemical or physical processing of coal and its cleaning, concentrating, or other processing or preparation. The term does not mean the conversion of coal to another energy form or to a gaseous or liquid hydrocarbon, except for incidental amounts that do not leave the plant, nor does the term mean processing for other than commercial purposes.

(9) "Coal preparation plant" means a commercial facility where coal is subject to coal preparation. The term includes commercial facilities associated

with coal preparation activities but is not limited to loading buildings, water treatment facilities, water storage facilities, settling basins and impoundments, and coal processing and other waste disposal areas.

(10) "Commissioner" means the commissioner of state lands provided for in 2-15-3202.

(11) "Contour strip mining" means that strip-mining method commonly carried out in areas of rough and hilly topography in which the coal or mineral seam outcrops along the side of the slope and entrance is made to the seam by excavating a bench or table cut at and along the site of the seam outcropping with the excavated overburden commonly being cast down the slope below the mineral seam and the operating bench.

(12) "Degree" means from the horizontal and in each case is subject to a tolerance of 5% error.

(13) "Department" means the department of state lands provided for in Title 2, chapter 15, part 32.

(14) "Failure to conserve coal" means the nonremoval or nonutilization of minable and marketable coal by an operation, provided that the nonremoval or nonutilization of minable and marketable coal in accordance with reclamation standards established by the department ~~shall~~ *may* not be considered failure to conserve coal.

(15) "Fill bench" means that portion of a bench or table which is formed by depositing overburden beyond or downslope from the cut section as formed in the contour method of strip mining.

(16) "Imminent danger to the health and safety of the public" means the existence of any condition or practice or any violation of a permit or other requirement of this part in a strip- or underground-coal-mining and reclamation operation that could reasonably be expected to cause substantial physical harm to persons outside the permit area before ~~such~~ *the* condition, practice, or violation can be abated. A reasonable expectation of death or serious injury before abatement exists if a rational person, subjected to the same conditions or practices giving rise to the peril, would not ~~expose himself or herself~~ *willingly be exposed* to the danger during the time necessary for abatement.

(17) "Marketable coal" means a minable coal that is economically feasible to mine and is fit for sale in the usual course of trade.

(18) "Method of operation" means the method or manner by which the cut, open pit, shaft, or excavation is made, the overburden is placed or handled, water is controlled, and other acts are performed by the operator in the process of uncovering and removing the minerals that affect the reclamation of the area of land affected.

(19) "Minable coal" means that coal which can be removed through strip- or underground-mining methods adaptable to the location that coal is being mined or is planned to be mined.

(20) "Mineral" means coal and uranium.

(21) "Operation" means all of the premises, facilities, railroad loops, roads, and equipment used in the process of producing and removing mineral from and reclaiming a designated strip-mine or underground-mine area, including coal preparation plants, and all activities, including excavation incident ~~thereto~~ *to operations*, or prospecting for the purpose of determining the location, quality, or quantity of a natural mineral deposit.

(22) "Operator" means a person engaged in strip mining or underground mining who removes or intends to remove more than 10,000 cubic yards of mineral or overburden or a person engaged in coal mining who removes or intends to remove more than 250 tons of coal from the earth by mining within 12 consecutive calendar months in any one location or a person engaged in operating a coal preparation plant.

(23) "Overburden" means all of the earth and other materials ~~which~~ *that* lie above a natural mineral deposit and also means ~~such~~ *the* earth and other material after removal from their natural state in the process of mining.

(24) "Person" means a person, partnership, corporation, association, or other legal entity or any political subdivision or agency of the state or federal government.

(25) "Prime farmland" means that land previously prescribed by the United States secretary of agriculture on the basis of such factors as moisture availability, temperature regime, chemical balance, permeability, surface-layer composition, susceptibility to flooding, and erosion characteristics and which historically has been used for intensive agricultural purposes and as defined in the Federal Register.

(26) "Prospecting" means the removal of overburden, core drilling, construction of roads, or any other disturbance of the surface for the purpose of determining the location, quantity, or quality of a natural mineral deposit*;* ~~and, on areas designated unsuitable for coal mining pursuant to 82-4-227 and 82-4-228,~~ the gathering of surface or subsurface geologic, physical, or chemical data by mapping, trenching, geophysical, or other techniques necessary to determine the quality and quantity of overburden ~~and coal~~ in an area*;* ~~and~~ *or* the gathering of environmental data to establish the conditions of an area before beginning strip- or underground-coal-mining and reclamation operations under this part.

(28) "Remining" means conducting surface coal mining and reclamation operations that affect previously mined areas (for example, the recovery of additional mineral from existing gob or tailings piles).

(29) "Strip mining" means any part of the process followed in the production of mineral by the opencut method, including mining by the auger method or any similar method ~~which~~ *that* penetrates a mineral deposit and removes mineral directly through a series of openings made by a machine ~~which~~ *that* enters the deposit from a surface excavation or any other mining method or process in

which the strata or overburden is removed or displaced in order to recover the mineral. For the purposes of this part only, strip mining also includes remining and coal preparation. The terms "remining" and "coal preparation" are not included in the definition of "strip mining" for purposes of Title 15, chapter 35, part 1.

(30) "Subsidence" means a vertically downward movement of overburden materials resulting from the actual mining of an underlying mineral deposit or associated underground excavations.

(31) "Surface owner" means a person who holds legal or equitable title to the land surface and whose principal place of residence is on the land or who personally conducts farming or ranching operations upon a farm or ranch unit to be directly affected by strip-mining operations or who receives directly a significant portion of ~~his~~ income, if any, from ~~such~~ farming or ranching operations or the state of Montana where the state owns the surface.

(32) "Topsoil" means the unconsolidated mineral matter naturally present on the surface of the earth that has been subjected to and influenced by genetic and environmental factors of parent material, climate, macroorganisms and microorganisms, and topography, all acting over a period of time, and that is necessary for the growth and regeneration of vegetation on the surface of the earth.

(33) "Underground mining" means any part of the process followed in the production of a mineral such that vertical or horizontal shafts, slopes, drifts, or incline planes connected with excavations penetrating the mineral stratum or strata are utilized and includes mining by in situ methods.

(34) "Unwarranted failure to comply" means the failure of a permittee to prevent the occurrence of any violation of ~~his~~ *a* permit or any requirement of this part due to indifference, lack of diligence, or lack of reasonable care, or the failure to abate any violation of ~~such~~ *a* permit or this part due to indifference, lack of diligence, or lack of reasonable care.

(35) "Waiver" means any document ~~which~~ *that* demonstrates the clear intention to release rights in the surface estate for the purpose of permitting the extraction of subsurface minerals by strip-mining methods.

(36) "Written consent" means ~~such~~ *a* written statement ~~as is~~ executed by the owner of the surface estate, upon a form approved by the department, demonstrating that ~~such~~ *the* owner consents to entry of an operator for the purpose of conducting strip-mining operations and that ~~such~~ *the* consent is given only to ~~such~~ strip-mining and reclamation operations ~~which~~ *that* fully comply with the terms and requirements of this part."

Section 2. Section 82-4-226, MCA, is amended to read:

"**82-4-226. Prospecting permit.** (1) ~~On~~ *Except as provided in subsection (8)* ~~and after March 16, 1973~~, prospecting by any person on land not included in a valid strip-mining or underground-mining permit ~~shall be~~ *is* unlawful without possessing a valid prospecting permit issued by the department as provided in this section. ~~No~~ *A* prospecting permit ~~shall~~ *may not* be issued until the person submits an application, the application is examined, amended if necessary, and approved by the department, and adequate reclamation performance bond is posted, all of which prerequisites must be done in conformity with the requirements of this part.

(2) An application for a prospecting permit ~~shall~~ *must* be made in writing, notarized, and submitted to the department in duplicate upon forms prepared and furnished by it. The application ~~shall~~ *must* include among other things a prospecting map and a prospecting reclamation plan of substantially the same character as required for a surface-mining or underground-mining map and reclamation plan under this part. The department shall determine by rules the precise nature of ~~such~~ *the* required prospecting map and reclamation plan. Any applicant who intends to prospect by means of core drilling shall specify the location and number of holes to be drilled, methods to be used in sealing aquifers, and ~~such~~ other information as may be required by the department. The applicant ~~must~~ *shall* state what types of prospecting and excavating techniques will be employed on the affected land. The application shall also include any other or further information the department may require.

(3) The application ~~shall~~ *must* be accompanied by a fee of $100. This fee ~~shall~~ *must* be used as a credit toward the strip-mining or underground-mining permit fee provided by this part if the area covered by the prospecting permit becomes covered by a valid surface-mining or underground-mining permit obtained before or at the time the prospecting permit expires.

(4) Before the department gives final approval to the prospecting permit application, the applicant shall file with the department a reclamation and revegetation bond in a form and in an amount as determined in the same manner for strip-mining or underground-mining reclamation and revegetation bonds under this part.

(5) In the event that the holder of a prospecting permit desires to strip mine or underground mine the area covered by the prospecting permit and has fulfilled all the requirements for a strip-mining or underground-mining permit, the department may permit the postponement of the reclamation of the acreage prospected if that acreage is incorporated into the complete reclamation plan submitted with the application for a strip-mining or underground-mining permit. Any land actually affected by prospecting or excavating under a prospecting permit and not covered by the strip-mining or underground-mining reclamation plan ~~shall~~ *must* be promptly reclaimed.

(6) The prospecting permit ~~shall be~~ *is* valid for 1 year and ~~shall be~~ *is* subject to renewal, suspension, and revocation in the same manner as strip-mining or underground-mining permits under this part.

(7) The holder of the prospecting permit shall file with the department the same progress reports, maps, and revegetation progress reports as are required of strip-mining or underground-mining operators under this part.

(8) Prospecting that is not conducted in an area designated unsuitable for coal mining pursuant to 82-4-227 or 82-4-228 and that is not conducted for the purpose of determining the location, quality, or quantity of a natural mineral deposit is not subject to subsections (1) through (7). However, a person who conducts this prospecting shall file with the department a notice of intent to prospect, containing the information required by the department, before commencing prospecting operations. If this prospecting substantially disturbs the

natural land surface, it must be conducted in accordance with the performance standards of the department's rules regulating the conduct and reclamation of prospecting operations that remove coal. The department may inspect these prospecting and reclamation operations at any reasonable time."

Section 3. Section 82-4-227, MCA, is amended to read:

"**82-4-227. Refusal of permit.** (1) An application for a prospecting, strip-mining, or underground-mining permit or major revision ~~shall~~ *may* not be approved by the department unless, on the basis of the information set forth in the application, an onsite inspection, and an evaluation of the operation by the department, the applicant has affirmatively demonstrated that the requirements of this part and rules will be observed and that the proposed method of operation, backfilling, grading, subsidence stabilization, water control, highwall reduction, topsoiling, revegetation, or reclamation of the affected area can be carried out consistently with the purpose of this part. The applicant for a permit or major revision has the burden of establishing that ~~his~~ *the* application is in compliance with this part and the rules adopted under it.

(2) The department ~~shall~~ *may* not approve the application for a prospecting, strip-mining, or underground-mining permit where the area of land described in the application includes land having special, exceptional, critical, or unique characteristics or that mining or prospecting on that area would adversely affect the use, enjoyment, or fundamental character of neighboring land having special, exceptional, critical, or unique characteristics. For the purposes of this part, land is defined as having ~~such~~ *these* characteristics if it possesses special, exceptional, critical, or unique:

(a) biological productivity, the loss of which would jeopardize certain species of wildlife or domestic stock;

(b) ecological fragility, in the sense that the land, once adversely affected, could not return to its former ecological role in the reasonable foreseeable future;

(c) ecological importance, in the sense that the particular land has such a strong influence on the total ecosystem of which it is a part that even temporary effects felt by it could precipitate a system-wide reaction of unpredictable scope or dimensions; or

(d) scenic, historic, archaeologic, topographic, geologic, ethnologic, scientific, cultural, or recreational significance. (In applying this subsection, particular attention should be paid to the inadequate preservation previously accorded Plains Indian history and culture.)

(3) The department may not approve an application for a strip- or underground-coal-mining permit or major revision unless the application affirmatively demonstrates that:

(a) the assessment of the probable cumulative impact of all anticipated mining in the area on the hydrologic balance has been made by the department and the proposed operation ~~thereof~~ *of the mining operation* has been designed to prevent material damage to the hydrologic balance outside the permit area; and

(b) the proposed strip- or underground-coal-mining operation would not:

(i) interrupt, discontinue, or preclude farming on alluvial valley floors that are irrigated or naturally subirrigated, excluding undeveloped rangelands that are not significant to farming on alluvial valley floors and those lands as to which the regulatory authority finds that if the farming that will be interrupted, discontinued, or precluded is of such small acreage as to be of negligible impact on the farm's agricultural production; or

(ii) materially damage the quantity or quality of water in surface water or underground water systems that supply these valley floors in subsection (3)(b)(i).

(4) Subsection (3)(b) does not affect those strip- or underground-coal-mining operations that in the year preceding the enactment of Public Law 95-87 produced coal in commercial quantities and were located within or adjacent to alluvial valley floors or had obtained specific permit approval by the department to conduct strip- or underground-coal-mining operations within alluvial valley floors. If coal deposits are precluded from being mined under this subsection, the commissioner shall certify to the secretary of interior that the mineral owner or lessee may be eligible for participation in coal exchange programs pursuant to section 510(5) of Public Law 95-87.

(5) If the area proposed to be mined contains prime farmland, the department may not grant a permit to mine coal on the prime farmland unless it finds in writing that the applicant has the technological capability to restore the mined area, within a reasonable time, to equivalent or higher levels of yield as nonmined prime farmland in the surrounding area under equivalent levels of management and can meet the soil reconstruction standards of 82-4-232(3). Nothing in this subsection applies to any permit issued prior to August 3, 1977, or to any revisions or renewals thereof, or to any existing strip- or underground-mining operations for which a permit was issued prior to August 3, 1977.

(6) If the department finds that the overburden on any part of the area of land described in the application for a prospecting, strip-mining, or underground-mining permit is such that experience in the state with a similar type of operation upon land with similar overburden shows that substantial deposition of sediment in streambeds, subsidence, landslides, or water pollution cannot feasibly be prevented, the department shall delete that part of the land described in the application upon which the overburden exists. The burden is on the applicant to demonstrate that any area should not be deleted under this subsection.

(7) If the department finds that the operation will constitute a hazard to a dwelling house, public building, school, church, cemetery, commercial or institutional building, public road, stream, lake, or other public property, the department shall delete those areas from the prospecting, strip-mining, or underground-mining permit application before it can be approved. In no case may strip- or underground-coal-mining be allowed within 300 feet of any occupied dwelling, unless waived by the owner, nor within 300 feet of any public building, school, church, community, or institutional building, or public park; nor within 100 feet of a cemetery; nor within 100 feet of the outside right-of-way line of any public road, except where mine access roads or haulage roads join ~~such~~ *the* right-of-way line. The department may permit ~~such~~ *the* roads to be relocated or the area affected to lie within 100 feet of the road if, after public notice and opportunity for public hearing in the locality, a written finding is

made that the interests of the public and the landowners affected will be protected.

(8) No strip- or underground-mining may be conducted within 500 feet of active or abandoned underground mines in order to prevent breakthroughs and to protect health or safety of miners. The department shall permit an operator to mine near, through, or partially through an abandoned underground mine or closer to an active underground mine if:

(a) the nature, timing, and sequencing of specific strip-mine activities and specific underground-mine activities are jointly approved by the department and the regulatory authority concerned with the health and safety of underground miners; and

(b) ~~such~~ *the* operations will result in improved resource recovery, abatement of water pollution, or elimination of hazards to the health and safety of the public.

(9) The department may not approve an application for a strip- or underground-coal-mining operation if the area proposed to be mined is included within an area designated unsuitable for strip or underground coal mining or within an area under review for this designation under an administrative proceeding, unless in such an area as to which an administrative proceeding has commenced pursuant to this part, the operator making the permit application demonstrates that prior to January 1, 1977, ~~he~~ *the operator* made substantial legal and financial commitments in relation to the operation for which ~~he~~ *the operator* is applying for a permit.

(10) ~~No~~ *A* permit or major permit revision for a strip- or underground-coal-mining operation may *not* be issued unless the applicant has affirmatively demonstrated by its coal conservation plan that ~~no~~ failure to conserve coal will *not* occur. The department may require the applicant to submit any information it considers necessary for review of the coal conservation plan.

(11) Whenever information available to the department indicates that any strip- or underground-coal-mining operation owned or controlled by the applicant *or by any person who owns or controls the applicant* is currently in violation of Public Law 95-87, as amended, or any state law required by Public Law 95-87, as amended, or any law, rule, or regulation of the United States or of any department or agency in the United States pertaining to air or water environmental protection, the department ~~shall~~ *may* not issue a strip- or underground-coal-mining permit or ~~major revision~~ *amendment, other than an incidental boundary revision,* until the applicant submits proof that the violation has been corrected or is in the process of being corrected to the satisfaction of the administering agency.

(12) The department may not issue a strip- or underground-coal-mining permit or ~~major revision~~ *amendment, other than an incidental boundary revision,* to any applicant ~~which~~ *that* it finds, after an opportunity for hearing, owns or controls any strip- or underground-coal-mining operation ~~which~~ *that* has demonstrated a pattern of willful violations of Public Law 95-87, as amended, or any state law required by Public Law 95-87, as amended, of ~~such~~ a nature and duration and with ~~such~~ resulting irreparable damage to the environment to indicate an intent not to comply with the provisions of this part.

(13) Subject to valid existing rights, no strip- or underground-coal-mining operations except those ~~which~~ *that* existed as of August 3, 1977, may be conducted on ~~private~~ lands within the boundaries of units of the national park system, the national wildlife refuge systems, the national wilderness preservation system, the wild and scenic rivers system, including study rivers designated under section 5(a) of the Wild and Scenic Rivers Act, or national recreation areas designated by act of congress."

The department shall immediately notify the person ~~so~~ assessed of its action, either by certified ~~or registered~~ mail or by personal service of ~~such~~ *the* notice.

(2) Upon receiving an assessment made pursuant to subsection (1), the taxpayer has the following remedies:

Section 4. Section 15-15-103, MCA, is amended to read:

"**15-15-103. Examination of applicant — failure to hear application.** (1) Before the county tax appeal board grants any application or makes any reduction applied for, it must examine on oath the person or agent making the application, touching the value of the property of each person. No reduction must be made unless such person or agent makes an application, as provided in 15-15-102, and attends and answers all questions pertinent to the inquiry. The testimony of all witnesses upon such hearing must be taken in shorthand or by stenotype or electronically recorded and preserved for 1 year. If the decision of the county tax appeal board is appealed, all testimony must be transcribed or otherwise reduced to writing and forwarded, together with all exhibits, to the state tax appeal board. The date of hearing, the proceedings before the board, and the decision must be entered upon the minutes of the board, and the board shall notify the applicant of its decision by mail within 3 days thereafter. A copy of the minutes of the county tax appeal board must be transmitted to the state tax appeal board no later than 3 days after the board holds its final hearing of the year.

(2) If a county tax appeal board refuses or fails to hear a taxpayer's timely application for a reduction in valuation of property, *the taxpayer's application is considered to be granted on the day following the board's final meeting for that year. The county treasurer shall enter the appraisal or classification sought in the application in the assessment book. An application is not automatically granted for the following appeals:* ~~except that~~

(a) those listed in 15-2-302~~,~~*; and*

(b) if a taxpayer's appeal from the department's determination of classification or appraisal made pursuant to 15-7-102 was not received in time, as provided for in 15-15-102, to be considered by the board during its current 60-day session ~~the taxpayer's application is considered to be granted on the day following the board's final meeting for that year. The county treasurer shall enter the appraisal or classification sought in the application in the assessment book~~."

Section 5. **Effective date — retroactive applicability.** [This act] is effective on passage and approval and applies retroactively, within the meaning of 1-2-109, to objections submitted under 15-7-102(3) after December 31, 1992.

Approved March 30, 1993.

Other alcoholic beverages not defined ~~as above~~ *in this subsection* but made in the manner of wine and labeled and sold as wine in accordance with federal regulations are also wine."

Section 2. Section 16-2-101, MCA, is amended to read:

"16-2-101. Establishment and closure of state liquor stores — *agency franchise agreement* — kinds and prices of liquor and table wine. (1) (a) The department shall establish and maintain one or more stores, to be known as "state liquor stores", as the department finds feasible for the sale of liquor and table wine in accordance with the provisions of this code and the rules ~~made thereunder~~ *adopted under this code.*

(b) The department shall enter into an agency *franchise* agreement or employ the necessary help to operate ~~said~~ *the* stores and shall designate the duties to be performed by the agent or employees.

(c) Once established, a store ~~shall~~ *may* not be closed, converted to an agency store, or sold by the department unless:

(i) the store is returning less than a 10% profit to the state; or

(ii) the closure or sale is approved by the legislature.

(2) The department may from time to time fix the prices at which the various classes, varieties, and brands of liquor and table wine may be sold, and prices ~~shall~~ *must* be the same at all state stores.

(3) (a) State liquor stores must be considered for closure, conversion, or sale only when a store lease expires. Prior to the expiration of a lease, the department may conduct a financial profitability analysis using the criteria in subsection (1)(c)(i). In computing profit levels of state-operated stores, the costs of the licensing bureau and the legal and enforcement division, other than inspection costs directly attributable to liquor stores, may not be included as expenses. The revenue oversight committee must be informed of all plans for conversion, sale, or closure of state liquor stores.

(b) ~~No agency~~ *Agency* stores ~~shall~~ *may not* be located in or adjacent to grocery stores in communities with populations over 3,000. This provision is applicable only to agency agreements entered into after May 11, 1987.

(4) Agency stores must receive commissions based on adjusted gross sales as follows:

(a) a 10% commission for agencies in communities with less than 3,000 in population;

(b) a commission established by competitive bidding for agencies in communities with 3,000 or more in population.

(5) An agency franchise agreement must:

(a) be effective for a 10-year period and may be renewed every 10 years if the requirements of the agency franchise agreement have been satisfactorily performed;

(b) require the agent to maintain comprehensive general liability insurance and liquor liability insurance throughout the term of the agency franchise agreement in an amount established by the department of administration. The insurance policy must:

(i) declare the department as an additional insured; and

(ii) hold the state harmless and agree to defend and indemnify the state in a cause of action arising from or in connection with the agent's negligent acts or activities in the execution and performance of the agency franchise agreement;

(c) require the agent to provide performance security in an amount equal to the average monthly value of inventory at cost based on the most recent 12-month period of inventory value at the agency store location or, if a 12-month history is not available, the department's estimate of the average value; and

(d) specify the reasonable service and space requirements that the agent will provide throughout the term of the agency franchise agreement.

(6) The commission percentage that the department pays the agent under an agency franchise agreement may be reviewed every 5 years at the request of either party. If the agent concurs, the department may adjust the commission percentage to be paid during the remaining term of the agency franchise agreement to a commission percentage that is equal to the average commission percentage being paid agents with similar sales volumes if:

(a) the agent's commission percentage is less than the average; and

(b) all the requirements of the agency franchise agreement have been satisfactorily performed.

(7) The liability insurance and performance security requirements may be reviewed every 5 years at the request of either the agent or the department. If the agent concurs, the department may adjust the requirements to be effective during the remaining term of the agency franchise agreement if the adjustments adequately protect the state from risks associated with the loss of state assets or from the agent's negligent acts or activities in the execution and performance of the agency franchise agreement. The amount of insurance coverage may not be less than the minimum requirements of the department of administration.

(8) (a) Except as provided in subsection (8)(b), an agency franchise agreement must be renewed for additional 10-year periods if the agent has satisfactorily performed all the requirements of the agency franchise agreement. Except for establishing the new term and except for a commission percentage that may be negotiated as provided in subsection (8)(b), changes in the agency franchise agreement as a result of a renewal may not be made unless the agent and the department mutually agree.

(b) If at least 90 days prior to the expiration of a 10-year agency franchise agreement, the department determines that an adjustment of the commission percentage paid to the agent is in the best interests of the state, the department shall notify the agent of that determination.

(c) If the agent does not concur with the department's commission percentage adjustment, the department shall advertise for bids for the agency franchise at the adjusted commission percentage, subject to the provisions of this chapter. If bids from persons who meet the criteria provided in this chapter are received by the department for the agency franchise at the adjusted commission percentage, the agent under the existing franchise agreement has a preference right to renew the franchise agreement by concurring in the adjusted commission percentage.

(d) If the agent under the existing franchise agreement declines to exercise the preference right under subsection (8)(c), the department shall enter into an agency franchise agreement as provided in this chapter with a person who accepted the adjusted commission percentage.

(e) If the agent exercises the preference right and believes the adjusted commission percentage to be inadequate or not in the best interests of the state, the agent may request an administrative hearing. The request must contain a statement of reasons why the agent believes the commission percentage to be inadequate or not in the state's best interests. The department shall grant the request for a hearing if it determines that the statement indicates evidence that the adjusted commission percentage is inadequate or not in the state's best interests. The department may, after the hearing, adjust the commission percentage if the agent shows that the commission percentage is inadequate or not in the best interests of the state. If the department increases the commission percentage rate, the department shall set forth its findings and conclusions in writing and inform the agent and the other persons who offered to enter into an agency agreement at the adjusted commission rate.

(9) The department may terminate an agency franchise agreement if the agent has not satisfactorily performed the requirements of the agency franchise agreement or in the following cases:

(a) Except in the case of suspected theft or unauthorized use of state assets, the department shall give an agent 30 days' notice of its intent to terminate the agency franchise agreement for cause and specify the unmet requirements. The agent may contest the agency franchise agreement termination and request a hearing within 30 days. If a hearing is requested, the department shall suspend its termination order until after a final decision has been made pursuant to the Montana Administrative Procedure Act.

(b) If an agent is suspected of theft or unauthorized use of state assets, the department may terminate the agency franchise agreement and retrieve its assets immediately. If an agency franchise agreement is terminated, the agent may contest the agency franchise agreement termination and request a hearing within 30 days of the department's retrieval of assets. The agency store shall remain closed until a final decision has been reached following a hearing held pursuant to the Montana Administrative Procedure Act.

(10) An agency franchise agreement may be terminated upon mutual agreement by the agent and the department.

(11) An agent may assign an agency franchise agreement to a person who, upon approval of the department, is named agent in the agency franchise agreement, with the rights, privileges, and responsibilities of the original agent for the remaining term of the agency franchise agreement. The agent shall notify the department of an intent to assign the agency franchise agreement 60 days before the intended effective date of the assignment. The department may not unreasonably withhold approval of an assignment request.

(12) An agency agreement in effect on [the effective date of this act] must be converted upon request of the agent and approval of the department to a 10-year agency franchise agreement pursuant to subsections (5) through (11) without competitive bids or proposals.

~~(5)~~*(13)* The department shall maintain sufficient inventory in the state warehouse in order to meet a monthly service level of at least 97%."

Section 3. Section 18-4-313, MCA, is amended to read:

"**18-4-313. Contracts — terms, extensions, and time limits.** (1) Unless otherwise provided by law, ~~no~~ *a* contract, lease, or rental agreement for supplies or services may *not* be made for a longer period than 3 years; however, the department may contract for the lease or purchase of telecommunications equipment and systems, data processing equipment, *the department of revenue liquor agencies,* and the department of social and rehabilitation services medicaid management information system (MMIS) for a period not to exceed 10 years. A contract, lease, or rental agreement may be extended or renewed, notwithstanding the time limits stated in this section, if the terms of the extension or renewal, if any, are included in the solicitation and funds are available for the first fiscal period at the time of the agreement. Payment and performance obligations for succeeding fiscal periods are subject to the availability and appropriation of funds ~~therefor~~ *for the fiscal periods.*

(2) Prior to the extension or renewal of a contract, it must be determined in writing that:

(a) estimated requirements cover the period of the contract and are reasonably firm and continuing; and

(b) the contract will serve the best interests of the state by encouraging effective competition or otherwise promoting economies in state procurement.

(3) When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract must be canceled."

Section 4. **Continuity of existing agency agreements.** An existing agency agreement that terminates after [the effective date of this act] but before it is converted to an agency franchise agreement is automatically extended until an agency franchise agreement is signed or for 6 months from [the effective date of this act], whichever occurs first.

Section 5. **Codification instruction.** [Section 4] is intended to be codified as an integral part of Title 16, chapter 2, part 1, and the provisions of Title 16, chapter 2, part 1, apply to [section 4].
